Remonstrance to Public
Road in Burnside
Township leading
from Westwood
to Front Pl.

Filed Aug 22 1881

Brook

To the Honorable the Judges of the Court
of Quarter Session of Clearfield County

We the undersigned citizens of Burnside
and Chest Townships in said County
Respectfully remonstrate against a proposed road
from Westover on Chest Creek to Grant P. O.
or Cherrytree Borough through Burnside
Township: That there is no occasion for
such a road: That there are already
Three public roads between the points named;
That the ground on which it is proposed to
locate this road is not suitable being in
places low and swampy. That the construction
of said road would be very expensive and
would be very burdlesome to the tax
payers of said townships and would be no
public benefit
