IT IS ORDERED, ADJUDGED AND DECREED as follows:

1. A portion of the aofrementioned profit-sharing plan is marital property subject to distribution by this Court.

2. The sum of $24,730.72 from this account, plus actual interest earned on this sum from December 31, 1991, to the date that the retirement benefits is in pay status, is awarded to the Alternate Payee, Ruth M. Flanders, and is to be segregated to an account in her name. Participant, Kenneth E. Flanders, is awarded the remainder, plus interest earned on the remainder.

3. The term of said payments is for the life of the Alternate Payee, a number of years certain, or a lump sum payment, the term to be selected by the Alternate Payee from any payment option available to her from Rescar Incorporated at the time the retirement benefits is in pay status. Payments are to commence at the retirement date chosen by the Alternate Payee but in no event earlier than the earliest retirement date provided under the Plan or authorized by law.

4. Because the Plan provides the option to the Participant to elect to obtain benefits at the earliest retirement age, the benefits shall be payable to the Alternate Payee on or after the date on which the Participant attains (or would have attained) earliest retirement age, as if the Participant had retired on that date even if the Participant has not actually retired or separated from service.

5. The Plan to which this Order applies is the Rescar Incorporated Profit Sharing Plan or any successor plan.

6. The Alternate Payee, Ruth M. Flanders, shall have the same rights with regard to her portion of the account as are available to the Participant, Kenneth E. Flanders, with regard to his remaining portion of the account. These rights include but are not limited to the right to elect from existing retirement dates and payment options, and the right to such an increase in value in the account as might occur as a result of general upgrading of the Plan, Plan amendments, earned interest, profitability of Plan investments, etc. but not from increases in value which result from future increases in the Participant's compensation or his future contributions to the Plan. In no event shall the Alternate Payee have greater rights than those which are available to the Participant. The Alternate Payee is not entitled to any benefits not otherwise provided under the Plan.

7. In the event that actual compensation is necessary to determine "acturial equivalents" and/or the difference between benefits actuarially accrued, non-subsidized benefits, or employer subsidized benefits, for the purpose of the earliest retirement age option by the Alternate Payee, or otherwise, the Plan Administrator shall obtain the services of any actuary who is enrolled under subtitle C of Title III of the Employment Retirement Security Act of 1974.

8. Any reasonable costs incurred by the Plan Administrator to effectuate the terms and provisions of this Qualified Domestic Relations Order shall be assessed against the parties such that the Alternate Payee pays 50% of the costs and the Participant pays 50% of the costs.

9. The Alternate Payee, RUTH M. FLANDERS, shall have the right to roll over the benefits distributed to her pursuant to the terms and provisions of this Order to an eligible retirement plan such as an Individual Retirement Account or to an Individual Retirement Annuity. This transfer will be considered a tax-free rollover of the benefits distributed provided that the balance to the credit of the Alternate Payee is distributed or paid within one (1) year of receipt.

10. The parties shall promptly notify Rescar Incorporated Plan Administrator of any change in their addresses from those set forth above in this Order.

11. The parties shall promptly submit this Order to the Rescar Incorporated Plan Administrator for determiniation of its status as a Qualified Domestic Relations Order.

IT IS INTENDED that this Order shall qualify as Qualified Domestic Relations Order under the Retirement Equity Act of 1984.
