To the Honorable The Judges of the Court of  
Quarter Sessions of Clfd Co Pa

I the undersigned and one of the viewers within  
named would respectfully report that on the  
9<sup>th</sup> Day of October 1883 the day appointed to  
view the road within named and notice of the time  
and place for viewers to meet having been given ac-  
-cording to law, went upon the ground and met a number  
of the Petitioners who informed me that a Station had  
not been located at the R.R. within named at or  
near the mouth of "B" Run, and as the road asked  
for to be of any benefit to the petitioners should be  
laid out to said Station. Since that time the S & C  
R.R. Co. has built a branch road up the said Run to  
the P.O. within named and has in many places  
taken up the ground for the proposed public Road  
and the said Company has located a Station a  
short distance above the rafting ground at Butter  
milk Eddy and Mess. Weaver & Betts have built a good  
road a portion of the way and repaired the road proper  
to be vacated by the within order from the last point above  
named to "B" Run School House. I make  
this report to show reasons for not laying out the road, as  
per within order. After ~~notifying~~ seeing petitioners on the  
date above mentioned I notified Viewers not to attend.

Witness my hand this 16<sup>th</sup> day of Dec 1884
