To the Honorable Judges of the Court of
Quarter Sessions of Clearfield County.

The Petition of the undersigned
residents and taxpayers of said County
respectfully represents: That a bridge ~~was~~
erected across the Susquehanna River at
Hoyts Mills in said County and in the
township of Greenwood by S. W. Hoyt
^{Successor to the Susquehanna Clearfield County Bridge Co.}
~~Now deceased~~ which said S. W. Hoyt was
authorized to charge and take tolls for the
use and crossing of such bridge; and having
erected such bridge in the year 1880 has
since maintained the same.

That the said bridge is necessary to
the accommodation of public travel
and the payment of tolls over such
bridge is burdensome to the travelling
public.

They therefore pray that the same
may be taken as a County bridge and
that your Honorable Court shall
appoint six disinterested persons to
view the said bridge and assess the dam-
age if any which said S. W. Hoyt est.
shall sustain by the taking of the
same and make report to next term
