COMMONWEALTH

versus

Morris Township

Contents:

In the Court of Quarter Sessions of Clearfield
County.

To the Hon. David L. Knab, Pres-
ident Judge of the said Court:

The petition of
The undersigned citizens of Morns Town-
ship, respectfully represents:

That a road has
long been laid out and used as a pub-
lic road leading from Morns Dale to
Morns Dale Mines. That a certain
portion thereof to wit: Beginning at a
certain point in said public road at
the beginning of the curve near the
house of R. Calhoun and from thence
to a point in said road at the end of
the curve in said road near the house
of Olaf Olson, is by reason of its many
conditions and also by being badly
drifted, of no use as a highway.

That the Supervisors contemplate mak-
ing this road a permanent highway
and that the character of the ground
of the portion described is such that
a permanent highway cannot
be made over it except at great
expense. That a large amount
of money must be spent to make
it passable this season.

That a good location can be ob-
tained by moving said road a short
distance, with the full approval

and connect of the road owner.
They therefore may give them
credit to assist them in their
to run said road and to make
to the propriety of vacating and
disposing the said road between
the parties within named.
And they will ever pray.
