Sam Mide to or near The Forest House on
Erie Turnpike. Bloom Township. Chautauque Co.

Exceptions by Mrs. Patton re estate
owner along line of road, exceptant respectfully
excepts to confirmation of said road because.

1. There is not such an adjudication of dam-
ages as required by law. The viewers neither
award damages nor state that none are sustained
nor that they are released.
2. There is no such designation of the im-
provements as are required by law.
3. The report does not show that personal
notice was given to land owners as required by
law and exceptant had no notice in fact.

The viewers have so laid out the said road as
to cut diagonally the best field on exceptant's farm
which farm includes The Forest House Building
and contains about Two Hundred acres, and the
said road as laid out cuts said field containing
about ten acres into two acute triangles so as to
very greatly damage the same without any
adequate compensation and without securing
a better grade or any appreciable better distance
than could have been obtained without such
damage and injury.
