Woods who, after being respectively sworn or affirmed to perform the duties of their appointment with impartiality and fidelity, are to view the grounds proposed for said road, and if they view the same and any two of the actual viewers agree that there is occasion for such road, they shall proceed to lay out the same agreeable to the desire of the petitioners, as may be, having respect to the best ground for a road and the shortest distance, and in such manner as to do least injury to private property, and state particularly whether they judge the same necessary for a public or private road, together with a plot or draft of the same, with the courses and distances and reference to the improvements through which it passes, and shall also procure releases of damages from persons through whose lands said road may pass, or failing to procure such releases, shall assess the same, if any sustained, and shall make report thereof to the next Court of Quarter Sessions to be held for the said county, in which report they shall state that they have been sworn and affirmed according to law. Covington Jp. Oct. 13th 1883

To the Honourable Judges of the Court of Chancery
County.

Sirs. We the undersigned, viewers appointed to
view and lay out a road in Karthaus & Cov-
ington Twp. in our names with the within order
after giving lawful notice of the time and since
of which did go upon the ground and after
being sworn according to law proceeded to view
the ground proposed for said road and did
lay out a road as follows beginning at an
oak tree near the house of Jas. Belmont in Kar-
thaus twp thence $\mathbf{S} 76^{\circ} \mathbf{W} 6$ perches $\mathbf{S} 47^{\circ} \mathbf{W} 15\frac{1}{2}$ perches
 $\mathbf{S} 19^{\circ} \mathbf{W} 28$ perches $\mathbf{S} 15^{\circ} \mathbf{W} 12$ perches $\mathbf{S} 19\frac{1}{2}^{\circ} \mathbf{W} 13$ perches
 $\mathbf{S} 10^{\circ} \mathbf{W} 6\frac{1}{2}$ perches $\mathbf{S} 1\frac{1}{2}^{\circ} \mathbf{W} 4$ perches $\mathbf{S} 50^{\circ} \mathbf{W} 4$ perches \mathbf{S}
 $63\frac{1}{2}^{\circ} \mathbf{W} 8\frac{1}{2}$ perches thence $\mathbf{N} 86\frac{1}{2}^{\circ} \mathbf{W} 158$ perches to a key
Road at N.E. corner of Jas. B. Roger Farm in Covington
twp.

But after laying out the foregoing road we found it did
not suit a majority of the petitioners and in our opinion
is not where a road to be of any benefit to the said
petitioners should be and under this order it was impos-
sible for us to lay out a road between the points within
mention that would be better. we have given a draft
of the ground and from it you can see why we do not
return a road between the two names, R. S. Stewart

Reviewers are to interfere with damages assessed by
the original viewers, except so far as the location may be
changed by the reviewers.
N.B.—If the viewers before the parties are not entitled
to damages taking into consideration the advantages as
well as the disadvantages of the road, they will report to
that effect.
