Public Road

versus

Gulich Township

Contents:

To the Honourable Judge of the Court
of Quarter Sessions, of ~~Cheshire~~ County.

The undersigned, Citizens of Eulich Township
would respectfully state that they labour under great
inconvenience by reason of a public road, lead-
ing from the Robinson place to Janesville, in said
Township, which has from disuse fallen out of repair,
& that it will require an expense, out of proportion
to the benefits to be derived therefrom, to put the same
in good condition for use; We therefore, pray, your
honour to appoint Viewers to view the said Road,
with powers to vacate & supply by connecting the
said Muddy Run Road, leading to Hagerlies & roads, commen-
cing at or near Runners farm road, & connecting, with
the Janesville & Utahville rd Road, at or near the Keystone
farm. And we will ever pray, &c.
