March 22 May, 1882

To the Juries of the Court of Quarter Sessions in the within or annexed town.

We the persons appointed by the said Court to view and lay out the road therein mentioned, do report that having first given notice according to law of the time and place of the view and having been duly sworn and affirmed in the manner and forms prescribed by the said order did view the ground for the proposed road and have laid out and now return the same for a public road. —

Beginning at a point on Front Street near the Methodist Church in the borough of Glen Hope thence through improved lands of E. A. White, John Massgo and W. Wright North thirty four (34^o) acres West thirty seven perches and three links to post. —

Thence through improved lands of C. D. Purhizer and D. Bear South fifty six and one half (56¹/₂) acres West, Eleven and one half perches to end of Pine Street. And for the reason of certain improvements interfering do recommend that the width of the road for the first course and distance (viz N. 34 W. 37.15 perches) be fixed at Twenty feet as a greater width on this part of the road would be very injurious to private property. And have assessed damages as appear on opposite page so far as we believe the persons are entitled to through whose land the road is laid out.

A plot or draft whereof is hereto annexed.
