AUGUST 6, 1965. PETITION FOR APPOINTMENT OF VIEWERS, filed
To the Honorable John A. Cherry, President Judge of Said Court:

The petition of Howard E. Siebenrock and Emily Louise Siebenrock respectfully represents:
FIRST: That your petitioners are Howard E. Siebenrock and Emily Louise Siebenrock, who became vested with real estate situate in Lawrence Township, Clearfield County, Pennsylvania, by deed dated the 28th day of February, 1947, duly recorded at Clearfield in Deed Book No. 381, page 379, consisting of 94 acres and forty (40) perches, described as follows:
"BEGINNING at a white oak grub in the line of land of John Owens, Jr., corner of Lot No. 2 and 3 as hereinafter mentioned; thence north by said land one hundred eighty eight and one-half (188½) perches to post; thence by line of land of Issac Conklin west eighty perches to post corner of Lot No. 1 and 3; thence by Lot No. 1 south one hundred eighty eight and one half perches to a stone or corner of Lot No. 2; thence by Lot No. 2 east eighty perches to a white oak grub and place of beginning. Containing ninety four acres and forth perches and being known as Lot No. 3 in the division of Ardhibaldi Shaw in Lawrence Township.
SECOND: That the premises at the time hereinafter averred and for years prior thereto constituted one of the finest and most valuable farms in Lawrence Township with a large two-story dwelling house, large frame barn set on a double thick brick wall one-story in height with a frame super structure over and above that, combined machinery and granary shed and other buildings and improvements. All were maintained in excellent condition, except the building constituting the machinery and granary shed.
THIRD: That the said farm was fertile, readily tillable and was a very valuable farm for the raising of crops and for maintaining a dairy herd and production of milk and dairy production; situate within easy access of market for dairy products, on an improved road and accessible the year round.
FOURTH: That a right-of-way for a four lane highway separated by a medial strip, together with an additional area taken for an access road was condemned through the farm of Plaintiffs by a plan signed by the Governor on July 1, 1964, without notice to Plaintiffs.
FIFTH: That on September 21, 1964, the District Office of the Department of Highways at Clearfield received the form of notice of condemnation to be served upon Plaintiffs but it was not served until January 7, 1965.
SIXTH: That the only notice in writing received by Plaintiffs from the Department prior thereto was a letter dated December 28, 1964, relative to the personal property upon the premises.
SEVENTH: That the construction of the proposed highway had already been advertised for bids which were opened on December 22, 1964.
EIGHTH: No formal offer in writing or a basis for settlement has at any time been received by Plaintiffs.
NINTH: That the condemner, through its contractors, has already entered possession of the part condemned and is pushing out the dirt from the farm, exercising complete occupancy of the portion condemned without any formal offer of settlement having been made in writing, or any explanation for such delay.
TENTH: That the right-of-way incident to the east bound land of the proposed construction comes within approximately sixty feet of the dwelling house of Plaintiffs and has already taken the barn and the combined machinery and granary shed.
ELEVENTH: That an access highway will be constructed upon part of the land of Plaintiffs; an area has already been condemned for such use.
TWELFTH: That the said proposed access highway will come within a few feet of Plaintiff's two-story frame, well-maintained farm house and Plaintiffs believe and expect to be able to prove that the same will take a portion of the front steps thereof.
THIRTEENTH: That the Highway Department has never attempted through any representative to explain the extent or proximity to buildings of the proposed taking for this access highway and have given the Plaintiffs absolutely no information relative thereof, other than the Proceedings of outser to take by legal force possession of the condemned portion, which proceedings were served upon the Plaintiffs March 25, 1965, and by which, for the first time, Plaintiffs were placed in possession of the maps of condemnation.
FOURTEENTH: That the land proposed to be taken is, according to the best information obtainable by Plaintiffs, at lease 25.3232 acres of the choicest portion of this valuable farm land, out of a total area of 94 acres and 40 perches. The taking for the main highway will bisect Plaintiffs' farm, leaving the house and considerable acreage on one side and a substantial portion of the farm on the other side, and have already removed the barn and granary of the Plaintiffs, leaving the farm without such facilities.
FIFTEENTH: That by reason of the taking and the cutting up of the farm, the proximity of the access highway to the said porch, steps and dwelling house and because of the loss of the buildings which had to be removed, the total result of such taking and injury is that the farm will be reduced to 1/4 its former area and to a property of greatly decreased value and diminished marketability. The Plaintiffs believe and expect to be able to prove that the portion separated from the dwelling house will have little, if any, saleable value.
SIXTEENTH: That the two acres of coal and other minerals owned by Plaintiffs under their deed are situate surrounding the buildings and would in part be under the barn, machinery and granary shed and in part under the house. In either event the said coal is rendered in accessible and lost to the Plaintiffs and by this condemnation they are, and will be, divested the right to remove any of said coal and minerals in such two acres area.
SEVENTEENTH: The surface of the entire farm was especially valuable not only for agricultural and dairy farming purposed but because of its potential for the purpose of lifting the surface and overburden in order to strip-mine the coal, only an area of approximately seven acres having been previously strip-mined.
EIGHTEENTH: That by the acts of the Commonwealth in failing to keep the Plaintiffs advised and to alert them to what was happening and to the actual rea of the proposed taking, they have been handicapped and hindered and inconvenienced in the use of their farm and by the lack of a firm and reliable offer have prevented from obtaining a settlement of the damages inflicted, thereby increasing the damages sustained by them.
NINETEENTH: That the proximity of the access highway to the front steps and porch will render the occupancy and use of the porch and adjoining ground very hazardous and dangerous particularly for children unless adequately fenced.
TWENTIETH: That if the said area in the vicinity of the house, front porch and steps be fenced by the Commonwealth, it will further, impair the value of the property by rendering the use of the immediate area around the porch and front of the house inconvenient, if not impractical, and will make the appearance unsightly and thereby greatly decrease the value of the property of Plaintiffs.
WHEREFORE, your Petitioners, never having been made a firm and reliable offer of settlement, pray your Honorable Court to appoint three viewers to assess the damages to which petitioners are entitled by reason of such taking, and report their findings to the Court.
And your petitioners will very pray, etc. s/ Clarence R. Kramer. Attorney for Petitioners.

March 19, 1970, Letter from Mr. Eugene Morrison, filed -- Quote
"Prothonotary Office-- I am writing in regards to this letter which is enclosed --Letter from Commonwealth dated 3-12-70--
The property that Lena Morrison, my Mother occupied fourteen years ago has been sold for taxes a couple of times that I know of, and the house isn't even there anymore, it was torn down by whoever had it. My Mother left Irvona, Pa. 14 years ago and has been dead for four years. According to the letter enclosed the property is believed to still be standing. I would like to have this straightened out, and if at all possible an answer to this. Yours truly, Mr. Eugene Morrison."

November 10, 1967, Transcript of Testimony taken before Honorable John A. Cherry and a jury and two alternates lodged this date. By S/ Archie Hill, Prothonotary.

MAY 22, 1969, MEMORANDUM AND ORDER, filed.

After full consideration of the argument upon motion for new trial in the above matter, as well as another review of the testimony, the Court finds that a directed verdict was proper. We have not been able to find anything in the testimony to sustain any of the allegations of negligence and, therefore, without any question as to the existence of contributory negligence, we are satisfied that the plaintiff presented no basis for recovery in the instant case. Their argument that there was excessive speed shown is not based upon the evidence, that being to the contrary and all of the surrounding circumstances. We have found no violation of duty on the part of the defendant; and for this reason, and the foregoing matters, we must deny the motion. See and compare GROTFENFEND V. PENNSYLVANIA RAILROAD COMPANY, 380 Pa. 439; and VERES et al v. PENNSYLVANIA RAILROAD COMPANY et al, 161 Pa. Superior Court 177.

SEPTEMBER 7, 1967, MASTER'S REPORT, filed.
And Now, the 7th day of September, 1967, the report of the Master is acknowledged. We approve his findings and recommendations;
We, therefore, DECREE that HARRY J. BLOOM be divorced and forever separated from the nuptial ties and bonds of matrimony heretofore contracted between himself and FLORENCE J. BLOOM. Thereupon all the rights, duties or claims accruing to either of said parties in pursuance of said marriage, shall cease and deter, and each of them shall be at liberty to marry again as though they had never been heretofore married,
The Prothonotary is directed to pay the Court costs, including Master's fees, as noted herein, out of the deposits received and then remit the balance to the plaintiff. BY THE COURT S/ John A. Cherry, President Judge.
DECEMBER 6, 1967, PETITION TO OPEN AND VACATE DECREE, filed, by Marc Katzen, Attorney for Defendant.
WHEREFORE, the petitioner prays your Honorable Court to issue a rule upon the defendant to show cause why the decree in divorce entered to the within term and number should not be vacated and/or opened. /s/ Robert M. Hanak, Attorney for Defendant.
ORDER:
NOW, December 5, 1967, upon consideration of the foregoing petition and it being determined that the law does not provide in any manner for the exercise of the Court's discretion as requested in the prayer of said petition, there being no allegation of lack of jurisdiction, fraud or other matters which permit the Court to vacate said decree; it is therefore, ORDERED, that the prayer thereof be and it is hereby denied and petition dismissed; the said defendant having failed to take advantage of her rights to file exceptions and to perfect appeal within the time allowed by law. By the Court, John A. Cherry, President Judge.

JULY 12, 1968, PETITION TO OPEN AND VACATE DECREE, filed by Marc Katzen & Robert M. Hanak, Attorney for Defendant.
WHEREFORE, the petitioner prays your Honorable Court to issue a rule upon the Defendant to show cause why the decree in divorce entered to the within term and number should not be vacated and/or opened. /s/ Robert M. Hanak
ORDER:
NOW, July 23, 1968, upon consideration of the averment made in the Petition to Open and Vacate Decree entered in the above matter on September 7, 1967, and particularly the law applicable thereto, the Court finds that said averments are such as should have been presented for consideration by the Court through exceptions and appeal. It is to be noted too, that this is the second such petition filed; the first having been presented and acted upon December 6, 1967. In the first of said petitions, no such averment as is made at this time was presented. In this particular case the Court, upon informal request made by the plaintiff, delayed and postponed entry of decree for a period considerably beyond the expiration of the time for filing exceptions. Therefore, Court enters the following ORDER:
Petition to open and vacate decree is denied. By the Court, John A. Cherry, President Judge

the highest probative value in determining said just compensation.
The Board of View finds that the testimony of R. T. Bromfield as to the best method of alleviating the drainage problem and the cost thereof was immaterial inasmuch as consequential damages are not allowable under the law at the time of the taking. Damages of such nature are not recoverable as distant items of damage but bear on the market value of the property in question.

12. That the testimony of Samuel Mano, appraiser for the Commonwealth, revealed that he was never on the property after the construction and that, in view of this fact and the fact that he is not a civil engineer, rendered his testimony as to the water drainage and the methods of alleviating the same of little probative value for the purpose of determining just compensation in this case.

Samuel Mano, appraiser for the Commonwealth, testified that he visited the property after the construction. He is not a civil engineer. However, his testimony as to the drainage is of little probative value inasmuch as drainage damage was not a compensable item under the law at the time of taking.

13. That the expert opinions of qualified resident engineers as to market values of lands in Clearfield County are of higher probative value than those of non-resident appraisers.

The expert opinions of resident engineers as to market values are probably not as of a high probative value as those of a non-resident appraiser. As to resident appraisers, the Board of View holds that if all appraisers had comparable experience and training, the probative value of the testimony of resident appraisers would probably be higher than that of non-resident appraisers.

14. That the petitioner, Mary Heberling, has proven by a preponderance of the evidence that her property has been in the amount of \$7,000 or over.

The Board of View has found general damages to the property of Mary Heberling in the amount of \$5,935.

7. Attached hereto is a copy of the request of Commonwealth of Pennsylvania, Department of Highways for findings of fact and conclusions of law which are answered by the Board of View as Follows:

1. Amount of damages allowed for the land taken.

The Board of View has allowed for damages of the land taken \$425.

2. Amount of damages, if any, allowed for the well and the spring.

The damages allowed by the Board of View for the well and spring is \$510.

3. Amount of credit allowed the Commonwealth because of the acquisition and use by claimant of a portion of old route 17038.

The Board of View has allowed no credit to the Condemnee for the acquisition and use of a portion of old route 17038, there being no evidence presented to the Board of View that said portion of land had reverted to the Condemnee.

4. Amount of damages, if any, allowed to claimant because of the depression in the pump area caused by the construction.

The Board of View has allowed no damages because of the depression in the pump area caused by the construction.

5. That the work done on Route 869 was all done within the previously existing legal right-of-way of that road.

The Board of View finds that all work done on Route 869 was done within the previously existing legal right-of-way.

6. That claimant is not entitled to damages for any injury caused by the raising up or any other construction on Route 869.

The Board of View has not allowed damages for any injuries caused by the raising up or for any other construction on Route 869.

7. That claimant is not entitled to damages for any loss of business caused by the re-routing of Route 17038, for two reasons:

(a) No evidence was offered to indicate what the measure of damages would be, and

(b) As a matter of law, plaintiff is not entitled to damage caused by a re-routing.

There has been no damages allowed by the Board of View for any loss of business.

8. That claimant is not entitled to any damage for any injury to the spring, since it had been condemned as unfit at the time of the taking.

The Board of View has not allowed any damages for any injury to the spring located behind the condemnnee's house and store.

8. The schedule of the viewers' costs to be paid by Clearfield County is hereunto attached.

9. Ten day notice of intent to file the within report together with a copy of the report is showed upon the attorneys for Condemnee and Condemnor and a copy of thereof is hereunto attached.

All of which is respectfully submitted. L. E. Soult Jr., Roland Bechtel, and Ward Reese.

NO. 1 SEPTEMBER TERM, 1965

IN RE: CONDEMNATION
OF MARY HEBERLING

MARCH 3, 1966, REPORT OF VIEWERS FILED
NOTICE OF FILING OF REPORT OF VIEWERS
REPORT OF VIEWERS

The undersigned Board of View reports respectfully:

1. By Decree of your Honorable Court dated September 7, 1965, the undersigned viewers were appointed as a Board of View in the above captioned matter.

2. Notice of the time and place of the proposed view and the hearings thereof was fixed by the Board of View in accordance with the requirements of the Act, 1964, SPEC. SESS., June 22nd. PL____, (Eminent Domain Code). Notice was served by certified mail upon the Condemnee, Mary Heberling, by letter to her attorney of record, David S. Ammerman, Esq., and upon the Condemnor, Commonwealth of Pennsylvania, Department of Highways, by certified letter to W. Albert Ramey, Esq., attorney of record.

Pursuant to notice of view and hearing, a view was held on the premises of the Condemnee on November 22, 1965, and upon stipulation of all parties, the hearing was held on December 13, 1965.

Attached hereunto and made a part of this report, is a copy of the notice, the receipts for certified mail, and receipts for certified mail, and the return receipts issued as a result of such mailing.

3. As provided in the Eminent Domain Code Section 511 (3), a copy of the plan showing the extent of the taking upon which the viewers' award is predicated is herein attached. As provided in the aforesaid sub-section, the Board of View has found that Mary Heberling was vested in a fee simple title to the premises condemned.

4. Board of Viewers found, pursuant to Section 511 (4), the date of filing of the declaration of taking to be August 8, 1962.

5. The Schedule of damages as determined by the Board of View for the premises condemned is as follows:
The sum of five thousand nine hundred thirty-five and 00/100 (\$5,935.00) dollars is awarded to Mary Heberling, Condemnee, payable by the Commonwealth of Pennsylvania, Department of Highways, Condemnor, as general damages.

The date from which the damages shall be calculated is to be the date of declaration of taking, August 8, 1962.

6. Attached hereto is a copy of the request of Mary Heberling for findings of fact and conclusions of law which are answered by the Board of View as follows:

1. That the Commonwealth has admitted that the survey of June, 1940 shows the legal right-of-way of Route 869.

The Board of View submits that the Commonwealth has admitted that the survey of June, 1940, showed the legal right-of-way of Route 869.

2. That the survey of the intersection of Route 869 and Legislative Route 17038, as taken by the Pennsylvania Department of Highways in June, 1940, and those prepared for condemnation purposed in this case do not conform with each other on the face of the matter.

The Board of View finds that the map prepared from the survey of June, 1940, while not conforming to that prepared for the condemnation in this case, were not meant to conform but were made for two different purposes at two different times.

3. That it is the duty of the Commonwealth to go forward with the evidence and explain the discrepancies between the surveys.

The discrepancies between the surveys, the Board of View finds were explained in that the two different maps were prepared for two different purposes at different times, and the 1940 map was not necessarily meant to show the exact location of the intersection between Route 869 and Legislative Route 17038.

4. That the Commonwealth did not go forward with the evidence and satisfactorily reconcile the discrepancies in the two surveys, and that, therefore, in view of this and the following: (1) the photographic evidence; (2) the testimony of Walter Brown as to measurements prior to construction, and (3) the testimony of Mr. Rozzi who admitted he could not account for the six-foot discrepancy, the Board of View must find that the taking by the Commonwealth was not confined to the property as indicated upon the maps supplied by it to the property owner.

The Board of View finds that there were no unreconcilable discrepancies in the two surveys. They further find (1) the photographic evidence does not point to any evidence that there are discrepancies that are not reconciled; (2) the testimony of Walter Brown as to the measurements prior to construction showed only measurements from the edge of the road as Mr. Brown supposed its location to be; and (3) that Mr. Rozzi didn't admit to a six-foot discrepancy in his testimony.

5. That the Commonwealth did, in fact, in the process of constructing the intersection, relocate the right-of-way of Route 869 so that it encroached upon and thereby constituted a taking of additional land of Mary Heberling on the southern side of Route 869 and that the petitioner is entitled for damages therefor.

The Board of Viewers do not find that there was a relocation of the right-of-way of Route 869 so that it encroached on the land of Mary Heberling on the south side of Route 869 and hence, find that the petitioner is not entitled to damages for an encroachment.

6. That regardless of whether or not the Commonwealth relocated the right-of-way of Route 869 in such a manner as to constitute a taking of additional land of Mary Heberling, the Commonwealth is responsible for damages for raising the grade of said Route 869, as it has been admitted by the Commonwealth was done in connection with the taking for the construction of a properly engineered highway and, therefore, is a direct and not a consequential damage to the property as a result of the taking under the law as promulgated by the Supreme Court of Pennsylvania in the case of Commonwealth vs. McCrady, 339 Pa. 586, 160 A2d 715 (1960).

The Board of View finds that the Commonwealth is not responsible for damages for raising the grade of said Route 869. The law prior to the Eminent Domain Code was that the Commonwealth was not responsible for changes of grade occurring entirely within the right-of-way lines of its streets and highways (State Highway Route 72, 265 Pa. 369 (1919)). In the case cited by the Condemnee, Commonwealth vs. McCrady, 399 Pa. 586, 160 A2d 715 (1960), there was a taking of land by the Commonwealth and the case cited is inapplicable in this instance as there was no further taking by the Commonwealth at the site of the change of grade.

7. That the evidence showed that the well constructed in July, 1962 was rendered valueless by the taking by the Commonwealth.

It is agreed by the Board of Viewers that the well was rendered valueless.

8. That the Commonwealth has admitted the taking has resulted in the drainage of water upon the land of Mary Heberling and that said drainage has damaged the property.

The Drainage of water upon the land of Mary Heberling, as a result of the taking, is acknowledged by the Board of View as well as the fact that said drainage has caused the property to be less valuable.

9. That a civil engineer is the best qualified expert in determining the method of alleviating water drainage problems.

It is agreed by the Board of View that a civil engineer is more likely to be qualified in determining the method of alleviating water drainage problems than the other experts who testified.

10. That the Commonwealth introduced no evidence by a civil engineer in connection with the drainage problem.

The Board of View finds the Commonwealth introduced no evidence by civil engineer before the Board of View in connection with the drainage problem.

11. That the testimony of R.T. Bromfield, a civil engineer, of the best method for alleviating the drainage problem and the cost thereof for the purpose of justly compensating the petitioner for her damages is of

Ammerman & Blakley	In re: Condemnation of Mary Heberling property, BOGGS TOWNSHIP Clearfield County, Pa. by the Commonwealth of Pennsylvania for Highway purposes.	SEPTEMBER 7, 1965, PETITION FOR APPOINTMENT OF BOARD OF VIEW, filed. September 24, 1965 certified copy to Sheriff.
DISCONTINUED AND SETTLED		2. That on August 8, 1962, your petitioner was the owner, subject to certain mineral reservations and an existing right-of-way, of the premises hereinafter described: All that certain tract or parcel of land situate in the Township of Boggs, County of Clearfield and State of Pennsylvania, bounded and described as follows: BEGINNING at an iron post at the intersection of the Litz Bridge road where it intersects with the Old Philadelphia and Erie Turnpike; thence extending from iron pin two hundred and fifty (250) feet north, two hundred and fifty (250) feet south, two hundred fifty feet east, and two hundred and fifty (250) feet west, making a square tract of land two hundred fifty (250) feet in size with the said iron pin as the center. Containing five (5) acres, more or less. BEING the same premises which Mary A. Wise, also known as Mary Heberling, by her deed dated January 20, 1954, and recorded in Deed Book 433 at Page 393, conveyed to Mary Heberling and Dorse Heberling, husband and wife, as tenants by the entireties. The said Dorse Heberling having departed this life on July 17, 1962, the entire premises vested in Mary Heberling, widow, petitioner. 3. That the defendant is the Commonwealth of Penna. 4. That the Commonwealth of Pennsylvania, as a sovereign, is vested with the inherent power to acquire by eminent domain any real property, including improvements, for, among other public purposes, the establishment, change, alteration or vacation of public highways within the Commonwealth. 5. That by Act of June 1, 1945, P.L. 1242, Article II, Section 210, as amended, the Secretary of the Department of Highways is empowered to change, alter or establish the grades and location of any intersecting road in any township, and that the approval of plans for such purpose by the Governor shall be considered the condemnation of an easement for highway purposes of all property within the lines so marked. 6. That public highways, Pennsylvania Route 869 and Legislative Route 17038, at and prior to the date of condemnation hereinafter set forth intersected on the premises heretofore described in Boggs Township, Clearfield County, Pennsylvania 7. That on August 8, 1962, the Governor of the Commonwealth of Pennsylvania approved plans for the change of location of said intersection, which change provided for the change in grade of Pennsylvania Route 869 and the condemnation of a certain portion of your petitioner's land for relocation of Legislative Route 17038, a copy of said plans being labeled Exhibit "A", attached hereto and made a part hereof. 8. That pursuant to said condemnation and said plans the Commonwealth of Pennsylvania, through its Department of Highways, appropriated the aforesaid land owned by your petitioners and entered upon and constructed the new highway as shown on Exhibit "A". 9. That as a result thereof a portion of your petitioners property was destroyed and the remainder thereof was reduced in value due to the nature of said condemnation. 10. That at the time of said taking and at the present time there were and are no taxes, mortgages, judgments or other liens against the aforesaid premises. 11. That the Commonwealth of Pennsylvania and your petitioner are unable to agree on the compensation due your petitioner for the damages sustained by her. WHEREFORE, your petitioner prays your Honorable Court to appoint a Board of View to assess the damages to which your petitioner is entitled by reason of said condemnation. And she will ever pray. /s/ Mary Heberling. ORDER And now, this 28th day of August, 1965, upon consideration of the within petition and upon motion of Ammerman & Blakley, attorneys for petitioner, the Court appoints: Le. E. Soult, Jr., Roland E. Bechtel and John D. SEPTEMBER 7, 1965, PETITION, filed. One copy certified to the Sheriff.

Commonwealth of Penna.
Department of Highways

1. That your Petitioner is the owner of two pieces of land in Lawrence Township, Clearfield County, Pennsylvania. One piece was acquired from Julia Bell Alderdice and F. Cortez Bell and their spouses in September of 1947 and being recorded in Clearfield County in Deed Book 387 at page 299 comprising a tract of 1.94 acres together with such rights as are described in said deed. The second tract is a deed from Louisa A. Richardson dated the 17th day of December, 1955 and recorded in Clearfield County in Deed Book 447 at page 579 and consisting of a tract of 10 acres.

2. In the construction of the approach to the Shortway, State Highway Route 17041 (Section 8) is being altered and changed as approved by the government the 20th day of May 1964, and notice of the taking of said property was served upon your Petitioner by letter in the fall of 1964.

3. That your Petitioner has been dealing with representatives of the Department of Highways in an endeavor to ascertain how much land was being taken and the amount they would offer for same, and correspondence has been written to the Department of Highways within the last 30 days and your Petitioner's counsel has been advised that the amount will be stated in writing and that a map will be furnished to your Petitioner.

4. Under date of June 22, 1965, the State Highway Department served notice on your Petitioner to vacate a portion of the property within sixty days of the date thereof. Prior to that time, no map had ever been furnished to your Petitioner or no statement in writing had ever been given to him of the amount they would pay in compensation.

5. Two distinct properties of your Petitioner are affected and, in June of 1965 your Petitioner desired to be informed as to what portion of the proposed settlement represented the value of the land purchased from the Bells and what portion of the value of the land purchased from Mrs. Richardson but the Highway Department refused to divulge such figures or put same in writing and your Petitioner has not received such information.

6. On the Richardson purchase there was a water line installed at a considerable expense to your Petitioner and, in the discussion with the representative of the highway in 1965, it was discussed as to whether your

bear the expense thereof. It was at with the map which we now have.

7. Your Petitioner is unable to determine from the heading of the letter of June 22, 1965 how much land the Commonwealth desires to take and, since the notice of June 22 requested that he vacate in sixty days, he is desirous of having viewers appointed by your Honorable Court to view said premises and determine the value and hopes in the testimony before said viewers to ascertain what land is being taken.

8. Said property is owned solely by your Petitioner and consists of two tracts, one being 1.97 acres and the other being 10 acres.

9. Your Petitioner requests your Honorable Court to request the Department of Highways to give him, in writing, the amount they intend to pay him for the taking of the land, and that the viewers be appointed to view the premises and hold a hearing and, if there has been a compensable injury to your Petitioner to set the amount thereof and request the Highway Department to pay same.

2. That your petitioner on the 12th day of July, 1955, received from LeRoy and Isabel Thompson, a deed, recorded in Clearfield County, for 7.31 acres of land in Morris Township.

3. That the construction of the new highway did render access to and from said highway to his home difficult.

4. Said tract of land is traversed by certain highway routes known as State Highway Route 153 and State Highway Route 53, and further designated as Legislative Routes 668 and Route 113, said property lying at the intersection of said roads, particularly the road between Philipsburg and Kylertown with a road that leave that highway and goes to an intersection with Route 322 near the village of Bigler.

5. Said changes in the highway were recommended to the Governor June 30, 1964, approved by the Governor July 20, 1964 and recorded in Clearfield County on August 7, 1964, in a group of maps identified in the office of the Recorder of Deeds as 5-B.

6. Your petitioner was granted a right to a water line going through his property, which water has been affected and been removed and replace by the State Highway employees.

7. That the Legislature passed an Act of Assembly No. 6 on June 22, 1964, which Act of Assembly in Article 3, section 1-302 provides that the act should take effect immediately. Said section says that Article 5 and 7 would not become effective until September 1, 1964, which is now passed. Article 4, section 1-401 provides ~~xx~~ for the Court of Common Pleas to have exclusive jurisdiction in all condemnation proceedings.

8. The Viewers appointed under the provision of Article 5 of the Act of 1964 under Article 5 section 504, provide viewers are to be appointed in the Court of Common Pleas and a copy furnished to the condemnee on written request therfore.

9. Both Articles 5 and 7 under the provision of Article 5 section 1302 are stated to be applicable to all steps taken subsequent to the effective date of the Act, namely June 22, 1964 and said section further says that said condemnation proceeding shall apply to all cases where the condemnation was affected prior to the effective date of this act.

10. As this approval by the governor was not secured until July 20, 1964, which date is subsequent to June 22, and the new Act of 1964 is applicable.

11. Under the provisions of the Act of June 22, 1964 Purdon's Statutes Vol. 26 section 1-101, to 1-903, Article 9 Section 1-901 repealed all acts inconsistent therewith and specifically saved from repeal section 412 of the Act of June 1, 1945 as to measure of damages as to water rights, oil rights, etc.

12. The Act of 1964 contemplates the filing of a declaration in the Court of Common Pleas of a declaration of taking under Article 4 and the recording of a map in the office of the Recorder of Deeds with notice to the condemnees and the right of preliminary objections. The approval of the Governor in this matter was July 20, 1964 prior to September 1, 1964 so that there is no declaration requiring a written notice of the amount of compensation offered for the condemnation of said property and the map filed in the office of the Recorder of Deeds is provided for under the Act of 1945.

13. Article 2 section 203 of the old Act of 1945, now repealed, provided that the Department of Highways should furnish maps to the public and Article 2, section 206, Purdon's Statutes Vol. 36 section 670-206 provides in the change in the width of lines on the highway, as is this case, that a plan shall be acknowledged and recorded in the Office of the Recorder of Deeds, see Article 2, section 206 of the Act of June 1, 1945.

14. As the Act of 1945, as well as the Act of 1964 contemplates the furnishing to the condemnee to intelligently see and observe what land is being taken and, as the map filed as to Route 313 and 668 in the office of the Recorder of Deed included a former highway and an additional extension of varying lenghts, including a triangular section between said highway at the junction and contemplating open ditches which would render the access to and from said highway difficult as to certain portions and, as there were buildings and roads already in existence which may be at a different level, your petitioners' request that a rule be issued and served on the Department of Highways in the office of the local Superintendent of Highways requiring the Department of Highways to provide your petitioner with a map showing the area of the old highway already or previously taken for an assessment of the portion of the old highway that is retained and what portion is to be returned to the property owner and the widths and elevations giving the area of the lands taken under this condemnation proceeding and showing what effect the relocation of the highway at this wpoint would have upon access to and from ~~xx~~ and the value of the remainder of the condemnees' property.

15. While the map would indicate that the Department of Highways intends to condemn the triangular area between the intersections of two highways and extending it at various widths, the area left remaining may be of such location, size or condition as to become worthless or of lesser value, and it is suggested that the map to be furnished shaded in one color the area of the former state highway and in another color the area of the land relinquished and in the third color the new land taken by this condemnation. It is requested that said map be required to be furnished to the parties within 10 days from the date of the order of your Honorable Court and that within a period of 10 days thereafter your Honorable Court shall appoint three viewers to view the premises, take testimony and ascertain the fair amount of damages sustained by your petitioner by reason of the relocation of these highways and offset any damages, if any, by reason thereof.

WHEREFORE, your petitioner pray that a rule be issued directing the Department of Highways to furnish the information requested herein and giving written notice of the compensation offered and an adequate map sufficiently describing the property and on failure to agree on the amount of compensation within a period of thirty days thereafter viewers shall be appointed by your Honorable Court unless an agreement in writing signed by both parties to the contrary has been entered into. And he will ever pray. /s/ George Solomon

Duttry, Sept. 26, 1945, Vol 371, Page 2. Present Deed Clearfield County recorded to Zella B. Elridge, March 20, 1969, Book 545, Page 565.

I have not authorized my son, Harry Blair Elridge, to encumber my property for any reason, at anytime and I have not put my signature to any agreement.

Kindly tell me what authority your organization has to use my property as security for welfare payable to my son. My monthly income is barely adequate to support myself. I have been living in Alaska a number of years now and my son has been living in my house.

Since when is a 69 year old widow responsible for a 44 year old son? This letter constitutes an objection. I suggest you take action up with Harry Blair Elridge. Very truly yours,
/s/ Zella B. Elridge, 3228 Richmond, Anchorage, Alaska 99504

4. That Blakley and Ammerman instituted suit in this case but withdrew from the action, and counsel were retained to see if a settlement could be effected and are charging Two Hundred and Fifty (\$250.00) Dollars for their fees.

5. That counsel and your petitioners recommend the approval of a settlement in the gross amount of Two Thousand and Five Hundred (\$2,500.00) Dollars, because of the contested liability question in the case: minor plaintiff was crossing the street between an intersection and the witnesses claim that the boy darted in front of the vehicle.

6. That your petitioners approve the proposed settlement because they consider the liability question so grave that under the circumstances it is reasonable.

7. That Randy G. Moore, the minor, was examined by Dr. J. Hayes Woolridge, and that the Doctor found the boy recovered from the aforesaid injuries; excepting for a scar on the forehead and head of the boy. However, the plaintiffs' minor was examined by Dr. Murdock in DuBois who found there is a possible impairment of hearing which came from and as a result of the accident.

WHEREFORE, Petitioners request Your Honorable Court to grant them the authority to compromise the action of the minor, Randy G. Moore, and to make the following distribution of the sum of Two Thousand Five Hundred (\$2,500.00) Dollars:

		326	5. That said property being taken originally consisted of a tract of 186 acres consisting of two separate tract, one of 140 acres and the other of 46 acres, title of which was conveyed unto F. Cortez Bell in 1904 by deed recorded in Clearfield County in Deed Book 138 at page 558 and of which F. Cortez Bell died seized and by his Last Will and Testament granted said property to his wife and three sons. After the death of his widow, the three sons made a deed for 15 acres to J. Marsh Thurstin in November of 1913 and recorded in Clearfield County in Deed Book 194 at page 587. Said deed reserved all timber, coal, clay and other minerals.	
			6. Vern Bell by a deed dated March 16, 1920 and recorded in Deed Book 245 at page 552 made a deed to Singleton Bell	
		Commonwealth of Pa.	7. Orel Bell made a deed to Kate M. Bell dated May 21, 1919 and recorded in Deed Book 234 at page 246. Kate M. Bell is the wife of Singleton Bell. Said property being vested by inheritance in F. Eortez Bell, Gertrude Bell Merrick and Julia Bell Alderdice.	
		Dept. of Highways	8. During his lifetime Singleton Bell made several conveyances, one to Susan Lippert dated July 16, 1920 for 66 acres and recorded in Deed Book 245 at page 554 and one to Matilda V. Dale dated March 8, 1924 and recorded in Deed Book 269 at page 549. In said deeds, the coal, fire clay and all other mineral were reserved and only a small portion of the land conveyed away would be affection by said right of way, namely to the West of the Penfield Road and South of the Rockton Road, the surface of said la having been conveyed away but the minerals reserved.	
	#1204	Bell, Silberblatt & Swoope	\$11.50	9. F. Cortez Bell, Gertrude Bell Merrick and Julia Bell Alderdice made a deed to John F. Leitzinger for a tract of land consisting of approximately 11 acres at the junction of the Penfield Road and Rockton Road being North of the Rockton Road and West of Penfield Road. John F. Leitzinger conveyed back to E. Cortez Bell and two sisters 9 acres and perches to the right or East of the Penfield Road. Also W. E. Weston by a deed dated March 3, 1955 reconveyed to F. Cortez Bell and Julia Bell Alderdice a portion of the property that their father had deeded to Dave Anderson and John Bollig conveyed a tract to F. Cortez Bell and Julia Bell Alderdice by deed recorded in Deed Book 310 at page 322. As all of the deeds out of Singleton Bell and his father, F. Cortez Bell, reserved the coal, clay and other minerals, the deeds into them contained the same reservations. F. Cortez Bell and his sisters own only the surface of land to the right of the Penfield Road between the land of the Clearfield Water Dam, then a five acre reservation to the water company opposite the Leitzinger Spring down to a tract of land deed to Charles Kitko running to the South of Woods Run.
		Pro.	\$13.50	10. That there is situated on said land a number of trees planted by F. Cortez Bell and other, two stone pillars and a house occupied by Ronald Roseberry and family.
	Atty	3.00	11. The State Highway Department has served various maps. The latest map shows a tract of land which the Highway Department says they expect to take. The latest map shows an area varying in width from 111 feet wide to 165 feet wide for a distance of 55 feet through the Bell property. This map shows additional land being taken extending up the Penfield Road necessitating removal of the cottage, trees and driveway so that it is impossible for your Petitioners to determine just what portion is being taken. A map previously furnished shows land being taken outside of the right of way for the proposed shortway and having a new channel for Moose Creek and widening Penfield Road.	
	Shff Reese By atty	8.50	12. That your Petitioners have endeavored to obtain from the Highway Department information as to the frame house at the gate and were first told that by paying \$250.00 they could have the house and have it moved or that the \$250 would be deducted out of the payment of the compensation by the Highway Department. The Highway Department verbally made an offer of \$6,200 and there was an offer to pay 75%. An effort was made to find someone to move the house, and then Petitioners were advised that they could only do that if they accepted the offer of the government, which the are unwilling to do. Your Petitioners have now been advised that by paying \$250 cash and putting up a bond in the amount of \$1,000. they can move the house and still get the full amount from the Highway Department. Your Petitioners are unable to determine what the right practice is.

W. Albert Ramey -- Edward T. Kelley		IN RE: CONDEMNATION OF RIGHT-OF-WAY, LEGISLA- TIVE ROUTE 1009, SECTION 33, IN THE TOWNSHIPS OF BRADFORD GRAHAM and MORRIS 365	OCTOBER 28, 1965, DECLARATION OF TAKING, filed. Emminent Domain Proceedings --In REM 3. The Governor has approved the within condemnation by signing on June 11, 1965 a plan entitled "Drawings Establishing Limited Access Highway Designating Future Location and Width and Authorizing Condemnation of Right-of-Way and Prohibition of The Erection and Maintenance of Outdoor Advertising Devices of Legislative Route 1009, Section 33, R/W in Clearfield County", a copy of which plan was recorded in the Recorder's Office of the afore-said county on August 25, 1965 in Map Book 10. 4. The purpose of the condemnation is to change, alter and establish the width, lines, location and grades of said highway. 5. Copies of said plans are also filed in the County Recorder's Office where they are available for inspection. 6. The nature of the title hereby condemned is an easement for highway purposes. 7. The Commonwealth of Pennsylvania is not required to post security, inasmuch as it has the power of taxation. WHEREFORE, an easment for highway purposes is hereby condemned for the property shown on the plans referred to in paragraph 5 above. /s/ V. W. FEBRUARY 24, 1967, Transcript of Testimony taken before Hon. John A. Cherry, P.J. without a Jury on September 12, 1966, Lodged this date by Archie Hill, Prothonotary.

SEPTEMBER 14, 1967, OPINION AND ORDER, filed.

Plaintiffs' land described in the pleadings was condemned for State Highway purposes. Out of a total acreage of 81.75 acres, one portion affected by the taking is owned by the Julia Bell Alderdice Estate and F. Cortez Bell, Sr., while the remainder is owned by F. Cortez, Sr., Richard A. Bell, F. Cortez Bell, Jr. and Gertrude Bell Merrick heirs. Affected by the taking on November 1, 1965, were 2.81 acres of land, a gatehouse, two log cabins, a work shop and tool shed, a picnic shelter, two foundations, and trees. The gatehouse was occupied by a tenant, and the cabins were heated, supplied with city water, and used as summer residences. All of the land is located within two miles distance from the Borough of Clearfield.

The Commonwealth sought to establish that the before value of the premises was \$22,191.00, and that the after value was \$16,155.00; with damage at \$6,036.00. The condemnees declared a before value of \$40,000.00 and an after value of \$22,470.00; with damage at \$17,530.00. The Court's consideration and evaluation of the proof submitted as to this property itself, and other properties in the immediate vicinity, causes it to disagree with both of the parties. We would believe that the expert witness for the condemnees came closest to actual loss. We are satisfied that a more realistic figure is a value before taking in the sum of \$35,000.00, and a value after taking of \$21,400.00. Therefore, the Court finds that the loss suffered is in the sum of \$13,600.00.

The Court also finds that since there may have been unity of use as to the tract owned by the Merrick Estate and F. Cortez Bell, Sr., but no unity of ownership, and since there had been nothing taken from that tract, there is no loss attributable or allowable to that area.

FEBRUARY 21, 1966 APPEAL OF GEORGE SOLOMON, filed.

In accordance with the provisions of Article 5, Section 5-15 to 5-20 of Act No. 6 of the Special Sessions of June 22, 1964, George Solomon appeals from the report of the Viewers filed February 11, 1966 to No. 41, September Term, 1965 as follows:

(1). The name of the Appellant is George Solomon of Morris Township, Clearfield County, Pennsylvania.

(2). The Appellant is the owner of a tract of land consisting of 7.50 acres which he purchased in 1955 from the Richard Shields Estate by Deed of record in Clearfield County, Pennsylvania. The Appellant owns the entire interest in said land.

(3). This is an Appeal from the Viewers' report filed to No. 41 September Term, 1965.

(4). The Viewers' report is objected to for the reason that Paragraph 5 only allows your Appellant a stated sum as general damages and fails to take into consideration the damage to the said Appellant as follows:

(a). This property is located near the intersection of State Highway Routes 53 and 153, and on the approach to the intersection the Solomon property lies to the South of said highway consisting of a Dairy Freeze, a frame Planing Mill, Shanty and a frame Saw Mill,

(b). The old highway was 50 feet in width and by the condemnation of additional land at the Western end of the property that is a distance of approximately 150 feet in length, a parcel of land 25 to 30 feet was taken from your Appellant.

(c). The said additional land comes right to and almost against the small Shanty and with 19 feet of a large frame Planing Mill into which your Appellant was formerly accustomed to taking lumber trucks and trailers but is now unable to do so because of the short right-a-way and it will be necessary to alter or remove such building, the cost of which was between \$8,000 and \$10,000 in 1955.

(d). For an additional 350 feet, approximately 15 feet is taken which covers the access of the road to the Dairy Freeze.

(5). No statement has been made by the Department of Highways as to the quantity of land actually taken.

(6). Two trees are effected by the land taken, one about 18 inches in diameter and the other about 10 inches in diameter, and no allowances were made.

(7). By the lack of access to the road to the Dairy Freeze, for the land taken and for the injuries in the ability to use the Planing Mill, your Appellant asks that he be allowed damages on this Appeal.

(8). Your Appellant asks for severance damages to his property by the taking of some of his other property.

WHEREFORE, your Appellant asks that he be awarded damages by a jury. And he will ever pray. by BELL, SILBERBLATT & SWOOP, Attorneys for George Solomon, Appellant.

FEBRUARY 14, 1967, TRANSCRIPT OF TESTIMONY TAKEN BEFORE HONORABLE John A Cherry, P.J. on September 13, 1966, Lodged this date by Archie Hill, Prothonotary

JUNE 6, 1967, OPINION AND AWARD, filed.

This is an appeal from the award of the Board of Viewers in a condemnation case wherein the plaintiff claims damages for actual property taken and consequent damages resulting from said taking by the Commonwealth of Pennsylvania. The Court not only heard full testimony through trial of the case, but also had two views of the premises in company with the attorneys and parties. The Commonwealth evidence sought to establish that the only loss to the plaintiff was \$1300.00. This figure was broken down into a loss consisting of \$1054.00 for damage suffered to a planing mill on the premises, the approach to which was destroyed through the extension of the right of way; and the sum of \$200.00 which the Commonwealth claimed to be reimbursement for driveway construction necessitated through having to provide shale for a reconstruction of a driveway. Although the loss declared by the Commonwealth was \$1254.00, its witnesses established that they declared a total loss of \$1300.00. On the other hand, the plaintiff has offered proof to establish a before-value of \$20,000.00, and an after-value of \$10,000.00, this through the plaintiff's own personal testimony. He also offered further expert proof that the loss suffered by him was \$6700.00; on a before-value of \$16,000.00 and an after-value of \$9300.00

The Court, -- after full appraisal, consideration and analysis of the oral testimony; and a considered analysis of the evidence supplied to the Court by way of its two views of the premises; -- has determined that both parties are out of line in so far as true damage is concerned. Upon all of the proof legally to be considered by the Court (sitting as both Judge and jury), it is the studied determination of the Court that the plaintiff's damages resulting from this taking amounted to \$4850.00

Not only was the complete frontage of this property, consisting of approximately 500 feet, completely interfered with to the point where there is no proper access from the highway; but also the use of the principal building upon the premises was seriously affected through the taking. The right of way, although previously allowing for an access length of some 50 feet now leaves only approximately 18 feet for entry into the planing mill. Since the planing mill requires the use of tractor-trailers for the removal of its products, the proof establishes, and it can readily be seen, that this can no longer be done. Thus, the plaintiff is left with having to remove the front portion of the planing mill building and attaching it or reconstructing it to be attached to the rear of the building, or he must provide a roadway from a point on his property extending some 500 feet away at the other end of his premises. If the roadway were so established practically all of his remaining frontage would be rendered valueless, or at the very least, limited in its potential use. When one considers that these premises are on an established highway route of primary importance, the seriousness of the effect upon plaintiff's property can be more easily understood. In addition to the foregoing, the taking also affected a saw mill upon the premises; although this is of a much less serious nature. Notwithstanding, if the whole of the right of way were to be used by the Commonwealth at any given time, this saw mill would have to be moved, since the right of way extends very close to the edge of the building, and property and access would have to be changed.

Further elucidation will be made by the Court in a supplemental opinion which will be filed only in the event of appeal

AWARD

NOW, June 6, 1967, it is, therefore, the finding of the Court and the Court does hereby award to the plaintiff as his damages \$4850.00, together with damages for detention as provided by the eminent domain Code of 1964 from the date of taking, namely, July 31, 1964. BY THE COURT, John A. Cherry, President Judge

Award is entered in favor of the Plaintiff and against the Defendant in the sum of Four Thousand Eight Hundred Fifty and no/100.

stitution, Huntingdon

FEBRUARY 24, 1966, OPINION AND ORDER, filed.
The above named defendant has filed petition for
writ of habeas corpus. As closely as the Court was able
to determine from his averments, the petitioner alleged
three general reasons for the grant of the wirt; and the
Court has determined that there is no foundation whasover
for any of the bases so alleged.

It is true that every indigent defendant is entitled
to be adequately defended by counsel; but the petitioner
has misconstrued the impact of Hamilton vs. Alabama,
368 U.S. 52, 82 S. Ct. 157, and White vs. Maryland,
373 U.S. 59, 83 S.Ct. 1050. His complaint that he had
no counsel at the preliminary hearing is of no mement,
he having pleaded not guilty, and there having been
nothing obtained from him in any respect which was ~~of~~
the basis of any testimony presented before the jury and
Court. In addition, the sole function of the preliminary
hearing in Pennsylvania is to prevent detention of an
innocent person and to prevent an innocent person from
being required to raise bail; and further, such preli-
minary hearing is not of itself a critical stage of the
proceedings against the defendant. Commonwealth ex rel
Light vs. Maroney, 413 Pa. 254, 196 A. 2nd 659;
Commonwealth vs. O'Brien, 181 Pa. Superior Ct. 382,
124 A.2d 666.

Petitioner's contentions regarding the search and
seizure are without merit, since the record establishes
without question that the search and seizure was not
unreasonable, but was in incident of a valid arrest.
See Commonwealth ex rel Spencer vs. Ashe, 364 Pa. 442,
A 2d ; U.S. vs. Rabinowitz, 339 U.S. 56, 70 S.Ct.

430. There having been a valid arrest, and the search
and seizure having been an incident to such valid arrest,
no search warrant was necessary. The record specifically
shows, and without any doubt, that probable cause for
both the arrest and the search did exist.

Petitioner also claims that he was not given a
speedy trial by a fair and impartial jury. Again, the
record points unerringly to the opposite of his contention.

Petitioner was represented by most competent counsel, did confront, examine and cross-examine
all witnesses; was tried as soon as he was located and trial could be fixed; there having been
no intervening term of Court at which eh could claim to have been able to have been tried.
The Court would wish to point out, further that this defendant raised several of these questions
subsequent to his conviction before any further proceedings were had; that, the Court granted a
full hearing at which he was again represented by very able counsel; and that such hearing
established that he never requested a bondaman nor counsel at the stages about which he complains
in the present proceeding. His attacks upon the indictment are again without merit; the indictment
being absolutely correct in form and in content. It set forth all of the essential elements
of the crimes with which the defendant was charged and for which he was indicted.

Therefore, in view of the foregoing, petition is dismissed and writ of habeas corpus
denied. By the Court, JOHN A. CHERRY, President Judge.

Enclosed herewith you will find Report of Board of View in the above-captioned matter. This Report shall be filed of record in the Office of the Prothonotary of the Court of Common Pleas of Clearfield County on August 26, 1966. The Report shall become final unless an appeal therefrom is filed within thirty days from the date the Report is filed. s/ L. R. Brockbank, Member, Board of View.

SEPTEMBER 16, 1966, Report Of Board Of View, filed.

The undersigned, L. R. Brockbank, Ward Reese, and Roland E. Bechtel, Board of View, Respectfully reports:

1. By Decree of your Honorable Court dated October 29, 1965, L. R. Brockbank, Ward Reese, and Benjamin Hughes were appointed as a Board of View in the above-entitled matter.

2. By Decree of your Honorable Court dated March 14, 1966, Roland E. Bechtel was appointed Substitute Viewer for Benjamin Hughes for the reason that Benjamin Hughes was unable to serve as a Viewer due to an extended illness.

3. Notice of the time and place of the proposed View and of the Hearing thereon was fixed by the Board of View in accordance with the requirements of the Eminent Domain Code, and the aforesaid Notice was served by Certified Mail upon the Pennsylvania Department of Highways, Harrisburg, Pa., and the Pennsylvania Department of Highways at Clearfield, Pa., and that attached hereto and made a part of this Report is a copy of the Notice and Receipts for Certified Mail and the Return Receipts issued as the result of such mail. Notices were also served on Joseph J. Lee, Attorney for Condemnee, and on W. Albert Ramey, Attorney for the Commonwealth, and on Mrs. Helen Brady, Miss Betty Carter, Mr. Robert Carter and Mrs. Margaret Gill.

4. In accordance with the Notice of View and Hearing, the Board of View conducted a view on the subject premises on Thursday, May 12, 1966.

5. W. Albert Ramey, Attorney for the Commonwealth, advised the Viewers that Judge Cherry had scheduled another Hearing for Monday, May 16, 1966, at 10:00 o'clock, A.M., in which Attorney Ramey was involved, and he requested that the Hearing be postponed until Tuesday, May 17, 1966, at 10:00 o'clock, A.M., and that Joseph J. Lee, Attorney for the Plaintiff, had agreed to the change. Notices were again sent out by Certified Mail and ordinary mail to the various parties interested advising all parties of the change. Copy of the Notice and Certified Mail Receipts and Return Receipts issued as a result of the Certified Mail are attached hereto.

6. On or about May 13, 1966, W. Albert Ramey, Attorney for the Commonwealth and Joseph J. Lee, Attorney for the Plaintiff, requested that the Hearing be again postponed. Notices were again prepared and sent out on May 13, 1966, advising all parties interested that the Hearing would take place on Tuesday, May 31, 1966, at the Clearfield County Court House, Clearfield, Pa., at 10:00 o'clock, A.M., Eastern Daylight Saving Time. Copy of this Notice is also attached hereto.

7. In accordance with the Notice of Hearing, the Board of View held a Hearing thereon in the Grand Jury Room, at the Court House, Clearfield, Pennsylvania, On Tuesday, May 31, 1966, at 10:00 o'clock, A.M., Eastern Daylight Saving Time. All parties interested appeared in person or were represented.

8. Pursuant to Section 511 (3), a copy of the Plan showing the extent of the taking upon which the Viewers' award is predicated, is attached to this report. Also, in pursuance to 511 (8), the Board of View has found that Carns Brothers, Inc., 1238 South Second Street, Clearfield, Pa., has an undivided two-thirds interest in the fee, and that the heirs of Frank Carter, comprising of Mrs. Margaret Gill, Mrs. Helen Brady, Miss Betty Carter and Robert Carter, in care of Miss Betty Carter, 1319 Turnpike Avenue, Clearfield, Pa., have an undivided one-third interest in the fee.

9. As far as we know, there was no Declaration of Taking filed in this matter, although there was testimony that the contractor "moved in" on November 18, 1965, and the Commonwealth admitted that detention damages should be calculated from November 18, 1965.

10. The Board of View's Schedule of Damages for the 4.92 acres taken is as follows;

The sum of Three Thousand Five Hundred (\$3500.00)

Dollars is awarded to Carns Brothers, Inc. and the heirs of Frank Carter, comprising of Mrs. Margaret Gill, Mrs. Helen Brady, Miss Betty Carter and Robert Carter, Condemnees, in full for all damages of every kind, nature and character, in the proportion of eight-twelfths for Carns Brothers, Inc., and one-twelfth for each of the four Carter heirs.

11. There was not sufficient evidence supplied as to what would be the highest and best use of the subject premises, but the Board of View does not allow any damages for the use of the condemned property for residential development purpose, as sufficient evidence was not presented along that line.

12. The Schedule of Viewers' Costs to be paid by Clearfield County is hereto attached.

13. Ten-day notice of intent to file the within Report, together with a copy of the Report, is served upon the Attorneys for the Condemnor and Condemnees, and a copy thereof is hereunto attached.

hearing should be held in the Traverse Jury Room of the Court House, Clearfield, Pennsylvania, on December 15, 1965 at 9:30 O'clock A.M. and hearing was so held in pursuance to this agreement.

3. A copy of the plan as furnished by the Commonwealth of Pennsylvania, Department of Highways, is hereunto attached and likewise a copy of the plan as furnished by Clair A. Gulich and Thelma F. Gulich is likewise attached. Taken together these plans show the extent of the taking upon which the viewers' award is predicated.

The interest condemned was as to a lot on Mill Road, Lawrence Township, which lot abutted on Moose Creek, together with a two story house, cement block garage, shed, sidewalk, trees and shrubs and also the joint use with owners of a property to the east of the subject premises of a 20 foot alley, all as tenants by the entirety, which tenancy was vested in the condemnees, Clair A. Gulich and Thelma F. Gulich.

4. No declaration of taking was filed in these proceedings however the date of taking is found to be May 20, 1965.

5. That in partial compensation for the taking, the condemnor has paid the condemnees the sum of eight thousand, one hundred (\$8,100.00) dollars on account.

6. The Board of View has scheduled damages for the premises herein condemned in toto as below set forth: The general damages sustained by condemnees are twelve thousand, five hundred ninety-five and no/100 (\$12,595.00) dollars of which amount eight thousand, one hundred and no/100 (\$8,100.00) dollars has been paid, thus in addition to that latter sum there is now awarded to the condemnees, Clair A. Gulich and Thelma F. Gulich the sum of four thousand, four hundred ninety-five and no/100 (\$4,495.00) dollars, payable by the condemnor, the Commonwealth of Pennsylvania, Department of Highways.

The date from which damages for delay shall be calculated is May 20, 1965.

7. Subsequent to the aforesaid hearing the Board of View received from condemnor, a Request for Findings of Fact and/or Conclusions of Law. This Request is attached hereto, made a part hereof and the matter therein contained are disposed of by the Board of View as follows:

- (a) The first request is for a finding as to the amount of damages allowed for taking of house. The amount of damages allowed for taking of house is \$7,000.00.
- (b) The second request is for a finding as to the amount of damages allowed for taking of garage. The amount of damages allowed for taking of garage is \$2,500.00.
- (c) The third request is for a finding as to the amount of damages allowed for taking of land. The amount of damages allowed for taking of land is \$2,000.00.
- (d) The fourth request is for a finding that claimant is not entitled to damages for any loss of business because, first, there was no evidence as to loss of earnings and second, since the prior law would apply.

The viewers are of the opinion that this request is improper and irrelevant in as much as no evidence was introduced and no request was made for damages for loss of earnings there was no finding by the viewers of such damages. As to the application of the Code or the prior law in this matter: According to Section 302 of the Eminent Domain Code the provisions of Article V., and Article VII., shall apply to all steps taken subsequent to the effective date of the Code in all condemnation proceedings in which the condemnation was effected prior to the effective date of the act however these articles apply respectively to procedure for determining damages and to evidential matters and not to substantive law. The matter of damage under the Code is covered by Article VI. According to Section 302 this Article would not become effective except as to condemnations instituted after the effective date of the Code. Article VI., can not be applied retroactively.

(e) The fifth request is for a finding as to the amount of damages allowed for loss of easement in private alley.

The amount of damages allowed for the use in conjunction with their other property of a private alley in common with owners of adjoining land is \$400.00.

8. Subsequent to the aforesaid hearing the Board of View received from condemnees, an instrument entitled Recommended Findings of Fact. This item is attached hereto, made a part hereof and the matters therein contained are disposed of by the Board of View as follows:

- (a) Matters set forth in the first three numbered paragraphs have been mentioned above.
- (b) In regard to paragraphs numbered four and five the viewers have found that condemnees have riparian rights in Moose Creek and that such rights are compensable.
- (c) With reference to paragraph numbered six the viewers have found that the best use of the premises was for residential purposes.
- (d) With reference to paragraph numbered seven the viewers have found that the expert witnesses called by the Commonwealth have not engaged in the purchase or sale of real estate within Clearfield Borough or Lawrence Township.
- (e) With reference to paragraph numbered eight the viewers do not find evidence which would sustain a finding in this regard.
- (f) With reference to paragraph numbered nine, the viewers find that the Michael Stevens Guide, has no particular reference to the precise area in which the Condemnees property is located and is not conclusive as to reproduction costs.
- (g) With reference to paragraph numbered ten, the viewers find that there was some contradiction between the two expert witnesses of the Commonwealth with reference to the comparable properties being considered.

8. A schedule of costs of the members of the Board of View, to be paid by Clearfield County, is hereunto attached.

9. Pursuant to Section 513 of the Code, a ten day notice of intent to file the within report, the date of the intended filing and the fact that the report shall become final unless an appeal is filed within thirty days, is served by Certified Mail, Return Receipt requested, upon W. Albert Ramey, Esquire, attorney for condemnor and upon John B. Gates, Esquire, attorney for condemnees. A copy of the aforesaid notice together with return receipt and receipts for mailing is hereunto attached and made a part hereof.

10. Attached hereto and made a part of this report is the affidavit of Joseph A. Dague as to the mailing of the notices of intent to file this report. All of which is respectfully submitted, s/ Ward Reese, Ernest Baum, and Joseph A. Dague.

STIPULATION:

WHEREAS the parties hereto and their attorneys are desirous of holding a view on the subject premises on December 1, 1965, at the hour of 1:30 o'clock p.m., and,

WHEREAS there is insufficient time to give notice of the view in accordance with the Eminent Domain Code of 1964, if the same is to be held on the above date,

NOW THEREFORE it is stipulated and agreed that notice of view and the time requirements of laws applicable to such notice are waived and it is further stipulated and agreed that the viewers appointed by the court in this matter shall conduct their view at the above time and place. s/ W. Albert Ramey, and John B. Gates, Attorneys.

RECOMMENDED FINDINGS OF FACT:

- 1. That the Condemnees are the owners of the premises described in the Petition for the Appointment of Viewers.
- 2. That the Condemnees along with William S. and Alice R. Wilson, were the common owners of a twenty-foot private cinder alley running between the respective properties.
- 3. The said private alley referred to above cannot be taken or materially interfered with, without just compensation. 372 Pa. 148; 399 Pa. 266.
- 4. The Condemnees by virtue of their property abutting on Moose Creek had riparian rights in the said Moose Creek.
- 5. Riparian rights are property rights for which compensation is guaranteed when taken. 13 Pa. Law Encyclopedia 257.
- 6. The best use of the premises was for residential purposes.
- 7. That the real estate appraisers appearing on behalf of the Condemnors had never bought or sold property

in the area of the Condemnees' property for any private individual or firm.

8. That the expert witnesses appearing on behalf of the Condemnors are captive real estate appraisers and considered only such information as requested by the Pennsylvania Department of Highways.

9. The Michael Stevens Guide, being the basis of reproduction costs as used by the Expert witnesses of the Condemnor, has no particular reference to the precise area in which the Condemnees' property is located and is not conclusive.

10. The Condemnors' witness contradicted each other with respect to the comparable properties being considered. Witness Manno stated there were no comparable properties upon which to base a valuation of the improvements on the Condemnees' property. Respectfully submitted, s/ John B. Gates.

SEPTEMBER 16, 1966, NOTICE OF FILING OF SUPPLEMENTAL REPORT OF BOARD OF VIEW.

Enclosed herewith you will find Supplemental Report of Board of View in the above-captioned matter. This Supplemental Report and the original Report shall be filed of record in the Office of the Prothonotary of the Court of Common Pleas of Clearfield County on Friday, September 16, 1966. The Supplemental Report and the original Report shall become final unless and appeal therefrom is filed within thirty days from the date the Supplemental Report and the original Report is filed. s/ L. R. Brockbank, Member, Board of View.

SEPTEMBER 16, 1966, SUPPLEMENTAL REPORT OF BOARD OF VIEW ON REQUEST FOR FINDINGS OF FACT AND CONCLUSIONS OF LAW, filed.

The undersigned, L. R. Brockbank, Ward Reese, and Roland E. Bechtel, Board of View, respectfully reports:

In the Report of the Board of View which was prepared and a copy delivered to all interested parties, there were no rulings by the Board included as to the fourteen written requests by Joseph J. Lee, Attorney for Condemnees, and the Board was requested by Mr. Lee that the Report should not be filed until these additional rulings were taken care of by the Board. This is permissible in accordance with Paragraph 1-511 (9).

As the result of the above request, the Board of View conducted a meeting for this purpose on Wednesday, August 31, 1966, at 9:00 o'clock A.M., in the Law Offices of L. R. Brockbank, DuBois, Pennsylvania, at which all Viewers were present. A copy of Mr. Lee's request is attached, and the Board's answers in the same numerical sequence are also attached.

The Supplemental Schedule of Viewers' Costs to be paid by Clearfield County is also attached hereto.

Ten-day notice of the intent to file this Report and the Original Report is served upon the Attorneys for the Condemnor and Condemnees.

All of which is respectfully submitted. BOARD OF VIEW, s/ L. R. Brockbank, Ward Reese, and Roland E. Bechtel.

PROPERTY OWNERS' REQUEST FOR FINDINGS OF FACT AND CONCLUSIONS OF LAW, filed.

The Viewers in the above entitled matter are requested to make the following Findings of Fact:

(1). That the property involved consisted originally of 21.78 acres and was owned at the time of the taking by the following persons or entities in the indicated proportions:

Carns Bros., Inc., undivided 2/3
Margaret Gill, undivided 1/12
Helen Brady, undivided 1/12
Betty Carter, undivided 1/12
Robert Carter, undivided 1/12

(2). At the time of the taking the highest and best use of the subject premises was for a residential housing development.

(3). At the time of the taking the entire acreage was readily accessible from Turnpike Avenue Extension.

(4). At the time of the taking the cost of bridging the creek which ran through the property at its then location was \$6,000.00 less than the cost of bridging the creek as re-located by the construction project.

(5). That there are many properties which can be used as comparables as cited by experts for both the property owners and the Commonwealth among which are the following:

Schnars to Leavy, 7/27/59 - \$2465.00 per acre.
Schnars to Houser, 8/27/60 - \$3478.00 per acre.
Boyce to Barharach, 7/8/63 - \$7843.00 per acre.
Boyce to Bacharach, 10/8/64 - \$1250.00 per acre.
Hile to Wilson, 10/28/60 - \$26.78.00 per acre.
Hile to Rowles, 5/25/63 - \$2826.00 per acre.
Hile to Moyer, 5/24/56 - \$2272.00 per acre.
Hile to Tobias, 1961 - \$1400.00 per acre.

(6). At the time of taking the property had water and sewer lines.

(7). After the taking the balance of the property lying on the northwest side of the new highway was deprived of available sewage and water without the expenditure of consideration sums in drilling under the highway for water and sewer lines.

(8). That prior to the taking the 21 acres 78 perches had a value of \$20,150.00.

(9). That after the taking the entire property had a value of \$7394.00.

CONTINUED ON PAGE 584

CONTINUED FROM PAGE 583, - NO. 2 NOVEMBER TERM, 1965 CONDEMNATION CARNES BROS.

- (10). That the 4.92 acres actually condemned had a value immediately before the taking and unaffected thereby of \$5904.00, computed on the basis of \$1200.00 per acre.
- (11). That the .65 acre adjoining the property condemned being ten feet side at its narrowest point on the southwest side of the new highway and 110 feet side at its widest part, had a value immediately before the taking and as unaffected thereby of \$780.00 and is now of no value.
- (12). That the remaining acreage lying to the north and east of the highway and relocated stream consisting of 5.06 acres of level land had a value immediately prior to the taking and as unaffected thereby of \$6072.00 computed at the rate of \$1200.00 per acre; and immediately after the taking and as affected thereby, no value.
- (13). That the property owners have been damaged to the extent of \$12,756.00.
- (14). That detention damages be calculated from May 20, 1964. s/ Joseph J. Lee.

BOARD'S ANSWERS:

- 1. The Highway map shows 21.5 acres. The ownership in our original Report is the same.
- 2. This is not probable with five (5) owners and no written agreement among them.
- 3. There is 325.1 feet bordering on Turnpike Avenue, which makes the acreage accessible from Turnpike Avenue Extension.
- 4. If a bridge over Moose Creek at its location before condemnation had been contracted for, it is very unlikely the contractor would honor the contract price at its present location.
- 5. All the Viewers acknowledge that there are many properties that can be used as comparables; however, all of the circumstances of sale of such comparables were not presented to the viewers nor taken into consideration.
- 6. All the Viewers acknowledge that water and sewer lines ran through the subject's property at the time of the taking.
- 7. All the Viewers acknowledge that after construction the accessibility of water and sewer lines would most likely have to be by drilling under the highway to benefit the Northeast part of the property. They also believe that the Northeast part had very little value before the taking and about the same value now; and that the development cost before the taking and after the taking would both be prohibitive.
- 8. All the Viewers disagree with this.
- 9. All the Viewers disagree with this.
- 10. All the Viewers disagree as to the figure of \$5,954.00 mentioned therein.
- 11. All the Viewers agree that the present value may not be as great as the prior value, but all the Viewers disagree as to the figure of \$780.00 mentioned therein.
- 12. All the Viewers disagree with all parts of this paragraph.
- 13. All the Viewers disagree with all parts of this paragraph.
- 14. All the Viewers disagree with this paragraph, and all are of the opinion that the detention damages should be calculated from November 18, 1965.
