CLEARFIELD COUNTY, SS:9

At a Court of Quarter Sessions of the Peace of the county of
Clearfield, held at Clearfield, in and for said county, on the
8th day of Sept, A. D. 1884,
before Judges of said Court, upon a petition of sundry inhab-
itants of the township of Bradford, in
said county, setting forth that they labor under

great inconvenience for want of a public Road to lead from
the End of the New Bridge Across the Susquehanna River
at Shawsville in said Township to intersect a public Road
at or near the Mouth of Mill Stone Run in said Twp

and therefore praying the Court to appoint proper persons to view and lay out the same
according to law, & Report to Rec Sess.
whereupon the Court, upon due consideration had of the premises, do order and appoint
E. L. Read, Jno. A. Wooldridge and Isaac Wilson
who, after being respectively sworn or affirmed to perform the duties of their appointment
with impartiality and fidelity, are to view the grounds proposed for said road, and if they
view the same and any two of the actual viewers agree that there is occasion for such road,
they shall proceed to lay out the same agreeable to the desire of the petitioners, as may be, having
respect to the best ground for a road and the shortest distance, and in such manner as to do
least injury to private property, and state particularly whether they judge the same necessary
for a public or private road, together with a plot or draft of the same, with the courses and
distances and reference to the improvements through which it passes, and shall also procure
releases of damages from persons through whose lands said road may pass, or failing to
procure such releases, shall assess the same, if any sustained, and shall make report thereof
to the next Court of Quarter Sessions to be held for the said county, in which report they shall
state that they have been sworn and affirmed according to law. Notice is directed to be
given to the owners or occupants of seated lands through which the within road is intended
to pass, of the time of the view, according to the 147th Rule of Court.

ASSESSMENT OF DAMAGES.

The following persons, having refused to release the damages to which they respectively may be entitled by reason of the location and the opening of the said road in the annexed return described, we, the undersigned viewers, under oath in pursuance of our duty, under the Act of Assembly do assess their damages and make report thereof, as follows:

To _____ the sum of _____

To _____ the sum of _____

To _____ the sum of _____

Witness our hands this _____ day of _____ A. D. 188 .

To the Honorable, the Judges of the Court of Quarter
Sessions of Clearfield County.

We the subscribers appointed by the within order
respectfully report that after giving good and
sufficient notice of the time and place of meeting
for the purpose of viewing the road therein mentioned
did meet in pursuance of said notice at the Grist
mill of A. B. Shaw at Shawsville and after all
of us being severally sworn or affirmed according to
law went upon the ground proposed for the road
within mentioned and find in our opinion that a
road between the points within named is not necessary
~~Witness our hands this first (2nd) day of Dec. 1887~~
but a road from the end of the new Iron Bridge to
intersect the Township road leading from the ferry
at Shawsville to Woodland is necessary, provided
the approach to the Bradford end of said Bridge be
made in such manner as to be passable. As there
is a great amount of filling necessary to make it
possible for a team to get on the Bridge and in our
opinion the expense of said filling would be much
more than the said Township of Bradford should
bear.

Witness our hands this First day of Dec 1887
