In the Court of Quarter Sessions of Clearfield County, Pa.

To the Honorable Cyrus Gordon Judge of the Court of Quarter Sessions of the County of Clearfield:

The petition of the undersigned, inhabitants of the township of Goshen, in the County of Clearfield, Pa. respectfully represents:- That they labor under great inconvenience, for the want of a public road to begin at a point in Goshen Township, said county, on the township road leading from Clearfield to Karthaus, where said township road is intersected by John W. Nelson's private road, leading from his house east, and to end at a point on said Clearfield and Karthaus road at the stone bridge across said road on the R.A. Nelson farm in said township. The petitioners therefore pray the court to appoint three persons qualified according to law, to view the ground, proposed for such road, and if they see occasion to lay out the same, to inquire of and vacate the public road now in use between the said two points of the said proposed new road, and to vacate, also, that portion of the public road, between the said points of said proposed new road, heretofore laid out as a part of the said Clearfield and Karthaus road, and not opened, which said mentioned roads or parts of roads last mentioned will, by reason of the laying out of the proposed road, become useless; and make report of their proceedings to the next court.
