TO THE HONORABLE, THE COURT OF QUARTER SESSIONS of Clearfield County:

The undersigned viewers, appointed by the ~~Court~~ as herein stated, respectfully report that they gave public notice of the time and place of meeting by papers conspicuously posted, and in accordance therewith met in the public road near the first branch West of the Tyler brick house, in Huston Township, on Aug. 10, 1896, and having been duly sworn according to law, proceeded to view the proposed route, and find that in connection with the road to be laid in Elk County the proposed road is needed for a public road, and will be very useful to Huston Twp. The only seated property interfered with is that controlled by Jas. A. Tyler, who assisted in the work, and signed release of damages. They laid out the road as follows: Beginning in the public road 140 feet West of said stream. Thence N. 11° W. passing through a field 18 perches to a stake with a Pin Oak pointer 25 feet left. Thence N. 28 1/4° W. ~~14~~<sup>18</sup> perches to a stake. Thence N. 40° W. 28 7/10 perches, crossing the branch to a stake with a stump pointer. Thence N. 25 1/2° W. 14 perches to a stake with a yellow birch pointer at the right. Thence N. 32° W. 18 3/10 perches to a stake. Thence N. 21° W. 13 6/10 perches to a stake with a Sugar pointer at the right. Thence N. 31° W. 10 7/10 perches, crossing the branch to a stake with a Birch pointer 24 feet to the left. Thence N. 21° W. 29 6/10 perches to a stake with Sugar pointer close at the right. Thence N. 7° W. 12 perches to a stake after crossing the creek. Thence N. 33° W. crossing the creek at 2 perches, 40 8/10 perches to a stake near a notable Birch in an old East and West line, said stake set at the end of the survey of the Elk County part of the road.

We recommend the laying of a road thirty-three feet wide: See plat attached hereto.

Respectfully,

L. Birney  
Daniel McLaughlin  
J C Reichen Viewers.

NOTE:—In case of a private road, the release must be executed in favor of the petitioner for said road.  
Also—Viewers will carefully note the number of days employed, and set the amount out at the foot of their return. Reviewers cannot interfere with damages assessed by the original viewers, except so far as the location may be changed by the reviewers.  
N. B.—If the viewers believe the parties are not entitled to damages, taking into consideration the advantages as well as the disadvantages of the road, they will report to that effect.
