Beccaria Township

To the Honorable Cyrus Gordon, President Judge of the said Court:-

The petition of George H. Dillen, of the Township of Beccaria in said County, respectfully represents:-

That he is the owner and occupant of a certain tract of land situate in said township of Beccaria, on Turner Run, above Coalport, upon which land your petitioner has his dwelling house.

That he has no outlet, and labors under great inconvenience for want of a private road to lead from his dwelling house, on said land to the public road leading from Coalport to Utahville, at a gate at the intersection of the said public road with a timber road, about eighty rods, more or less, above the mouth of Turner Run.

That all the land not owned by your petitioner through which the road would likely run is owned by John B. Dillen

Your petitioner would therefore pray the Court to appoint proper persons to view the said proposed road and to make report to the Court, according to law, and he will ever pray &c
