Beginning in public road
near Chesterfield Mill -
to Twp. Road from Madera
to Smoke Run (Village of
Bannion).

To the Honorable Cyrus Gordon, President Judge or the Court of Quarter Sessions of Clearfield County: -

The petition of the undersigned residents of the Township of Bigler, Clearfield County, Pennsylvania, respectfully represents:

That at February ~~1880~~ ^{Second} of your honorable Court the report of Viewers appointed by the Court to view and lay out a public road beginning at a stake at Samuel Bodle's restaurant at Chesterfield in the Township aforesaid and leaving to a point near Beyer & Kirk's saw mill on public road leading from Madera to Smoke Run, was confirmed absolutely by your honorable court, and an opening order therefor was placed in the hands of the Supervisors of Bigler Township;

That the petition, notice of view, and meeting of Viewers, was known to a very small portion of the inhabitants of Bigler Township;

That the road as reported will be very expensive to build and will necessitate an outlay estimated at about four thousand (\$4000.00) dollars;

That said road as laid out crosses Muddy Run and Bannian Run, thereby making it necessary to construct two expensive bridges in the opening of said road; It will also be necessary in order to open said road to build at least nine culverts, and the road as laid out is of the length of about two and five-sixths miles, and the route is located in such a manner as to render it unnecessarily expensive and burdensome to taxpayers;

That there are no funds in the hands of the Treasurer of Bigler Township to build said road; and that if a public road is necessary for the accommodation of the public passing to and from Chesterfield, a much cheaper and fully as convenient an outlet can be obtained by a public road leading from Bodle's restaurant at Chesterfield to Smoke Run.

Your petitioners further represent that the proceedings in this case are fatally defective and must be set aside, for the reason that although the report of the

Viewers as set forthin the draft attached to said report shows that the road crosses the tracks of the Pennsylvania Railroad Company, notice was not given to the said Railroad Company in the manner and form required by the Act of Assembly.

Your petitioners further represent that said proceedings are defective for the reason that the termini of the said road are not definitely set forth in the petition or in the report of the Viewers.

Your petitioners therefore pray your Honorable Court that the Decree of the Court confirming said proceedings absolutely may be set aside, and they will ever pray.

To the Honorable the Judge of the Court of Quarter Sessions
in and for the County of Clearfield.

The petition of the undersigned, inhabitants of the county of Clearfield, respectfully sheweth:

That your petitioners labor under great inconvenience for want of a public road or highway, in the Township of Bigler, to begin at a point on the public road at or near the building known as the Chesterfield hotel or restaurant, in the village of Chesterfield, in the township of Bigler, and extending thus to a point intersecting the public road running from Smokerun to Madera at or near the village of Banian, in the township of Bigler.

Your petitioners therefore pray the court to appoint proper persons to view and lay out the same, according to law; and they will ever pray &c.

Rule to Strike Off Confirmation Absolute of Road.

OPINION and DECREE.

The confirmation absolute is sought to be set aside for irregularities appearing upon the face of the proceedings, the principal one being that the termini are not fixed. The law requires that they be fixed with such degree of certainty that a Supervisor armed with an opening order may, with accuracy, locate and open the road upon the ground selected by the Viewers. This must be judged of by an inspection of the Viewers Report, including the draft attached which is considered a part of it. It must show some fixed monument - natural, constructed or adopted - upon the ground, at at least one of the termini or some intermediate point, from which by running the line by its courses and distances the route can with accuracy and certainty be located. Judged by this rule the Report in question is deficient. There is nothing in Report or draft showing the location of either terminus or a single fixed point upon the entire route. There isn't even a post or stake called for at any point. The place of beginning is "a point on the public road at or near the Chesterfield Hotel or restaurant in Bigler Township". (a) The name of the public road is not

given. (b) It is not even marked or indicated upon the draft. (c) There is nothing to indicate how far or what direction the point is from the Chesterfield Hotel. (d) No marks are indicated as made upon the ground showing the location of the starting point, and no Supervisor could possibly tell from the Report where it is. The last course and ending of the road are "thence by street in the village of Bannion North 74 degrees East 8.6 rods to the Township road leading from Madera to Smoke Run in Bigler Township." (a) The point in the road is not given. (b) No improvements are indicated. (c) The "street in the village of Bannion" is not shown upon the draft and there is nothing to indicate where it is struck or how much of it is appropriated for the new road. (d) There is nothing on the face of the Report and draft to indicate to the Court that it is possible for a Supervisor to locate it. Neither, as before intimated, are any of the intermediate points fixed. Being of opinion this objection is fatal to the proceeding, it is unnecessary to pass upon the other alleged irregularities to which exception was taken.

To the objection that the Court has no jurisdiction to grant the relief prayed for, because the term of Court at which the decree of confirmation was made had terminated before the petition was presented, we hold it is not well taken because the irregularities complained of are fatal and are apparent on the face of the proceedings. And as to the allegation of alterations in the petition for Rule being

(3)

made after it was signed and sworn to and before presentation to Court, if reliance was to be placed thereon, the facts should have been established by testimony. There is nothing on the face of the petition sufficient to ~~cast~~ such suspicion upon it as to call for explanation from the petitioners in the first instance.

It is therefore ordered, adjudged and decreed, this 24th July 1897, that the Rule be made absolute, the confirmation absolute of 8th February 1897 stricken off and the exceptions to the Report of Viewers sustained. Bill sealed to petitioners for road.

By the Court,

Cyrus Gordon

To the Honorable Cyrus Gordon, President Judge of the Court of Quarter Sessions of the County of Clearfield, Pa.

We, the viewers named in the annexed order for the purposes therein stated, respectfully report, That having given personal notice to the owners of the land over which the route of the proposed road would go, and having due and legal notice by hand bills as required by law and the Rules of Court, and having given notice to the Commissioners of the County of Clearfield, of the time and place of meeting of said viewers for the purposes of said appointment, said viewers did meet at the time and place mentioned in said notices, and all of said viewers, to wit, J.L. Lightner, James Mullin and Jacob Copenhaver, being present, and first being severally sworn according to law, viewed the ground for the proposed road, and all of said viewers concurring, did layout and now return the same for a public road, the same being described as follows, to wit, beginning at a point on the public road at or near the Chesterfield hotel or restaurant in Bigler township, Clearfield County, Pa., thence by land of Clearfield Creek Coal Company north 61° east 116 rods to land of J. Dyer (wild unimproved land) north 61° east 131 rods, thence south 83° east 13.8 rods, thence north 84° and $1/2$ east 23.4 rods, thence north 71° east 10 rods, thence north 54° and $1/2$ east 22 rods, thence north 69° east 57.6 rods, thence north 55° east 10.3 rods, thence north 39° and $1/2$ east 14 rods, thence north 26° east 20 rods, thence north 19° east 13.2 rods, thence north 14° and $1/2$ east 26 rods, thence north 19° east 8 rods, thence north 16° west 16 rods, thence north 56° east 25.6 rods, thence north 23° and $1/2$ east 11 rods, thence north 15° and $1/2$ east 10.4, thence by wild unimproved land of William Kramer north 27° east 19 rods, thence north 40° east 50 rods, thence north 56° east 35.7 rods, thence north 50° east 46.9 rods, thence north 60° east 30.3 rods, thence north 65° east 15.8 rods, thence north 59° and $1/2$ east 22 rods, thence by land of Robert Whiteside Estate (unimproved)

north 14.5 rods, thence north 67° east 52 rods, thence north 47° east 15 rods, thence south 46° east 18.7 rods, thence due east by land of John Beyer (partly improved) 53.7 rods, thence by street in the village of Banian north 74° east 8.6 rods to the township road leading from Madera to Smoke Run in Bigler township, Clearfield County, Pa. The total length of said road being 911 rods and at an average water grade for the entire length, and said road being necessary for public use. And the viewers would further report that an effort was made to have the owners of the land over which the route of said road runs to release their damages which would result to them by reason of the opening of said road, and upon the refusal of said persons to release their damages the viewers, after considering the advantages and disadvantages of said owners by reason of the opening of said road have, after notice to said owners of time and place of said meeting, assessed the damages to said owners as hereinbefore set forth.
