To the Honorable Court of Quarter Sessions,
Grand Jury and Commissioners of
Clearfield County

The undersigned petitioners
would respectfully represent:-

1st That a bridge is in course
of erection over Moskauon Creek on
Maple St. between the Boros of Philipsburg
and Chester Hill.

That under former action
of the Court and Grand Jury the Counties
furnish the Iron and the Boros build
the Stonework.

That the Cost of said Stone-
work will be
Dollars. and that the Boro. fund has
already a large indebtedness owing
to washing away of the Streets.

That the total valuation for
taxable purposes is only \$71,391 and that
the expense would be heavier than
the District could bear.

We therefore pray you to
grant to us such Appropriation
as will relieve us.
