To the Honorable David L Krebs, Judge of the Court of Quarter Sessions of Clearfield County-

The petition of the undersigned inhabitants of the township of Karthaus, Clearfield County, respectfully sheweth:-

That they labor under inconvenience for want of a public road to begin at the Pennsylvania Depot in the Village of Karthaus and end at the town of Belford in said township, at a point near the

Belford Hotel Your petitioners would further represent that the present township road leading from the Pennsylvania Depot in the village of Karthaus and following the Susquehanna river to the town of Belford, by reason of the late floods has become burthensome and inconvenient to the inhabitants of said township, and can no longer be maintained as a public road without great expense & trouble, being damaged by reason of its location by the annual freshets in the river, and therefore burthensome and expensive.

Your petitioners, therefore, pray the Court to appoint viewers qualified, according to law to view the ground proposed for the said new road, and if they should see occasion to lay out the same, to inquire of and vacate the public road now opened from the Penna, Depot in Karthaus village to the town of Belford as above described, which road, by reason by reason of the laying out of the proposed road, will become useless; and to make report of their proceedings to the next term of Court.
