To the Honorable, David L. Krebs, President Judge of the Court of
Quarter Sessions of Clearfield county.

The petition of the undersigned, inhabitants of the townships of
Goshen, Girard, Covington and Karthus respectfully represent that the
erection of a bridge across the Susquehanna river at a point known as
Reed's fording is greatly needed for the accommodation of the citizens
living in the above named townships at the Public road leading from
Reed's fording to West Clearfield is in bad condition, that a great por-
tion of it has been washed away and in the Spring and Fall of the year
is closed by high water and ~~intravelable~~ ^{unpassable} that there is a large amount
of travel over this road which is greatly inconvenienced for want of
better facilities in getting to the County seat. We further represent
that a bridge at the point above named would shorten the distance more
than a mile from Reed's fording to Clearfield town and give to your
petitioners a good road to travel on. We therefore pray your Honorable
court to grant the prayer of the citizens of Lawrence township for the
erection of a bridge at the point above named.

And we will ever pray &c-.

We, the undersigned, citizens of Clearfield County, residing in Lawrence, Goshen, Girard, Covington and Karthaus townships, agree to pay the amount set opposite our name to be used in the erection of a bridge over the Susquehanna river at Reed's fording in Lawrence township, said amount to be paid to County Commissioners when contract for same is let.

~~Robert Stewart~~

To the Honorable, David L. Krebs, President Judge of the court of the
Quarter Sessions of Clearfield county.

The petition of the undersigned, inhabitants of the township of
Lawrence in said county respectfully sheweth that a bridge is much
wanted over the Susquehanna river at a point known as Reed's fording
where the Public highway, leading from the Clearfield and Karthus road
to the Philipsburg and Clearfield road crosses the said stream in the
township aforesaid, and that the expense of erecting said bridge would
be too burdensome upon the inhabitants of said township. Your petition-
ers therefore pray your Honor to appoint proper persons to view the
premises and to take such order on the subject as is required and di-
rected by law.

And they will ever pray &c-.
