To the Honorable the Judges of the Court of Quarter Sessions
of the County of Clearfield Pennsylvania:

The undersigned citizens
and taxpayers of the County of Clearfield, do respectfully
represent that owing to the destruction of the Bridge across
the West Branch of the Susquehanna River and
known as "Hartwell's Bridge", your petitioners
labor under great and serious inconvenience for
want of crossing over said river. And whereas the
Bridge destroyed by storm was owned by the County
and the County Commissioners are about to proceed
to erect a new bridge, Now therefore your peti-
tioners humbly present that said Bridge should
be erected at some more suitable place, so as to avoid
the great danger on account of its nearness of the
Crossings of the Conowingville Extension of the Great
Clearfield Railway Company's road, and therefore
pray that viewers be appointed by your said Honor-
able Court to view and report upon the propriety
of changing the location of said Bridge, and if
a majority of said viewers report in favor of
such change they shall also report the proper
and suitable site or location for the new
bridge.

And they will ever pray &c.
