Public Bridge

Versus

Laurence Turp.

Contents:

To the Honorable Cyrus Gordon Judge of the Court of
Quarter Sessions of Clearfield County

The petition of the undersigned citizens of Lawrence
and Clearfield Boro
Township respectfully represents that the erection of a bridge
across the Susquehanna river at a point known as Read's ford
ing one mile Northeast of Clearfield is greatly needed for th
acommodation of the citizens living in Lawrence Goshen Coving
Lynd
ton and Karthaus Townships .- That the road over which the
citizens of above named townships have to travel to reach the
Borough of Clearfield is in a bad condition from the point
where tthe sqid bridge is wanted to the second street Bridge
That agreat portion of it has been washed away and tñn the
Spring and Fall is rendered impassable on account of the
high water and ice .- That there is a large amount of travel
over thss raad which is greatly inconvenienced for want of
better facilities in getting to the County seat .- That a brid
ge at the point above named would shorten the distance more
than a mile besides givingthem a good and safe road to travel
over

We therefore pray your Honorable Court to grant the praye
of the said petitioners for the erection of a bridge at the
point above named

And they will ever pray &c
