Gates, Esquire, Attorney for the Authority; James Hoffman, Chairman of the Authority Board; and Mr. Billotte.

3. That a Hearing was held in the Grand Jury Room in the Court House at Clearfield, as advertised, on Tuesday, June 12, 1962, at 9:00 A.M.; E.D.S.T., at which hearing the following appearances were noted: John B. Gates, Esq., Attorney for the Authority; James Hoffman, Chairman of the Authority Board; Paul L. (a). That the right-of-ways for water lines and, the property acquired for Impounding Reservoir and Intake Structure, as described in paragraph five of the Petition for the Appointment of Viewers, filed April 23, 1962, said descriptions are incorporated herein by reference and made a part hereof -- are necessary for the water supply system of the Quehanna-Covington-Karthaus Area Authority. By atty 5.25 Pro. 3.00 Atty 3.00	May 2, 1962, PETITION FOR APPEAL OF SUSPENSION OF Driver's License, filed, WHEREFORE, your Petitioner prays for a hearing in the matter of said revocation before your Honorable Court and prays that your Honorable Court set the matter down for hearing upon thirty days written notice to the Secretary of Revenue, and to take testimony and examine into the facts of the case and to determine whether your Petitioner is subject to suspension of his operator's license. And he will ever pray. ORDER: NOW, to wit, this 2nd day of May, 1962, the foregoing Petition of Blaine Anderson having been read and considered, and it appearing that there is substantial merit in the said Petition from the revocation of Motor vehicle privileges, the matter is set down for hearing on the 12th day of June, 1962, at 9:00 o'clock A.M. ORDER: NOW, to wit, this 23rd day of May, 1962, on oral motion of Joseph J. Lee, counsel for Blaine Anderson, the date for hearing on the above matter is continued from June 12, 1962 to June 15th, 1962 at 9:00 o'clock A.M. EST (10:00 o'clock A.M. DST). By the Court, John J. June 15, 1962, ORDER filed: O R D E R: NOW, June 15, 1962, the motion to quash the appeal is refused. Exception noted. The refusal of the petitioner, Blaine Anderson, to testify on cross-examination, when called upon by the Commonwealth, is a proper exercise of his right under the Constitution of the Commonwealth of Pennsylvania, to not be compelled to give any evidence against himself, which may tend to incriminate him; whether that tendency to incriminate may be in the present proceeding, or any other proceeding that may be brought by virtue of this evidence having been illicited, if illicited, from the defendant. Therefore, the appeal is sustained, and the suspension of the operator's license of the defendant is revoked. Exception noted. BY THE COURT, John J. Pentz, President Judge.

WHEREFORE, your Petitioner prays for a hearing in the matter of said suspension before your Honorable Court and prays that your Honorable Court set the matter down for hearing upon thirty days' written notice to the Secretary of Revenue, and to take testimony and examine into the facts of the case, and to determine whether your Petitioner is subject to suspension of his operator's license. And he will every pray. ORDER: NOW, to wit, this 5th day of June, 1962, the foregoing Petition of Robert A. Overturf having been read and considered, and it appearing that there is substantial merit in the said Petition from the suspension of motor vehicle privileges, the matter is set down for hearing on the 9th day of July, 1962 at 9:00 o'clock A.M. This Order to operate as a supersedeas to the Order of Suspension from Charles M. Daugherty, Secretary of Revenue. By the Court, John J. Pentz, P.J. JUNE 30, 1962, Praecipe for Appearance for Commonwealth--- Plaintiff- filed by Clarence R. Kramer, Attorney for Commonwealth. July 9, 1962, ORDER filed. ORDER: NOW, July 9, 1962, it appearing that the Commonwealth's Exhibit 1, alleged report of conviction in the State of Illinois, is nothing more than a report of arrest; the action of the Secretary of the Commonwealth in suspending the license was based on improper, incomplete, and inadequate record from the State of Illinois, there being no conviction of the defendant for any offense alleged. Further, the document offered from the State of Illinois appears to be a carbon copy, and is not duly and properly authenticated for evidence and use outside the State of Illinois, as provided by the laws of the United States, as to the certification of records in any particular State, to be used in another State. Therefore, the Order suspending the license of petitioner is set aside. Exception noted. BY THE COURT, John J. Pentz, President Judge.

AUGUST 7, 1962, ORDER, filed: O R D E R: NOW, August 7, 1962, we find as a fact:

1. That the petitioner failed to have his vehicle under control, as required by the laws of the Commonwealth of Pennsylvania, in that he must be able to stop within the assured clear distance ahead.

2. On his own admission, he was following too close to the vehicle ahead of him, as provided by law.

We find, therefore, the defendant was negligent in that he failed to havehis vehicle under proper control, and be able to stop within the assured clear distance ahead; and that he followed the vehicle ahead too closely. The action of the Secretary of Revenue is justified. Appeal refused. BY THE COURT, John J. Pentz, P. J.

The Complaint avers ownership of the property, upon which the injuries claimed for by the plaintiff, were alledged to have occurred, is joint. The fact that one of the joint owners has since deceased, can not change the rule that where persons who jointly own interests in property are sued for damage because of that property, must be sued jointly, as provided by R.C.P. 2227 (a) and prohibits the severance. The fact that the plaintiff may not be able to testify against the deceased owner, is not sufficient to set aside the rule. See Bailey vs. New Castle, 30 D. & C. 179.

The land, which is the subject matter of this action, is situate in Woodward Township, Clearfield County, Pennsylvania, and consists of a tract of approximately five acres upon which there is erected a small frame bungalow and barn and said land is bounded and described as follows: Beginning at a stake located North 39 degrees 45 minutes West five hundred twenty-sewen and nine-tenths (527.9) feet from a cut-stone, which is the Northwest corner of the Thomas Edmundson Tract, thence South 54 degrees 36 minutes West four hundred (400) feet to a stake; thence North 35 degrees 24 minutes West five hundred forty-four and five-tenths (544.5) feet to a stake; thence North 54 degrees 36 minutes East four hundred (400) feet to a stake on the Northwest side of Shaw Street; thence along said Shaw Street South 35 degrees 24 minutes East five hundred forty-four and five-tenths (544.5) feet to the place of beginning. Having erected thereon a one-story bungalow and barn. Excepting and Reserving, nevertheless, all the stone, coal and other minerals living and being underneath the surface of the above described premises, with the full and free right to enter upon, prospect, mine and carry away the same without being liable directly, or indirectly, for any damages to the surface by reason of the entry, mining and removal of all the said coal and other minerals without leaving any support for the surface. And together with such other conditions, stipulations and reservations as are contained in the deed of severance of the coal and other minerals from the surface of said tract of land; reference thereto had will more fully and at large appear. 4. The claim of the Plaintiff of title to the above described lands and premises arises by virtue of a deed dated August 1, 1961, by James LeCorre and Lillian LeCorre, his wife, to William T. McCarty, recorded at Clearfield in Deed Book 492, page 84. 5. The title of James LeCorre and Lillian LeCorre rests on a County Commissioners' Sale of the described lands for delinquent taxes held on the 24th day of January, 1942, and the claim of the Plaintiff, William T. McCarty, in and to the above described land arises under and by virtue of the following conveyances and proceedings, all of record in Clearfield County, Pennsylvania, to wit: a. Under date of November 3, 1921, Mike Piller and Johanna Piller, his wife, made and executed a deed for the above described property to the Defendant, John Miller; said deed being recorded in the office of the Recorder of Deeds in and for the County of Clearfield in Deed Book 254, page 297. b. The said property being assessed for taxes in Clearfield County to the said John Miller and remaining unpaid for the years 1931-1935, the same was sold by the Treasurer of Clearfield County to the Commissioners of Clearfield County on January 10, 1936. The record of these sales proceedings appears in the County Treasurer's Office for Clearfield County in Land Sold to the County Docket 6 at page 101. The Treasurer's Sale above referred to was confirmed by the Court on petition filed to No. 44 February Term, 1936, in the Court of Common Pleas for Clearfield County. Reference is made to Continuance Docket 130, page 131. c. Under date of May 8, 1936, deed to the County Commissioners was executed, acknowledged and delivered, by H.F. Bigler, Jr., Treasurer of Clearfield County, to the Commissioners of Clearfield County. This deed has been lost or mislaid. d. Under date of January 24, 1942, the Commissioners of Clearfield County sold the described premises at Public Sale to James and Lillian LeCorre, record of the sale appearing in the above referred to Docket 6 at page 101, and deed dated May 25, 1942, was executed and delivered to the said LeCorres, which deed has also been lost or mislaid. e. Upon petition to the County Commissioners in the form of a letter reciting the above facts, a duplicate deed was made and executed by Fred L. Rhoads, Wesley Read, and A. W. Pearson, Commissioners of Clearfield County, to James LeCorre and Lillian LeCorre dated January 24, 1962, recorded at Clearfield in Deed Book 493, page 507. 6. It is averred that the Plaintiff acquired title to the described premises in good faith and for value. 7. The Plaintiff is informed, advised and avers, that the former owner, John Miller, has no right, title or interest, in the land hereinbefore described. 8. The described premises have been assessed to James LeCorre and Lillian LeCorre continuously since the Commissioners' Sale, above referred to, and the taxes thereon paid by them to and including the year 1961. WHEREFORE, Plaintiff brings this action and prays the Court to Decree title to the above described land to be in the Plaintiff free and clear of all demands of the Defendant, his heirs and assigns. s/ Harold J. December 23, 1965, OPINIONS AND AWARD, filed.

Lynn Peters and Dorothy Peters leased to the Peerless Fuel Co., Inc. the exclusive right to mine and remove coal from the Plaintiffs' land in Bradford Twonship by the strip mining method, dated February 27, 1959. This written lease agreement being a standard lease form for the mining and remeaving coal by the strip mining method in Pennsylvania with the exception of paragraph eight (8) in the lease which is stated in the said lease as follows:

It is understood and agreed between the parties hereto that the Lessee shall save and store, as far as is practical, the top soil on the portions of the land hereby stripped mined and further shall spread the same upon the areas stripped upon the completion of the backfilling as required. It is also agreed that the Backfilling shall be so conducted as to leave the contour of the land farmable.

Peerless Fuel Co., Inc. strip mined for coal under their lease approximately eight (8) months, storing the top soil and paying all royalties to the plaintiffs' for all coal removed. The coal stripping started in June 1960 and the last coal was removed in February 1961.

Seven months later on September 18, 1961 Peerless Fuel Col, Inc. assigned to the Shannon Land and Mining Company the said strip mining lease agreement of February 27, 1959 between Lynn Peters and Dorothy Peters and Peerless Fuel Co., Inc. with all the rights as lessee threunder.

Shannon Land and Mining Company did not remove any coal from the Lynn Peters lands under their assignment, however they did talk to Mr. Lynn Peters in regard to cancelling out the Peerless Fuel Co., Inc. lease agreement of February 27, 1959 and negociate for a new lease with Shannon Land and Mining Company paying less royalties etc. This Mr. Peters would not agree to and Shannon Land and Mining Company did not remove any coal under their assignmeht, that is no mining operations of any nature were carried out after the date of assignment from Peerless Fuel Co., Inc. to Shannon Land and Mining Company dated September 18, 1961 . After Mr. Peters refusal to negociate further, Shannon Land and Mining Company notified Mr. Lynn Peters by letter of November 10, 1961. After Mr. Peters refusal to negociate further, Shannon Land and Mining Company notified Mr. Lynn Peters by letter of November 16, 1961 that Shannon Land and Mining Company was cancelling said lease and the work of backfilling according to the terms of the assigned lease began.

Mr. Ray Walker, Agent for the Shannon Land and Mining Company contracted with the Motter Mining Company Company to backfill the Lynn Peters strip mining project with instructions to do the work to satisfy Mr. Peters, with Mr. M. E. Motter as superintendent in charge of all work. Mr. Lynn Peters was not satisfied with Mr. Motter's way of selecting the different earth materials to refill the open cuts of the coal stripped area. The testimony given and not denied by the defendents that Mr. Motter was negligent in selecting the backfill, as the top soil that had been stored in various locations was pushed into the pit bottoms or near bottoms of the stripping cuts and mixed with coarse earth spoilage. This top soil, had been stored for the purpose of restoring the top surface of the stripped area with top soil to make the land farmable.

"Farmable according to the testimony is the rotation of growing crops cut from a field such as corn, wheat, oats, hay etc."

Mr. E. M. Motter was discharged from his duties as superintendent and Mr. Ashley Woolridge, President of the Peerless Fuel Co., I c. as per stipulations dated May 1, 1963 took over the duties of superintendent in charge of of restoring the Lynn Peters coal stripped area of 8.22 acres.

Mr. Woolridge removed top soil mixed with coarser earth materials from the cut areas that had been carelessly placed into the open pits with bulldozers while Mr. Motter was in charge. Mr. Woolridge proceeded with the work and leveled with bulldozers the entire area of the stipped mined project to a roling topography with contour grade lines not exceeding fifteen percent (15%) with the exception of the spoil bank on the northern end of the project that could not be avoided.

In reconditioning the area to an even rolling topography a drainage condition exists approximately in the center of the stripped area creating an area of water during heavy rains and during the wet seasons.

FINDINGS OF FACT: 1. After viewing the 8.22 acres of disturbed land on the Lynn Peters farm by the defendants strip mining project, both before and after the tesitmony was given, the land area strip mined can be preserved and the land value restored for the growing of timber, but not farmable. By the use of proper scarifying machinery, grading equipment, lime, manure, fertilizer and grass seed to produce a ground cover of sod to prevent erosion, then after the sod is stablished plant trees.

2. The water holes in the approximate center of the strip mined area to be corrected or drained.

CONCLUSIONS: 1. An amount of $400.00 per acre to be paid by the defendents Shannon Land and Mining Company and Peerless Fuel Compant, inc. to the plaintiffs lynn peters and Dorothy Peters for damages to 8.22 acres caused the defendents failure to restore said 8.22 acres to proper farmability. 8.22 acres X $400.00 per acred $3288.00

2. An amount of $1,000.00 to be paid by the defendents to the plaintiffs for damage due to the poor drainage condition. Lump sum $1000.00 Total Item 1 and 2 $4288.00

3. Interest to be paid by the defendents on total damage amount of $4288.00 beginning September 1, 1963 to the plaintiffs.

4. The Shannon Land and Mining Company and Peerless Fuel Co., Inc., is liable for all court costs and the arbitrators' fees as follows: Ernest P. Baum, Registered Engineer $551.65; Fred Peters, Farmer $465.75 Stanley V. McKee, Farmer $482.55

(CONTINUED ON PAGE 562)

(CONTINUED FROM PAGE 561 -- Lynn J. Peters al vs. Shannon Land & Mining Co. al No. 919 May T 1962)
AWARD NOW, this 23 day of December, 1965, for the reasons set forth in the within opinion the arbitrators hereby award to Lynn J. Peters and Dorothy Peters the sum of $4288.00 together with interest from September 1, 1963 to be paid by the defendants Shannon Land and Mining Company and Peerless Fuel Company, Inc.
