Conf. Dec. 24, 1898.

33  - 16  E R

Beginning at a point in the public
road running from Cooper Settlement
to Kylertown 66' S.E. of the house
of Francis Jenny to a point on
line of lands of A.W. Raymond and
Catherine Geist.

The undersigned citizens of Decatur township respectfully pray the Court to appoint viewers to view and vacate a certain piece of road in Decatur township aforesaid being the road leading from the road from Blue Ball to Phillipsburg at a point at or near John W. Runk's place leading to Decatur grist-mill. Your petitioners represent that said road was used only for the purpose of reaching said grist-mill and that now that said grist-mill has been removed from said place where formerly located there is no further use for said road and that the maintenance of said road involves considerable expense upon the tax payers of said township without any corresponding benefit. Wherefore, they respectfully pray for the vacation of the same.
