NOVEMBER 22, 1966, OPINION AND ORDER, filed.

Defendant filed motions for new trial and for judgment n.o.v.; but withdrew its motion for a new trial, thus leaving for consideration of the Court only the motion for judgment notwithstanding the verdict.

On November 2, 1963 the palintiff and his wife, by invitation attended a 25th wedding anniversary at the Bethany Covenant Church in DuBois. Neither of them was a member of the church. They arrived at the Church at approximately 7:30 in the eveining, the weather being stormy with rain turning to sleet. Plaintiff parked his automobil in the parking lot owned by ~~th~~ and adjoining the Church, but separated from the Church physically by a stream or drainage ditch maintained by the City of DuBois. In the area between the parking lot and the Church, the drainage ditch, five feet in depth, is lined on the parking lot side with stones, ~~m~~making it an almost perpendicular drop down to the water level. There were no lights on the parking lot, the only lights being street lights on the perimeter thereof. Arriving at the lot, plaintiff pulled in so that his lights shone first against the Church, and then ~~m~~made a turn and parked into the parking position, at right angles to the side of the Church and with his rear wheels closest to the ditch. There is no evidence but what the plaintiff did not know of the existence of this ditch. When he got out of the automobile he walked around to the front and to the right side,
