I cannot concur with my colleagues in the opin-
ion that the foregoing road as laid out should
be returned a public road or for public use
for the reason that there is a public road (viz.
the Snowshoe-Packersville Turnpike) which is
parallel with the above described road, ^{and at no point is over a mile from} said road.

my opinion supplies the public necessity in every
respect. it is my opinion that a private road
would answer every purpose of the petitioners
