To The Honorable David L. Krebs President Judge of The
Court of Quarter Sessions of Clearfield County Pa. We
The undersigned, viewers appointed by the within order
of Court to vacate and supply the road therein men-
tioned respectfully report that we gave good and lawful notice
of said road view and met agreeable thereto on Thursday
the twenty seventh day of July A.D. 1893 and having been
severally sworn or affirmed we have viewed the grounds
proposed to be vacated and supplied and are of opinion
that owing to the dangerous condition, and cost to keep in
repair the present road should be vacated and a new one
made and we have therefore laid out the following road to wit: Begin-
ning at a point $1\frac{44}{100}$ pch N. of small bridge (being on road from Catholic Church
to Schuarr's bridge) thence through unimproved land of Karthaus Estate South nine
and one half degrees East six and three tenth perches to post thence South twenty
eight degrees East eleven and four tenth perches to post thence South twenty
four degrees East five and nine tenth perches to white pine sapling thence South
fifteen and one half degrees East four and two tenth perches to a Birch thence
South forty four degrees East seventeen and two tenth perches to birch sapling
thence South fifty three and one half degrees East six and nine tenth
perches to a white pine sapling thence South fifty two degrees
twenty five minutes East seventeen and five tenth perches to a
post thence South thirty seven degrees thirty five minutes East
eleven and six tenth perches to a post in Market Street extended
in Village of Karthaus thence by centre of said Street extended
North eighty one degrees East twenty nine and four tenth
perches to point opposite Catholic church which road is necessary
in our opinion for a public road. The following road beginning at
point opposite said Catholic church thence North forty seven degrees
five minutes West twenty four and six tenth perches South seventy
seven degrees five minutes West twenty six and two tenth perches
North eighty three degrees fifty minutes West fifteen and nine tenth per-
ches North seventy one and one half degrees West nineteen perches
North forty four and one fourth degrees West ten and nine tenth perches
North thirty degrees forty minutes West twenty one and one tenth perches
North sixteen degrees forty five minutes West six perches to said
point $1\frac{44}{100}$ pch N. of bridge being part of road from Morgento creek
bridge to Schuarr's Mill has become useless in convey-
ance we believe no owner of land is entitled to damages by reason of vacating and opening said road
and should therefore be vacated. A plot or draft
showing roads as above described and set forth is hereto annexed
showing courses distances and improvements. Witness
our hands this twenty seventh day of July A.D. 1893.
