To the Honorable Cyrus Gordon, Judge of the Court of Common Pleas
of Clearfield County, 46th Judicial District.

The petition of the undersigned, inhabitants of the township of
Chest, in the said County, respectfully sheweth, that a bridge is
much wanted over Chest Creek ^{in Chest township} at, or near the fording, commonly called
J N Dunbars fording branching off the road leading from "Five Points"
to Westover, and to connect the said road with an old township road
leading from James Currys on the West side of Chest Creek to the town
of Welshdale, ^{and that the erection of said bridge would be attended}
Your petitioners therefore pray your Honor to appoint
^{with more expense than it is reasonable said township should bear}
proper persons to view the premises and to take such order on the sub
ject as is required and directed by law. And they will ever pray, &c.
