To the Honorable the Judges of the Court
of General Quarter Sessions of the Peace of
Clearfield County.

The Petition of the undersigned inhabit-
ants of the Townships of Boggs (Knos) and
Woodward in the said County. Being a majority
of the original Petitioners Respectfully sheweth
that a road hath lately heretofore laid out by
order of your said Court to No. 7 June Term
1879 which said report of viewers was confirmed
absolute on the 16th day of January 1880
and an opening order issued to open the
same which said order has since been obeyed
and a part of said Road ever opened.

That said Road at a point on the over-
land Road in Woodward Township and passes for a
distance of three miles through an unsettled
forest and terminates at a point on the Clear-
field and Glen Hope road near Gallie Bowman
in Knos Township. That the necessity for
the said road no longer exists by reason
of the erection of a Bridge on the Public
road at mouth of Potto Run thus affording
a direct route from the region of Little Clearfield
Creek to Housdale accessible to all the inhabit-
ants to be benefited by the proposed new
road. That the proposed new road if opened
will be burdensome to the inhabitants of the
said Townships which are now burdened with
numerous roads and exorbitant taxes
and unable to open and keep in repairs other
