PETITION.

To the Honorable Cyrus Gordon, President Judge of the Court of Quarter Sessions of Clearfield County:-

The petition of the undersigned inhabitants of the Township of Greenwood, respectfully represent:

That a road has long since been laid out from D.L. Johnsons house to Bell's Mill in said Township, a portion of said road, namely, from D.L. Johnsons to the east line of McFaddens property was vacated at December Term 1893.

Your petitioners therefore pray the Court to vacate that portion of said road leading from the east line of McFaddens property, to the west line of said property, or point where the Beech Creek Rail Road and public road diverge at or near McFadden's Store.

As your petitioners conceive, the same has now become useless, inconvenient and burdensome. Your petitioners therefore pray the Court that said road may be vacated agreeably by the Act of Assembly, made and provided.

And they will ever pray.

To The Honorable The Judges of The
Court of Quarter Sessions of Clearfield
County Pennsylvania, we the undersigned
viewers appointed by the within order
of court to view and vacate the road
herein mentioned, respectfully report
that we gave good and lawful notice
of said roadview and met agreeable
thereto on the thirtieth day of April A.D.
1894 the undersigned being present and
having been severally sworn or af-
firmed we have viewed the road pro-
posed to be vacated, viz: beginning at
East line of McFadden's property thence
through woodland of said William Mc-
fadden and Beech creek right of way
South thirty and one half degrees West
six hundred seventy feet thence
South twenty three and one fourth
degrees West eight hundred forty-five
feet to front one hundred feet from
said McFadden's crossing where
Beech creek Railroad and public road
diverge a plot or draft of which road
as hereinbefore described is hereto-
unto annexed showing courses distances
and improvements, which road,
since it ends at McFadden's East

line the very limited amount of travel thereon, and the great danger to travelers from Railroad trains on one side and steep river bank on the other, together with the fact that the aforesaid Wm McFadden will, if vacation is made, still have a public road leading onto his property we are of opinion makes the road useless inconvenient and burdensome and it should therefore be vacated Witness our hands this thirtieth day of April A.D 1894

NOTE.—In case of a private road, the release must be executed in favor of the petitioner for said road.
Also—Viewers will carefully note the number of days employed, and set the amount out at the foot of their return. Reviewers cannot interfere with damages assessed by the original viewers, except so far as the location may be changed by the reviewers.
N. B.—If the viewers believe the parties are not entitled to damages taking into consideration the advantages as well as the disadvantages of the road, they will report to that effect.
