Guido, Esq., attorney for JERRY M. ROYER, a hearing is granted de novo to determine whether the Petitioner, JERRY M. ROYERis subject to suspension of his operator's license. Said hearing is set down for the 21st day of August, 1967, at 9:00 A.M., E.D.S.T., and a rule is issued upon the Secretary of Revenue to show cause why said suspension should not be dismissed.

AUGUST 4, 1967, PRAECIPE, filed by Joseph A. Dague,

Please enter my appearace for the Commonwealth of Pennsylvania.

AUGUST 23, 1967, ORDER filed.

NOW, August 23, 1967, it is hereby ordered that hearing in the above matter be held at 10:00 A.M. on Monday, August 28, 1967. By the Court, John A. Cherry, President Judge.

MARCH 6, 1968, OPINION AND ORDER, filed.

This is a petition for appeal from order of the Secretary of Revenue suspending the operator's license of the above named Jerry M. Royer. Under Section 620, Act of 1966, 75 P.S. 619.1 the Secretary of Revenue is Granted discretionary power to suspendoperating privileges in addition to the right otherwise granted under the mandatory point system. Normally the Court cannot interfere with the discretion of the Secretary of Revenue. However, the instant suspension arose as the result of an occurrence by virtue of which the instant petitioner had been charged with motor violation; but upon the trial of which he was found not guilty. Therefore, the Court does not find any basis for suspension and the same would be an abuve of the discretion resting in the Secretary of Revenue. It is to be noted, however, that the suspension was declared before the trial by virtue of which the defendant was found not guilty; and, therefore, the Secretary of Revenue was not armed with this information at the time of suspension.

In view of the foregoing, the Court entered the following;

ORDER: NOW, March 5, 1968, appeal is sustained and the Secretary of Revenue is directed to reinstate the operating privileges of the above named defendant unless there be other charges or bases for present suspension of his privileges. BY THE COURT, John A. Cherry, President Judge.

MARCH 19, 1968, CERTIORARI FROM SUPERIOR COURT, filed.

DECEMBER 22, 1967, PETITION, filed by Dan P. Arnold.

WHEREFORE, your petitioner respectfully requests the Court to make an order against the defendant insurance company under Procedural Rule No. 4009, directing it to furnish plaintiff with a copy of the aforesaid endorsement. S/ Dan P. Arnold, Attorney for Plaintiff.

ORDER

NOW, this 22nd day of December 1967, upon consideration of the foregoing petition, Pennsylvania Manufacturers' Association Insurance Company is hereby directed to furnish to the plaintiffs herein a copy of their standard form of non-ownership liability endorsement which they were using at the time of the issuance of their Policy No. 106500 to Carns Bros., Inc., for the period from 1/1/65 to 1/1/66, and which may have been or could have been attached to said policy had it been applied for; the copy of said endorsement to be delivered on or before January 8, 1968. BY THE COURT, S/ John A. Cherry, President Judge.

JANUARY 4, 1968, PRODUCTION OF DOCUMENTS, filed by Joseph J. Lee,

In accordance with Order of December 22, 1967, the defendant herewith produces copy of its standard form of non-ownership liability endorsement which it was using at the time of the ussuance of Policy No. 106500 to Carns Bros., Inc. for the period from 1/1/65 to 1/1/66, being Endorsement no. 2 designated "Comprehensive Automobile Liability Endorsement", with schedule of premium charges attached thereto, the original of which is in the possession of the plaintiffs in this action. s/ Joseph J. Lee, Attorney for Defendant.

JUNE 6, 1968, OPINION AND ORDER filed.

The parties are in agreement that the following constitute the true state of facts upon which the Court is to Act as to the motion for judgment on the pleadings:

Pennsylvania Manufactures' Association Insurance Company issued its combination form automobile policy with various endorsements to Carns Bros., In c. in 1965. During the term of the policy, Ronald L. Carns, while driving his personally owned vehicle, was involved in a collision on January 5, 1065, resulting in serious personal injuries to Reuben Wisor. Reuben Wisor instituted a suit against Ronald L. Carns and Carns Bros., Inc. in the Court of Common Pleas of Clearfield County, Pennsylvania, t No. 359 November Term, 1965. On January 21, 1966, by letter of Joseph J. Lee, attorney for the defendant herein, the insurance carrier for Carns Bros., Inc., and, speaking for the carrier, wrote to Paul Silberblatt, Esquire, advising him that the defendant insurance company would not defend Ronald L. Carns in the trespass action brought by Reuben Wisor. The aforesaid letter is attached to the complaint in the present case. As a result of the letter of the attorney for the defendant insurance Company, Ronald L. Carns employed Paul Silberblatt, Esquire, to defend him personally in the trespass action brought by Reuben Wisor.

In due course the case came on for trial and when the plaintifff had rested his case on negligence, on the theory that Ronald L. Carns at the time of the accident in question was an agent and employee of Carns Bros., Inc., the attorney for Carns Bros., Inc. insurance carrier made a motion for compulsory nonsuit which was refused. After a substantial portion of Reuben Wisor;s case on damages was presented to the jury, the defendant insurane company agreed to a settlement and, by its agreement, the jury returned a verdict in favor of Reuben Wisor et al against Ronald L. Carns and CArns Brosl, in a total amount of $72,500.00. Judgment was entered on the verdict. The defendat insurance company paid the amount of the verdict but has refused to satisfy the judgment against Carns Bros., Inc. or Ronald L. Carns unless Carns Bros., Inc. assigns the judgment to the defendant insurance Company so they may attempt to collect the judgment of $72.500.00 from Ronald L. CArns, claiming they have subrogation rights.

The plaintiffs in the instant matter then instituted this action in assumpsit against Pennsylvania Manufacturers Association Insurance Company for two purposes: (1) to copel the insurance company to satisfy the judgment against both of them, and (2) to copel the insurance company to reimburse Ronald L. C rns for the amount of legal expense incurred by him personally to employ Paul Silberblatt to represent him after the defendant insurance Company refused to provide him with a defense. The amount of this second claim is admitted in the pleadings to be $700.00. While it is purley formal, the first ccunt of the complaint seeks to compel the satisfaction of the judgment and consequently the question could be raised that the present case should have been brought in equity. Therefore, the Court has

granted the motion of plaintiffs and has certified this case to the equity side of the Court.

The Court finds that principal insured is Carns Bros., Inc.; but further, that by endorsement No. 2, for which the corporation was required to pay an additionl premium, the defendant insured all agents and representatives of Carns Bros., Inc. so long as those agents and representatives were conductin g the business of the corporation

The suit having been instituted against Carns Bros. Inc. and Ronald L. Carns, the latter being their employee, and the verdict having been rendered against both, it is definitely established that he was on company business when the accident occurred, and, therefore, was covered under the second endorsemsnt. When one also considers that the policy had also provided for coverage of Class 1 persons, it can not be doubted that the Company intened under Class 2 (See endorsement No. 2) to include this individual plaintiff, Ronald L. Carns This policy was written by the defendant, and it certainly intended the coverage sought by the instant plaintiffs Therefore, they are not entitled to recover from him: and in addition, are responsible for the reasonable fee paid by him for representation in the original negligence action, which they refused to defend. Based on the foregoing, the Court hereby ORDERS that defendant enter satisfaction of the judgment to No. 359 November Term 1965; and further, that they pay to the individual plaintiff, Ronald L. C rns, the reasonable fee of $700.00, as reimbursement for paymen of the fee which he paid to Paul Silberblatt, Esquire, for representation in the aforesaid case.

Costs shall be paid by defendat. Dated:June 6, 1968. By the Court, s/John A. Cherry, President Judge.

SECOND: That the said bond and mortgage were duly delivered to the plaintiffs by defendants concurrently with the execution thereof and the mortgage was recorded onsaid date and remains of record at Clearfield in Mortgage Book No. 211, page 253.

THIRD: That the said bond, the original of which is hereto attached, provided for payments of $137.89 per month beginning the 8th day of March, 1965, and continuing on the 8th day of each month thereafter for a period of ten (10) years, applicable first to interest and the balance to principal.

FOURTH: That the said bond further provided for the payment of real estate taxes as the same shall accrue, all taxes thereafter accruing to be paid by the mortgagors, and authorized the mortgagees to pay the same upon default and add the amount of either taxes in arrears, or taxes so paid by mortgagees, to the principal sum and collect the same with interest thereon, as provided for any default on mortgage, or installments thereof.

FIFTH: That the said bond further provided that in the event of default

> "in the payment of the principal debt or any installment thereof or interest, or additions thereto as aforesaid, for the space of thirty days after payment thereof shall fall due, or if a breach of any other of the foregoing conditions"

that the entire principal sum, at the option of the obligees therein would become due and the payment of the same with interest and additions as aforesaid together with an Attorney's commission of five (5) per cent on the principal sum could be enforeced at once.

SIXTH: That the said bond further provided that mortgagees-obligees could confess judgment in their favor against the oligors for the penal sum of $26,000.00 with cost of suit and release of errors and without stay of execution.

SEVENTH; That the defendants defaulted by failing to pay the taxes for the year 1965 whereby plaintiffs were compelled to make payment thereon on August 7, 1967, in order to prevent the Treasurer's tax sale for the taxes of that year on that date. Amount - $283.99

EIGHT: That the defendants have further defaulted in the payment of the 1966 taxes and have suffered them to be returned to the County Commissioner's Office in the amount of $267.51.

ELEVENTH: That the mortgagors have frequently been notified of their defaults (although notice was not required under the bond and mortgage) and more than thirty (30) days have elapsed since such notice, without the same being remedied.

	Pro. By atty 5.25 Atty 3.00 Pro 4.00	AND NOW, this 14th day of August, 1967, upon consideration of the foregoing Petition for Appeal from Order of the Secretary of Revenue Suspending Operator's License, and on motion of ANTHONY S. GUIDO, ESQ., Attorney for VERNON OSKAR CRYTSER, JR., a hearing is granted de novo to determine whether the Petitioner, VERNON OSKAR CRYTSER, JR. is subject to suspension of his operator's license. Said hearing is set down for the 18th day of September 1967, at 3:00 P.M. E.D.S.T., and a rule is issued upon the Secretary of Revenue to show cause why said suspension should not be dismissed. All proceedings to stay meanwhile. This order to operate as a supersedas to the Order of Suspension from the Secretary of Revenue. By the Court, John A. Cherry, President Judge.
		SEPTEMBER 19, 1967, OPINION AND ORDER, filed. Petitioner appeals from an order of the Secretary of Revenue suspending his operator's license. The suspension was imposed after petitioner pled guilty to and paid a fine for having operated his motor vehicle too fast for conditions; said violation having occurred on January 22, 1967. As will be noted, this violation occurred subsequent to the amendment to the Motor Vehicle Code which provided for a Point System leading to suspension of license. However, the undisputed fact is also that this petitioner was neither charged with, nor convicted of any other violation since the date of effectiveness of the said Act. That Act No. 527 of 1965, amending "The Vehicle Code" by establishing the Point System, was not to be retroactive, has been decided in the case of DIGANGI MOTOR VEHICLE OPERATOR LICENSE CASE, 209 Pa. Superior Court 444. However, the Honorable Judge Wright, who wrote the Opinion in the cited case, declared further: "The Vehicle Code of 1959 was simply amended to the extent necessary to establish a point system applicable to violations occurring after the effective date ******* (It) must be construed to apply only to convictions which occurred after July 24, 1966." We construe this to mean that the Point System will be controlling as to any violations occurring after July 24, 1966; and, therefore, although this petitioner had received a warning letter for a violation as a Junior Operator, occurring July 5, 1965; and a suspension for reckless driving, occurring August 24, 1965; this can not be deemed usable for the purpose of a suspension which occurred January 22, 1967 - some time after the Point System became effective In view of the foregoing, the Court enters the following ORDER NOW, September 19, 1967, the order of the Secretary of Revenue suspending the license of Vernon Oskar Crytser, Jr. is hereby revoked; and it is ORDERED that his operator's privileges be restored to him; the Court having found as a fact that under the Point System there should be only five Points registered against his privileges, which are one shy of the number necessary for suspension. BY THE COURT S/ John A. Cherry, President Judge. Copy of Opinion and Order certified to Secretary of Revenue, Commonwealth of Pennsylvania, Harrisburg, Pa.

Joseph J. Lee	IN RE: PETITION OF COUNTY COMMISSIONERS FOR LEAVE TO DEMOLISH DOUBLE HOUSE.		AUGUST 23, 1967, PETITION OF COUNTY COMMISSIONERS FOR LEAVE TO DEMOLISH DOUBLE HOUSE, filed. One copy certified to Commissioners.
	968		1. The undersigned are the duly elected commissioners in and for Clearfield County, Pennsylvania 2. At a Treasurer's Sale a property assessed as "DH and L" in the name of John Batcho, Sr., situate in Morris Township, Clearfield County, Pennsylvania, was sold to the County for nonpayment of taxes on August 2, 1965. 3. The "DH'" represents a double house standing on the premises, which your petitioners are advised is in a very dilapidated and rudown condition , having been vacant for many years. 4. Your petitioners are advised, and, therefore, believe that said house represents a hazardous and dangerous condition, an attractive nuisance to children and a fire hazard to the citizens of Morris Township. 5. The Board of Supervisors of Morris Township have requested your petitioners to secure leave to demolish said house, and, if permission is granted, have agreed to supervise and pay for said demolition, without charge to Clearfield County.
	Pro. 5.00		6. Your petitioners believe it is in the best interest of Clearfield County and Morris Township that said house be demolished, in order to remove a hazardous condition which presently exists. 7. The Act of August 9, 1955, P.L. 323, Section 2311, (16 P.S. 2311) known as "The County Code", provides that the Commissioners may cause any building the County has acquired incident to purchase at tax sale to be demolished and removed if of no use to the County, and upon approval of the Court of Common Pleas upon due cause shown. WHEREFORE, your petitioners pray Your Honorable Court for an order authorizing the demolition of said house standing on property now owned by the County, formerly assessed in the name of John Batcho, Sr., and sold to the County on August 2, 1965. AND THEY WILL EVER PRAY. /s/ J. Harold McFadden, A. W. Pearson, Wesley J. Read, County Commissioners.

ORDER:

NOW, to wit, this 23rd day of August, 1967, the foregoing Petition for Leave to Demolish a House standing on a lot situate in Morris Township, sold to Clearfield County at Treasurers' Sale on August 2, 1965, having been read and considered, and it appearing that the Petition presents due cause for authorization of demolition, in that it is represented that said house is a hazard to the health and welfare of the citizens of Clearfield County, and Morris Township, in particular, and that the same represents an attractive nuisance to children, and that the same has been abandoned, it is hereby ORDERED AND DECREED that the Clearfield County Commissioners are hereby authorized to cause said double house situate on Lot No. 4 in Morris Township, formerly assessed in the name of John Batcho, Sr., but sold to Clearfield County at Treasurers' Sale held August 2, 1965, to be demolished and removed from the premises owned by Clearfield County, in accordance with the authority vested in this Court by virtue of the Act of August 9, 1955, P.L. 323, Section 2311. AUGUST 23, 1967, COMPLAINT IN MANDAMUS, filed. Eight (8) copies certified to the Sheriff.

1. The Plaintiff is John A Redding of 406 Stone Street, Osceola Mills, Clearfield County, Pennsylvania, who is a duly qualified elector, citizen, resident and taxpayer of the Borough of Osceola Mills, Clearfield County, Pennsylvania, and is also the owner of real estate situate in said Borough; and he brings this Action in Mandamus on behalf of himself as a taxpayer and also as Mayor of said Broough.

2. The Defendants are the Borough Council of the Borough of Osceola Mills, Clearfield County, Pennsylvania, its President, Michael Danko; its Secretary, J. L. Perks, and the following other members: Edward A. Albert, James McElroy, John Golemboski, Alex Kost, John Blake, and Joseph Urish.

3. The said Plaintiff acting in his capacity as Mayor as authorized under Section 1121 of the Borough Code, Act No. 581 of February 1, 1966, appointed one Arthur Bush as a special policeman during an emergency in order to protect the safety and welfare of the Borough and the public at large.

4. The said Arthur Bush worked a total of fifty-one (51) hours on the dates listed below at a rate of $1.72 per hour which is reasonable compensation for a special emergency policeman especially in view of the fact that four (4) hours of the total fifty-one (51) hours was work performed on Sundays; and thirty-nine (39) hours over a period of six days was during the time when the Borough of Osceola Mills held its annual Fourth of July celebration which brought many hundreds of people into the Borough.

1967: June 18 - 1 hour ; June 25 - 3 hours; July 3 - 6 hours; July 4 - 6 hours; July 5 - 6 hours; July 6 - 6 hours; July 7 - 7 hours; July 8 - 8 hours; July 12 - 8 hours

5. The said Arthur Bush presented a bill for fifty-one (51) hours at a rate of $1.72 per hour or a total of $87.72 for his service prior to the last Council meeting held on August 7, 1967, in the Osceola Mills Borough Building.

6. The Secretary of Osceola Mills Borough, J. L. Perks, left a note with Mayor John A. Redding stating they were not going to pay the policeman. The Mayor asked the said Secretary to certify this from the minutes, but he did not and has not done so.

7. Subsequently, Mayor John A. Redding employed Counsel to contact the President and Secretary of the Osceola Mills Borough Council requesting that Mr. Bush be paid; and they were so requested on August 10, 1967, by registered mail which they received on August 11, 1967; and they have since stated verbally they have no intention of paying this policeman.

8. Section 1005 of the aforesaid Borough Code provides under Item 9 that the Council shall pay authorized expenses incurred by elected and appointed Borough officials in connection with their duties or other Borough business.

9. The said Mayor John A. Redding is a duly elected Borough official who is charged with the duty of preserving law and order in the said Borough and has full charge and control of the police force and shall direct the time during which the police force shall perform their duties; therefore, it is incumbent upon the said Borough Council by its President and Secretary to pay the bill presented by the said Arthur Bush which is both a reasonable amount and a necessary expenditure.

10. The payment of this obligation is an act purely ministerial in character.

WHEREFORE, plaintiff prays your Honorable Court for judgment against defendants commanding the defendants to make payment of the said obligation along with costs of this action. S/ Clifford A. Johnston, Attorney for Plaintiff.

SEPTEMBER 14, 1967, PRAECIPE FOR JUDGMENT, filed by Clifford A. Johnston.

SATISIFIES ON -WRIT OF EXECUTION NO. 5 SEPTEMBER 1967

DECEMBER 13, 1967, ORDER; filed
NOW, December 13, 1967, the Court hereby finds that the terms of the Financing Statement involved in the instant matter do not include in the coverage therein intended, any after-acquired property. Therefore, the Court enters the following order:
Now, December 13, 1967, Exceptions to Sheriff's Schedule of Distribution are dismissed; and is hereby directed that distribution be made in accordance therewith. BY THE COURT, John A. Cherry, President Judge.

Your petitioners have not been able to agree with the Secretary of Highways representing said Commonwealth and the Department of Highways thereof, as to the amount of damages to be paid for the taking , appropriation and condemnation of the lands as aforesaid. 7. Your petitioners, by reason of the taking, appropriation and condemnation of their lands and property as aforesaid, have suffered both direct and consequential injuries for which they are entitled to be compensated by th the Commonwealth of Pennsylvania. The plaintiffs seek to quiet title to any outstanding interests to the property herein described and aver the following facts:

1. The plaintiffs are Alexander Black and Clara F. Black who reside at Shelly Motel, Dillsburg, Pa., and 507 Park Avenue, Clearfield, Pa., respectively.

2. The defendant is the Beech Creek Cannel Coal Company, a Pennsylvania Corporation, now believed to be out of business.

3. That the history of title in this case is as follows:

The O'Shanter Coal Company by deed dated March 10, 1891, recorded at Clearfield in Deed Book 63, Page 255, conveyed to the Beech Creek Cannel Coal Company certain parcels of land situate in Lawrence Township, Clearfield County, Pennsylvania.

That the Beech Creek Cannel Coal Company suffered and permitted 30 acres of their land to be returned for non-payment of taxes for the years 1927 and 1928.

That the said property was sold to the County for non-payment of such taxes for the years 1927 and 1928 on August 10, 1931 as shown by the Treasurer's deed dated February 9, 1932, recorded at Clearfield in Deed Book 310, Page 10.

That the County Commissioners sold the said 30 acres to Fay A. Thompson on February 25, 1935 as shown by their deed bearing that date and recorded at Clearfield in Deed Book 310, Page 11.

That Fay A. Thompson and Margaret Thompson, his wife, by deed dated May 7, 1941 recorded at Clearfield in Deed Book 336, Page 99 sold and conveyed that 30 acres to William M. Jury.

That William M. Jury and Mamie Jury, his wife, by deed dated July 27, 1942 recorded at Clearfield in Deed Book 438, Page 122 sold and conveyed the two (2) parcels involved in this case to Alexander Black and Clara Black, husband and wife.

That continuously since the said tax sale averred in Paragraph 3, all title holders in said property, including the plaintiffs herein, have claimed as absolute and complete owners and have been in complete possession to the exclusion of the Beech Creek Cannel Coal Company and any other parties. Such possession has been adverse, exclusive, open, and notorious, and under full claim of right continuously.

5. That the property involved and the title of which is now owned by the plaintiffs is as follows:

All those two (2) certain pieces of land situate in the Village of O'Shanter, Lawrence Township, County of Clearfield and State of Pennsylvania, described as follows:

(1) BEGINNING at an alley joining the land of the parties of the second part, the said alley running North and East; thence eastward two hundred (200) feet to a tree adjoining land of William Jury; thence northward two hundred fifty (250) feet joining land of William Jury; thence southward two hundred fifty (250) feet joining land of William Jury to an alley; following said alley eastward three hundred (300) feet to place of beginning.

(2) BEGINNING at a certain piece of land below the State Road, said road running North and East one hundred (100) feet; thence southward fifty eight (58) feet joining land of William Jury to bed of New York Central Railroad; thence following said railroad bed eastward one hundred (100) feet said railroad bed being the property line of William Jury, the party of the first part; thence north eastward fifty eight (58) feet to place of beginning, known as the State Road.

6. These parcels of land being a part of what is known as the Farley Tract.

7. Because this title comes through the tax sales mentioned and because of the uncertainty of tax titles, this action is brought.

WHEREFORE, the Plaintiffs bring this action to quiet title and ask the Court to decree as follows:

A. That the Plaintiffs are seized of an indefeasible title to the premises hereinbefore described situate in the Village of O'Shanter, Lawrence Township, Clearfield County, Pennsylvania, free of any claim or dispute that could or might be alleged by the Beech Creek Cannel Coal Company or of its successors, if any, in title to said parcels.

B. That the Defendant its successors and assigns, be forever barred from asserting any right, title, interest or claim to the two (2) parcels described herein.

C. Enter such other judgment as may be necessary in the establishing of an indefeasible title in the Plaintiffs. S/ Clarence R. Kramer, Attorney for Plaintiffs.

ORDER

NOW, September 6, 1967, the within action being an action to quiet title and the Plaintiffs having made affidavit that the Beech Creek Cannel Coal Company is not presently in business in this vicinity and no known address or location exists at which it can be reached, either by mail or by personal service, therefore on motion of Clarence R. Kramer, Attorney for Plaintiffs it is ordered and decreed that substituted service by publication be made by giving notice in the Clearfield Progress to the Beech Creek Cannel Coal Company, its successors and assigns, once a week for three (3) weeks stating that the said action has been filed and that the same must be pleaded to within twenty (20) days after the last notice by publication. By the Court: S/ John A. Cherry, President Judge.

The Plainitff, WILLIAM EDWARD MULLEN, is an individual who resides at 123 Ohio Street, Johnstown, Cambria County, Pennsylvania. 2. The Defendant, BOARD OF SCHOOL DIRECTORS OF THE DUBOIS AREA SCHOOL DISTRICT, is the governing body of the DuBois Area School District and is located in the City of DuBois, Clearfield County, Pennsylvania. 3. On the 22nd day of January, 1966, Plaintiff, WILLIAM EDWARD MULLEN, entered into a written contract with the DuBois Area School District and Defendant under the terms of which he was employed by the DuBois Area School District as a temporary professional employee, for a period of two years, copy of said agreement being hereto attached and marked Exhibit "A". 4. The Plainitff, WILLIAM EDWARD MULLEN, entered upon the duties of his employment with the DuBois Area School District on said date and served in such capacity until May 9, 1967, when he was dismissed, by J. T. Harriger, Superintendent, without any hearing. 5. At a meeting held on May 11, 1967, Defendant approved the action taken by Superintendent T. C. Harriger, without affording any hearing to Plaintiff. 6. Upon request of Plaintiff, Defendant held a hearing on the dismissal of Plaintiff on June 14, 1967, but at said hearing counsel for Plaintiff was not permitted to cross-examine adverse witnesses nor were any of the witnesses sworn. 7. At meeting held on August 10, 1967, on a five to four vote, Defendant agreed to reinstate Plaintiff and pay his full salary for the year of 1966-1967 providing Plaintiff would submit his resignation to the Defendant for approval in exchange, which Plaintiff refused to submit. 8. The Plaintiff, WILLIAM EDWARD MULLEN, had been rated ~~as a satisfactor teacher by his superiors in all ratings made~~ of his performance as a teacher from January 22, 1966 until the date of his dismissal with the exception of rating report made May 5, 1967, which rated Plaintiff's teaching performance as unsatisfactory. 9. In dismissing Plaintiff in the manner aforesaid, Defendant also violated said agreement dated January 22, 1966, which provides that said contract may be teminated for the same causes and in the same manner as is provided by law for the termination of a contract of a professional employee, and accordingly did not comply with Section 11-1127, P.L. 30, Art. XI of the Public School Code of 1949. 10. Said report, dated May 5, 1967, which rated Plaintiff's performance as unsatisfactory, did not set forth in plain English an account of the specific circumstances and facts upon which the rating was based. The anicdotal record did not include any specific details of evidence regarding any behavior or circumstances in which Plaintiff's performance was considered deficient or lacking, as required on form prescribed by Superintendent of Public Instruction. 12. That said unsatisfactory rating was arbitrary and capricious and was not based upon any facts which would be the basis of rating Plaintiff's performance as a teacher unsatisfactory. 13. As a result of said action by Defendant, Plaintiff has been unable to secure a teaching position with any other School District. 14. Plaintiff is advised and believes that he has been illegally removed from the service of the DuBois Area School District, is now and has at all times been ready and willing to perform his duties and obligations to be done and performed as a temporary professional employee, and he has been and is being unlawfully and illegally deprived of his right to perform said duties and obligations; by the said action of the said BOARD OF SCHOOL DIRECTORS OF THE DUBOIS AREA SCHOOL DISTRICT in refusing to continue him in the services of the DuBois Area School District, Plaintiff is unlawfully being deproved of his right to fill the post of temporary professional employee or to perform the duties thereof and to receive the pay and benefits appertaining thereto. 15. Plaintiff is without other adequate and specific remedy at law. WHEREFORE, Plaintiff prays your Honorable Court for judgment against Defendant, commanding the said BOARD OF SCHOOL DIRECTORS OF THE DUBOIS AREA SCHOOL DISTRICT as aforesaid to restore Plaintiff to his former position as temporary professional employee and assign him his proper duties; to award damages for earnings and all increments thereof lost by Plaintiff due to said unlawful dismissal; and to do such things as may be necessary for the carrying into effect the full compliance therewith. The joint Petition of Lea Ward, a minor, by James Ward, her father and natural Guardian, and James Ward, in his own right, and State Farm Mutual Automobile Insurance Company, respectfully represents: 1. Lea Ward is a minor of the age of fifteen (15) years and resides with her parents in the Village of Glen Richey, Lawrence Township, Clearfield County, Pennsylvania. 2. On November 6, 1965, at approximately 7:20 P.M., the minor Plaintiff was a pedestrian on what is known as the Old Road in the Village of Glen Richey, Lawrence Township, Clearfield County, Pennsylvania, when the Defendant, operating a motor vehicle, turned off of Route 17038 onto said Old Road, and when the minor Plaintiff, who was accompanied by another friend, saw the Defendant's vehicle, they both started to run in opposite directions, and the Defendant, although attempting not to hit one of the pedestrians, did strike the minor Plaintiff on said highway. 3. As a result of the said accident, Lea Ward was injured, suffering a severe laceration of the left knee which had incised the patellar tendon exposing the knee joint. 4. As a result of the said accident, James Ward has incurred the following expenses and out-of-pocket losses for medical attention, all of which were the result of injuries received by Lea Ward, and all of which have been paid by James Ward: Clearfield Hospital $ 302.50 Clearfield, Pennsylvania Dr. F. Levin was the operator of the said vehicle which was owned by his father, Roy Levin, and is insured by State Farm Mutual Automobile Insurance Company. 6. State Farm Mutual Automobile Insurance Company has negotiated a settlement directly with the Plaintiffs in the amount of $2500. The said settlement was negotiated without the intervention of counsel for either party. 7. The Plaintiffs are desirous of entering into a settlement and compromise of this matter, and the Plaintiffs are of the opinion that the proposed settlement and compromise is a fair and reasonable one under the circumstances and request your Honorable Court to approve the same and direct distribution. 8. Attached hereto and made a part hereof are copies of medical statements and reports of Andrew J. Waterworth, M. D., and Elmo E. Erhard, M.D., concerning the injuries to the minor Plaintiff. 9. James Ward is satisfied that his daughter has made a recovery from the injuries sustained in said accident. WHEREFORE, your Petitioners jointly pray your Honorable Court to approve the settlement in the amount of $2500 and direct distribution of the same. S/ James A. Ward, Plaintiff BELL, SILBERBLATT & SWOOPE By S/ Paul Silberblatt, Attorneys for Defendant. ORDER OF COURT NOW, this 7th day of October, 1967, upon consideration of the foregoing Petition, the Court having personally talked to James Ward, father and natural Guardian of Lea Ward, minor Plaintiff, and having been assured by the said James Ward that he is satisfied that this settlement and compromise be approved by the Court, and the Court having personally observed the minor Plaintiff and having considered the medical reports attached to the within Petition, the Court being satisfied that the said settlement and compromise is to the best interest and advantage of the Plaintiffs herein, it is hereby ordered, adjudged and decreed that the said settlement and compromise proposed is approved and distribution made of the same as follows: To James Ward, reimbursement of hospital, doctor, drugs, clothing and traveling expenses $621.50 To James Ward, father and natural Guardian of Lea Ward, a minor, in trust for Lea Ward, to be placed in a savings account or savings bonds until said minor reached the age of twenty-one (21) years, or for her college education. $1878.50 The said James Ward is further authorized to make, execute and deliver a full and complete release discharging Barry R. AND NOW, comes ROBERT POLLISINO and LEE KRAUSE, trading as EMPIRE COAL CO., by their counsel, BELIN & BELIN, and files the following Petition for Interpleader:

1. That the Estate of Michael Braniff and Joseph Iraca are claimants who are not parties of record and who have made demands and who are expected to make demands upon defendants, as a result of which defendants are or may be disposed to double liability to plaintiff and to the Michael Braniff Estate and Joseph Iraca as to all or any part of the claim asserted by plaintiff.

2. That this Petition is filed in good faith and not in collusion with plaintiff or any of the claimants.

3. That defendant claims a possible interest in the property in controversy if the claim of the Michael Braniff Estate is sustained inasmuch as defendant has a lease with the Michael Braniff Estate for Fifteen (15¢) Cents per net ton, which would be (5¢) Five Cents less than with Elwood Burgess, plaintiff, and defendant is in a position to pay and/or deliver that part of the money or property which he claims no interest unto such person as the Court may direct.

4. That while defendant has entered into leases with both parties to the action, they have not admitted any independant liability to any party pending the outcome of the question of title.

WHEREFORE, petitioners pray Your Honorable Court to enter an Order staying all proceeds in the action until the Court has disposed of the Petition, and further, to add Joseph Iraca and the Michael Braniff Estate as parties to the action. DECEMBER 18, 1967, MEMORANDUM OF OPINION AND ORDER, filed.

In the instant case the defendants filed preliminary objections in the nature of demurrer, alleging as bases therefor, (1) laches in the institution of the proceeding; and (2) that there is an adequate remedy at law, and, therefore, mandamus does not lie.

As to the first of these, nothing appears in the Complaint filed, from which the Court could make any determination that there was laches. In fact, all averments being taken as true, the Complaint would reveal the absence of laches. As was declared in SILVER V. KORR, 392 Pa. 26, 29, 139 A. 2d 552;

'Laches can be taken advantage of by demurrer or by preliminary objections without requiring a plea or answer to bring it to the notice of the Court: however, in such a case, the laches must be clearly apparent from the bill or petition itself.

See also: SIEGEL V. ENGSTROM, 427 Pa. 381

As to the second, it is also clearly apparent that the remedy at law would not be adequate, for basic to the claim of the plaintiff-school teacher is his claim of an unlawful discharge from his position, to which he seeks full reinstatement, and added to which is his claim for back=salary, as well as damages suffered by him through the alleged unlawful discharge by the defendants-School Directors. The basis of the claim, too, is that the act of the defendants was the unlawful discharge of their governmental duties through an improper dismissal of the plaintiff as a school teacher. Therefore, it is readily apparent that there is no basis for the Court to sustain the preliminary objections; and the Court enters the following

ORDER

NOW, December 18, 1967, preliminary objections are overruled and dismissed; and the defendants shall file responsive pleadings to the Complaint within twenty days, as required by Pennsylvania Rules of Civil procedure. By the Court, John A. Cherry, President Judge.

DECEMBER 29, 1969, OPINION OF THE COURT, filed. ROBERTS, J. FILED: December 4, 1969

On May 9, 1967, appellee Mullen was abruptly dismissed by appellant Board of School Directors (Board) from his position as a temporary professional employee of the DuBois Area School District. Following an unsuccessful attempt to have the Board reconsider its decision Mullen brought an action in mandamus seeking reinstatement to his position as a temporary professional employee and related economic damages. In support of his claim Mullen alleged that his dismissal was arbitrary and capricious and that he had no other adequate remedy because his dismissal had made it impossible for him to obtain employment as a teacher in any other school district.

The Board answered that Mullen's dismissal was the result of his unsatisfactory service as a teacher, that he had no valid and enforceable contract with the Board, and that he had other adequate remedies.

The trial court resolved all of the issues in favor of Mullen and ordered both reinstatement and payment of damages. We affirm.

With regard to the quality of Mullen's teaching, we agree with the trial court that"... the great weightof credible testimony rests with (Mullen's) position," and that"....one can not find but that his dismissal was capricious and arbitrary and that the action was dictated by personal and partisan considerations.'"[1]

The testimony clearly demonstrates that Mullen was an entirely conpetent teacher. Mullen was rated [2] five times during the period in which he taught in the DuBois area schools. On four of these occasions he received ratings indicating entirely satisfactory, and in most instances above average, performance. The only unsatisfactory rating was given on May 5, 1967, four days before his dismissal.[3] It is interesting to note that Mullen's principal, who issued the unsatisfactory rating, had previously rated him as excellent or satisfactory in nearly all respects. Additionally, all of his fellow teachers and former students who appeared below testified to his being an able teacher. Also of some relevance is the fact that questions concerning Mullen's ablility arose only after he became the "building representative" for the DuBois Area Educational Association, in which capacity he found it necessary to press complaints upon the principal and superintendent with regard to their treatment of two fellow teachers.

The evidence clearly supports the trial court's determination that Mullen's dismissal was the result of an arbitrary and capricious exercise of the discretionary power vested in his employers. [4]

1. "The fundamental policy of our public school system is to obtain the best educational facilities for the children of the Commonwealth. To this end must be subordinated all personal and partisan considerations." Commonwealth v. Sunbury School District, 335 Pa. 6, 11, 6 A.2d 279, 281 (1939).

2. The Public School Code, and specifically those portions set forth in 24 P.S.§11-1108 and §11-1123, provide a system whereby every "temporary professional employee" is to be rated twice each year during the two years that he or she is a "temporary professional employee." The rating is to be done by one of the administrative personal of the employee's district and is to be completed on forms provided by the Department of Public Instruction and under standards set forth by the Department of Public Instruction. As we noted in the text, Mullen was rated five times during his tenure at DuBois and received eminently satisfactory ratings on four occasions. The first four ratings were completed on inappropriate forms, but that fact is of

no relevance.

3. This rating was itself defective bacause it was not accompanied by the required anecdotal narrative of Mullen's alleged shortcomings. Elias V. Bd. of School Directors of Winber, 421 Pa. 260, 218 A.2d 738 (1966); Appeal of Thall, 410 Pa. 222, 189 A.2d 249 (1963); Mulhollen Appeal, 155 Pa. Superior Ct. 587, 39 A.2d 283 (1944).

4. See nect page.

The second issue in the case involves the validity of the contract between Mullen and the Board. The Public School Code requires that the hiring of a professional employee be effected by an affirmative vote of a majority of the members of the hiring board duly recorded in its minutes. [5] The Board takes the position that there is no valid and enforeeable contract covering Mullen's employment because there is no recorded vote of the Board with regard to that contract.

The facts concerning Mullen's hiring bear narration at this point. On January 22, 1966, while still a student, Mullen was interviewed by the superintendent of the DuBois Area School District. At the close of this interview Mullen signed a document which proclaimed itself to be a contract of employment. The instrument was subsequently signed by the President and Secretary of the Board. The exact nature of the authority given by the Board to the superintendent in hiring teachers is unclear, and their records are less that complete.[6] However, we agree with the trial court's finding

---

4. It is ferfectly clear that a court can review the discretionary acts of a public official and can restrain such officials from exercising their discretion in an arbitrary or capricious manner. See Travis v. Teter, 370 Pa. 326, 87 A.2d 177 (1952).

5. "The affirmative vote of a Majority of all the members of the board of school directors in every school district, duly recorded, showing how each member voted, shall be required in order to take action on the following subjects: * ** * ** *

"Appointing or dismissing.....teachers.

"Fixing salaries or compensation of..... teachers.....

"Failure to comply with the provisions of this section shall render such acts of the board of school directors void and unenforeeable."
24 P.S. §5-508.

6. It is not at all certain that any of the teachers in the DuBois Area School District have had their contracts approved in the required manner. Query, how many other school districts across the Commonwealth maintain the same "looseness of reporting" as appellant. that "(i)t is quite clear that the Board did approve the appointment and accepted its Further, its prior approval was followed by further acceptance of the contract." The Board clearly acquiesced in Mullen's appointment for over a year; at one point he was personally feted at a Board meeting for having received a favorable commendation from the Pennsylvania Department of Public Instruction on the haddling of one of his courses.

We agree with the trial court that it would be "not only unconscionable but untenable at law, to maintain that the requirements for a vlid and enforceable contract were not met in this case."

We are aware that there is a line of cases giving this statute a very strict construction.[7] To the extent that they interpret the requirement that there be a formal vote recorded in the minutes as being mandatory we overrule them. In a way we are only returning to the interpretation given the predecessor of this statute in the first case which dealt with it.

It was there said"

"This statute is a valuable one, intended to compel the expression of each individual member of the school board on a subject all-important in the public education, and this for the very purpose of preventing jobbery, and the exercise of a one-man power, in the conduct of our common schools; we are, therefore, not inclined to permit the abrogation of its force and efficiency by a weak construction designed to meet a particular case."
School District of Dennison Township v. Padden, 89 Pa. 395, 397 (1879).

7. See Taggart v. Canon-McMillan Joint School System, 409 Pa. 33, 185 A.2d 332 (1962); Commonwealth ex rel. Ake V. Blough, 330 Pa. 590, 200 Atl. 10 (1938); Commonwealth ex rel. Ricaputo v. Bethlehem School District, 148 Pa. Superior Ct. 426, 25 A.2d 786 (1942); McCandless v. Summit School District, 55 Pa. Superior Ct. 277 (1913).

Neither are we inclined to eviscerate the force of the statute. However, it is clear beyond doubt that the expression of the board members' approval required by the statute can be evidenced in ways other than by a formal vote recorded in the minutes. To allow this does no violence to the purpose of the statute. The overwhelming bulk of evidence in this case indicates that the Board members did in fact approve Mullen's employment. To hold that the lack of a formal vote recorded in the minutes, the presence or absence of which is entirely within the control of the Board, renders this contract null and void, would be to exalt form over substance. What possible value can there be in establisheing figid civil service requirements to protect public employees, if such legislation can be defeated by school board mistakes in the appointive process? We hold the requirement of a formal recorded vote to be directory only, although with the caveat that the proof from which Board approval can be inferred must be solid.

Any result other than the one we reach today would arm every school board in the Commonwealth with a tool by which they could regularly avoid otherwise valid contracts. All they would need do is fail to specifically record in their minutesthe required vote; then at their whim, as in this case, a contract could be voided by acknowledgement of the failure. Such a situation is clearly violative of the avowed legislative policy of creating in this state an atmosphere hospitable to school teachers. Our teachers ought not have the burden of being required to know all the statutes relative to their employment. Neither should they have to carefully examine the minutes of their hiring board in order to ascertain that each and every requirement was complied with. The burden of complying with the statute rests with the school boards; should they fail to conduct their business as required, theconsequences ought to lie at their door, not at the door of their victims. They must not be permitted to advantage themselves of their own failure to the detriment of their employees.

The third and final question in this appeal is whether mandamus is proper. "Mandamus is an extraordinary writ which lies to compel the performance of a ministerial act or mandatory duty where there is a clear legal right in the plaintiff, a corresponding duty in the defendant, and a want of any other appropriate and adequate remedy." Travis v. Teter, 370 P.a. 326, 330, 87 A.2d 177, 179 (1952). This is such a case. The existence of a right in Mullen and a corresponding duty in the Board has been established. The only other condition is the absence of an adequate alternative remedy. None exists. Mullen has not been able to secure other

satisfactory employment since his dismissal. We have concluded, as did the trial court, that he is entitled to restoration to his position, damages for lost salary together with any increments to his salary to which he would have been entitled had he continued in his position, and a certification which would result in his becoming a "permanent professional employee." We can think of no other way in which Mullen could obtain all that to which he is entitled.

Judgment affirmed.

Mr. Justice Pomeroy files a dissenting opinion in which Mr. Justice Jones joins.

DECEMBER 29, 1969, DISSENTING OPINION, filed. POMEROY, J. FILED: December 4, 1969

I cannot agree with the conclusion of the majority that mandamus will lie in the present case, and accoringly I dissent. This is a basic issue which lies at the threshold of this case. As the majority recognizes, mandamus will lie only to compel performance of a ministerial act or a mandatory duty where there is a clear right-duty relationship between plaintiff and defendant. In this case, such a relationship between Mullen and the Board could have been created only by a valid and enforceable contract entitling Mullen to continued employment. Thus, the existance of such a contract is the crucial issue.

The standars for making a valid employment contract between a teacher and a school district are not the usual common law standards; they have been set forth in meticulous fashion by the legislature. The relevant statute is clear and unequivocal: "The affirmative vote of a majority of all the members of the board of school directors in every school district, duly recorded, showing how each member voted, shall be required in order to take action on the following subjects: Appointing or dismissing.....teachers....Fixing salaries or compensation of ....teachers.....Failure to comply with the provisions of this section shall render such acts of the board of school directors void and unenforceable." Act of September 28, 1951, P.L. 1546, §1, 24 P.S. §5-508. There is no evidence in this case that Mullen's contract was approved by an affirmative recorded vote of a majority of all the members of the School Board. Accordingly, the employment contract in question is void and unenforceable unless the quoted provision is, as the majority concludes, directory in nature.

Whether a particular statutory provision is mandatory or directory is determined by the intent of the legislature as ascertained by a consideration of the statute as a whole. See e.g. Prichard v. Willistown Twp. School District, 394 Pa. 489, 147 A.2d 380 (1959). The essential difference between mandatory and directory provisions is the effect given to acts performed in violation of the standard set forth: "A mandatory provision is one the omission to follow which renders the proceeding to which it relates illegal and void, while a directory provision is one the observance of which is not necessary to the validity of the proceeding." Deibert v. Rhodes, 291 Pa. 550, 554-55, 140 Atl. 515 (1928); Pleasant Hills Borough v. Carroll, 182 Pa. Superior Ct. 102, 125 A.2d 466 (1956; and Kowell Motor Vehicle Registration Case, 209 Pa. Superior Ct. 386, 228 A.2d 50 (1967). In the present case, the legislature has prescribed that failure of a board to adhere to the statutory procedures for the appointment of teachers shall render such acts void and unenforceable. I can imagine no way in which the legislature could have better or more categorically expressed its intent that these procedures were to be considered mandatory than to provide exactly as it did, vix., that acts not in compliance with such procedures were to be void and unenforceable.

Secondly, it should be noted that the statutory requirement of a properly recorded affirmative vote of a majority of the members of the school boardon the appointment of a teacher has been on the books of the Commonwealth for over one hundred years. Originally it was embodied in Section 4 of the Act of April 11, 1862, P.L. 472. School District of Dennison Township v. Padden, 89 Pa. 395, 397 (1879). It was re-enacted by the Act of May 18, 1911, P.L. 309, Article IV, Section 403. Jackson v. Conneautville Borough School District, 280 Pa. 601, 125 Atl. 310 (1924). Finally, it was retained in The Public School Code of 1949, Act of March 10, 1949, P.L. 30, Art. V, §508, as amended, 24 P.S. §5-508. As the majority recognizes, this requirement of the statute has been consistently construed by this and other courts as a mandatory provision. See Taggart v. Canon-McMillan Joint School System, 409 Pa. 33, 185 A.2d 332 (1962); Commonwealth ex rel. Ake V. Blough, 330 Pa. 590, 200 Atl. 10 (1938); Commonwealth ex rel. Ricaputo v. Bethlehem School District, 148 Pa. Superior Ct. 426, 25 A.2d 786 (1942); McCandless v. Summit School District, 55 Pa. Superior Ct. 277 (1913). The legislature chose to re-enact this provision in the face of this long-standing judicial interpretation. It is a settled canon of statutory construction that legislative re-enactment of a statutory provision is presumptively a legislative adoption of the judicial interpretation previously given to the language in question. See Statutory Construction Act, Act of May 28, 1937, P.L. 1019, Art. IV, §51,46 P.S. §551; Commonwealth v. Wetzel, Pa., A.2d (1969); and Commonwealth v. Sitkin's Junk Co., 412 Pa. 132, 194 A.2d 199 (1963). Particularly in view of this standard, I am unable to accept the view that the provision at hand is, in its intent, merely directory. This Court can overrule its own decisions, as the majority here frankly does; in so doing, however, it effectively negates a valid statutory provision, and that it cannot do.

Finally, it should be noted that the statutory requirement of a recorded affirmative vote applies not only to the appointment of teachers but also to a wide variety of other school board actions, including inter alia the dismissal of teachers, the levying and assessment of taxes, the purchase and condemnation of land, the creation or increase of indebtedness, the establishment of new schoolds, and the making of contracts where the amount involved exceeds $100. Cases holding the present provision to be mandatory as to these other actions by school boards are numberous. See Yoder v. School District of Luzerne Twp., 399 Pa. 425, 160 A.2d 419 (1960); In re Chester School District's Audit, 301 Pa. 203, 151 Atl. 801 (1930); Jackson v. Conneautville Borough School District, supra, and Matevish v. Ramey Borough School District, 167 Pa. Superior Ct. 313, 74 A.2d 797 (1950). I see no ground upon which we could logically find the affirmative recorded vote requirement mandatory as to some board actions and directory only as to other actions. While this case is decided on its own facts, it seems inevitable that the decision may have unwanted consequences in other areas.

Nothing I have here said is intended to condone in any way the negligent, or even improper, conduct of the School Board in the situation before us. Moreover, I recognize that certain problems of policy are inherent in a statute which subjects the substantive rights of one party to a second party's faithful observance of procudural requirements. But the choice of such a procedure is within the province of the legislature, and the legislature in providing for such a procedure in the present case spoke with unmistakable clarity. For this Court to hold that the words "void and unenforceable" mean "valid and enforceable" is, in my view, judicial ligislation unwarranted by even the hard facts of this case.

Mr. Justice Jones joins in this dissent.

DECEMBER 13 , 1974 MEMORANDUM AND ORDER, filed.

Plaintiff-Burgessinstituted this action to recover royalties for coal mined by Defendants, on premises alleged to have been owned by him. Thereupon, Defendants, interpleaded Plaintiffs Joseph Iraca and Michael Braniff Heirs. Thereafter, in the trial of action to Quiet Title brought by the above named Administratrix of the Michael Braniff Estate against Elwood Burgess as Original Defendant, judgment was entered upon the verdict rendered in favor of the Estate. Following this, and on January 27, 1972, the Court entered an Order in the instant proceedings and upon petition fild on behalf of the Braniff Heirs, found that both Burgess and Iraca had "no standing in title or possession.....or right of possession on the premises involved." In fact, Burgess had entered a discontinuance of his action, also., this Action then proceeded on behalf of Michael Braniff Heirs against the Defendants.

The latter having had a lease from some, but not all, of the Braniff Heirs, and having mined coal upon the premises paid into escrow the sum of $15,466.58, which included tonnage royalty at 15 cents per ton; and minumum royalty payments at the rate of $50 monthly for a total of $700. The Defendants, of course, claimed that this was the whole of the amount payable by them in any event. Defendants already had paid or had obligated themselves for payment of a royalty for surface (not owned by Plaintiffs) the sum of 15 cents per ton together with a minumum monthly royalty of $25. The question before this Court is what amount properly should be paid to Plaintiffs for the caol mined; they not being entitled, however, to the $700 minumum royalty paid to such Braniff Heirs as had leased to the Defendants.

Upon all of the testimony produced, we have determined that a proper tonnage royalty for the coal mined should be 22 cents per ton. We concluded further that the proper production of merchantable coal should have been 111, 132 tons. At this rate the base figure owing, except for adjustment as to those Braniff heirs who agreed to lease at 15 cents per ton, would be $22,226.40. As declared, this figure will be adjusted downward as to the Braniff Heirs who were already bound to the 15 cent royalty. Those other heirs would also be entitled to the $700 minimum royalty already included in the escrowed monies above reffered to. In explanation of the Court's result, these figures were based on production of 147 tons per inch per acre, with average height being at 22 inches and with resulting recovery at 90 per cent. The price per ton was fixed at 20 cents; and all of these figures resulted in the Court finding a verdict for Plaintiffs in the aforestated sum of $22,226.40, less the adjustments above set forth .

Unless execeptions be filed hereto within twenty (20) days from date, this Order Nisi shall become absolute. By the Court, John A. Cherry, Senior Judge, Specially Presiding.

JANUARY 6, 1975 THIS ORDER NISI MADE ABSOLUTE AS PER ORDER FILED DECEMBER 13, 1974
