To the Honorable the Judges of the Court
of Quarter Sessions of the Peace of
the County of Clearfield:

The Petition of Robert Wrigley respectfully
represents:

That a public road, lead-
ing from or beginning at point in turn-
pike road from Clearfield to Clearfield
Bridge at or near the farmhouse of
William Meapes, and leading thence
to a point in public road at or near
the tenant house of your petitioner
in Lawrence township, laid out on the
fourteenth day of November A.D. 1881
by order of this Court and confirmed
absolutely on the 22nd day of May
A.D. 1882, was opened through land
of the petitioner in the month of
September last, and within one
year; that he has sustained injury
thereby in the occupation of his land,
in the cutting off of part of his pro-
perty from water for his stock &c, and
in the additional fencing required
and in losing a strip of his land too narrow to fence up for hay use.
The petitioner therefore prays the Court
to appoint a jury of six disinterest-
ed persons to view the premises and
assess the damages, if any, which the
petitioner may have sustained.
