tion of divers inhabitans of the township Greenwood in the said county
of Clearfield setting forth that an iron bridge is much needed over

being respectively sworn or affirmed to perform their duties impar-

and that the erection of said bridge would require more expense than it
would be reasonable the said township should bear, they are to make re-
port accordingly, and a map or plot to be made, which shall accompany
said report; the report aforesaid to be made at the next court of Quar-

By the Court
Cyrus Gordon
P.L.

To the Honorable Cyrus Gordon Presidt
Judge Of the Court of Quarter Sessions
of Clermont Co Pa

The Petition of the undersigned
Citizens of Greenwood Twp said County
respectfully represent:

That a Iron Bridge is
much needed over Cuyahoga River
in said Township, ~~in Greenfield Township~~ at a point where
the Public Road leading from
Clymer to Mahaffey, via Burrs Landing
crosses said stream. That the driving
of logs &c on said stream makes it nec-
essary that a structure of a more sub-
stantial character than wood be built
and that the expense of building such
a bridge would be ~~too~~ burdensome
upon the inhabitants of said Township
and more than it is reasonable they
should bear.

Your petitioners therefore pray your Honor
to appoint proper persons to view
the place proposed for said bridge
and inquire whether such bridge
is necessary as aforesaid and make
report at next Term of Court
and they will then pray &c
