**Clearfield County, ss.**

At a Court of Quarter Sessions of the Peace of the county of Clearfield, held at Clearfield, in and for said county, on the 22 day of March A. D.

1881, before Judges of said Court, upon a petition of sundry inhabitants of the Township of Jordan in said county, setting forth that they labor

under great inconvenience for want  
of a Public Road beginning at a Road at or near  
Pattersons Saw Mill to intersect Public road to  
near James P. Curry on Road running to  
Unionville and respectfully petition for Viewers  
to be appointed to vacate view and lay out  
the same

and therefore praying the Court to appoint proper persons to view and lay out the same according to law,

whereupon the Court, upon due consideration had of the premises, do order and

appoint Thos W Moore John Swan & George Patterson

who, after being respectively sworn or affirmed to perform the duties of their appointment with impartiality and fidelity, are to view the grounds proposed for said road, and if they view the same and any two of the actual viewers agree that

there is occasion for such road, they shall proceed to lay out the same agreeable

to the desire of the petitioners, as may be, having respect to the best ground for

a road and the shortest distance, and in such manner as to do least injury to pri-

rate property, and state particularly whether they judge the same necessary

for a public or private road, together with a plot or draft of the same, with the

courses and distances and reference to the improvements through which it

passes, and shall also procure releases of damages from persons through whose

lands said road may pass, or failing to procure such releases, shall assess the

same, if any sustained, and shall make report thereof to the next Court of

Quarter Sessions to be held for the said county, in which report they shall state

that they have been sworn and affirmed according to law. Notice is directed to

be given to the owners or occupants of seated lands through which the within

road is intended to pass, of the time of the view, according to the 147th rule of

Court.

BY THE COURT,

James Kerr  
Clerk.

## RELEASE OF DAMAGES.

**KNOW ALL MEN BY THESE PRESENTS:** That we, the undersigned, owners of the lands through which the road located by the viewers, under the annexed order, passes, for and in consideration of the sum of One Dollar to us respectively paid by the \_\_\_\_\_ at and before the ensembling and delivery hereof, have remised, released and forever quit-claimed and do hereby remise, lease and forever quit-claim to the said \_\_\_\_\_ all damages that may arise to us respectively by reason of the location and opening of the said Road; so that neither we, nor any of us, nor any person claiming under us, can or may hereafter ask, sue for, demand, have or receive any damages for injuries arising or growing out of the location and opening of the road aforesaid.

Witness our hands and seals, this \_\_\_\_\_ day of \_\_\_\_\_  
A. D. 188 \_\_\_\_\_

## ASSESSMENT OF DAMAGES.

The following named persons, having refused to release the damages to which they respectively may be entitled by reason of the location and the opening of the said road in the annexed return described, we, the undersigned, viewers, under oath in pursuance of our duty, under the Act of Assembly do assess their damages and make report thereof, as follows:

To \_\_\_\_\_ the sum of \_\_\_\_\_

Witness our hands this \_\_\_\_\_ day of \_\_\_\_\_ A. D. 188 \_\_\_\_\_

NOTE.—In case of a Private Road, the release must be executed in favor of the petitioner for said road.

Also— Viewers will carefully note the number of days employed and set the amount out at the foot of their return.

Reviewers cannot interfere with damages assessed by the original viewers, except so far as the location may be changed by the reviewers.

N. B.—If the viewers believe the parties are not entitled to damages, taking into consideration the advantages as well as the disadvantages of the road, they will report to that effect.

To the honorable Judges of the Court of Common  
Pleas of Clearfield County

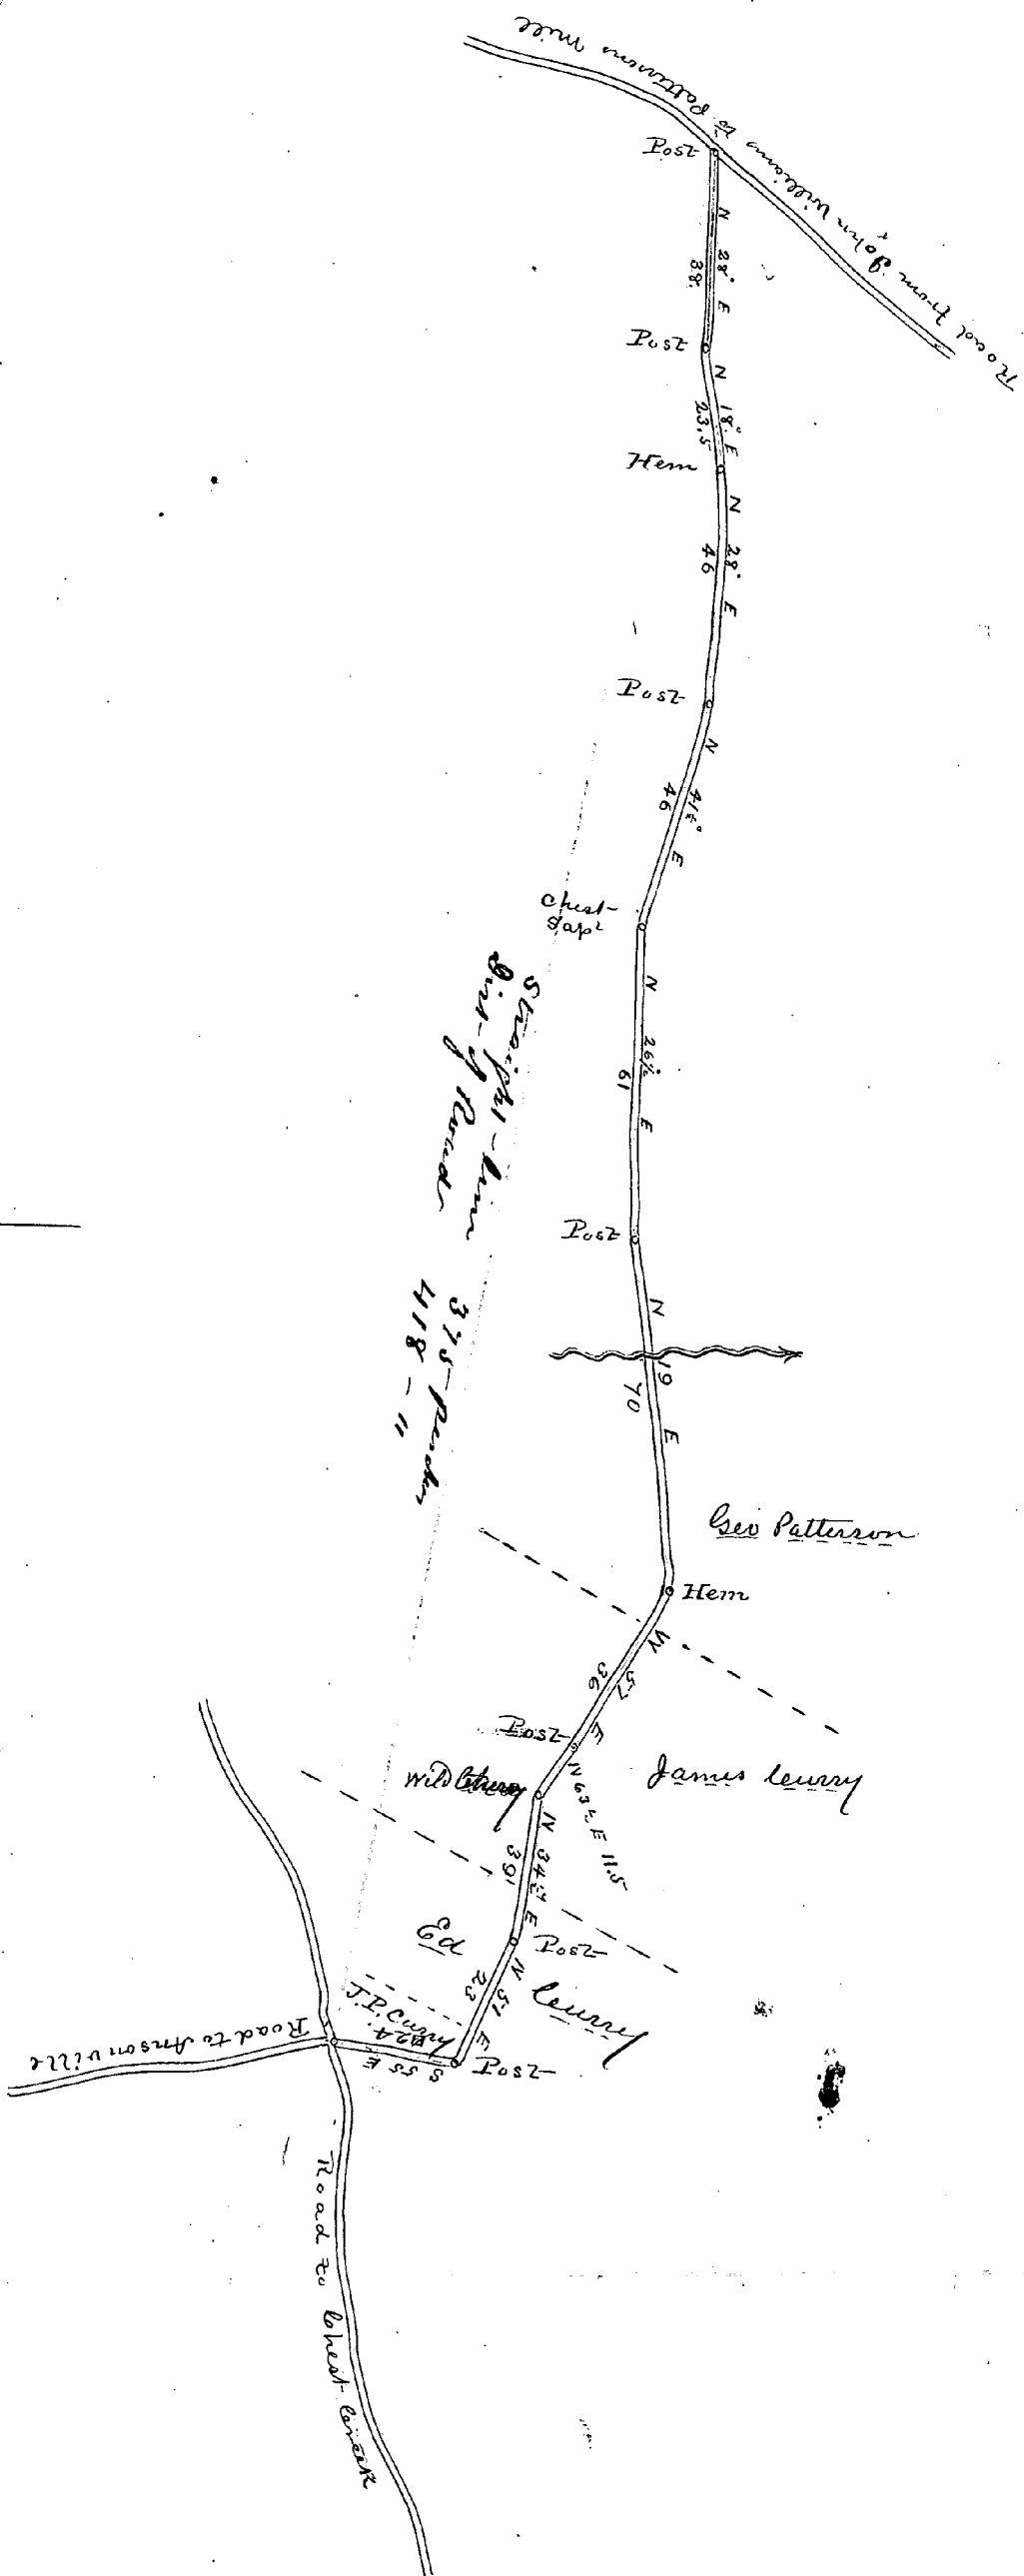

We the undersigned Viewers  
appointed by the foregoing Order of Court to  
View the road therein described. Do Report  
that in pursuance of said appointment  
after first having given due notice of the time  
and place of said view, we all met and  
bring duly Affirmed according to law  
we did proceed to view the ground for  
the proposed road. (owners & occupants of land  
along the route of said proposed road also having  
had previous notice). And we are of opinion  
that the aforesaid road is necessary for the Public  
travel and is much lower grade & very much  
shorter distance than is attainable by any other  
route; and therefore we have viewed, laid out  
and do return for Public use the following  
road Beginning at a Post on the Public road  
leading by Pattersons Sawmill, to John Williams  
Thence North twenty eight degrees East thirty  
eight Perches to a Post, Thence North eighteen  
degrees East twenty three & one half Perches
