To the Honorable D. L. Krebs, President Judge of
the Court of Common Pleas of the County of Clearfield, now holding a
Court of Quarter Sessions of the Peace, in and for said
County:

The petition of the subscribers, inhabitants of

of the said Counties, at the place where the public highway to Phil-

fore, pray the Court to appoint proper persons to view ~~XXXX~~ the
premises, and take such order on the subject as is required and di-
rected by the Acts of Assembly in such case made and provided.

That a bridge is much wanted over Monongahela
Creek being the line of said Counties at the place

Am B. Brown
Clerk Quarter Sessions

To the Honorable David L. Krebs
within named.

We, the subscribers appointed
by the within order of court and
a similar order of the court of In-
tersessions of Centre County to view
the place proposed for the bridge
in the within order mentioned,

Respectfully report: that, having
been present, together with Jesse

Cleaver, Samuel Killiland and Con-
stance Curtin, also appointed as afore-
said, and having given due notice
of time and place of meeting, and
having all been first severally sworn
or affirmed according to law we
have viewed the premises, and
are of opinion that a bridge over
Moshannon Creek where the Public
Highway to Philipsburg in Morris Town-
ship crosses said creek is necessary
but there is a bridge there now which
answers every purpose and will last
for several years so that we would
not recommend the construction of a
new bridge at the present time.
