

No. 16. *September* Term, 1887

For Change of Township.

Levie Betters

versus

Grand Mel Goshen
Townships

Contents:

To the Honorable W. Le Kreb President
Judges of the Court of Quarter Sessions of
the Peace of Clearfield County.

The petition
of the undersigned inhabitants of the
Townships of Gerard and Goshen, in
said County Respectfully represents;
That the line as now established be-
-tween the said Townships of Gerard
and Goshen, is inconvenient to the
Inhabitants thereof and that the School
Houses are so located as to shorten
the distance considerably if the line
is changed as contemplated for chil-
-dren to attend School, and also in
that the line as now located causes
disputes and uncertainty as to the
right to assess and collect taxes by
said Townships on certain properties
extending across the line, And that
their convenience would be greatly
promoted by altering the said line
as follows, viz: - Beginning at a
point on the North bank of the West
Branch of the Susquehanna River
at or Near Twenty five rods above

The Merits of Surveyor Run the Centre
of which is the present division line
between said Townships, thence ex-
tending to a point on said division
line at or near the corner of land of
Mordecai Leimergord, both points being
in the said Township of Goshen.

The Petitioners therefore pray that the
line between the said Townships
may be altered in manner as af-
foresaid.

And they will ever pray &c.
