The Plaintiff shall have an additional 10 days to respond to any memorandum filed by Defendant. BY THE COURT: s/ John K. Reilly, Jr., P. Judge OCTOBER 7, 1993, OPINION AND ORDER, filed. No Copies Certified. Defendant above has filed Preliminary Objections to Plaintiff's Amended Complaint claiming improper venue. The same issue was raised previously by Defendant to the initial Complaint at which time this Court, by Opinion and Order, directed Plaintiff to amend said original Complaint to clarify the amount of work done under the contract which forms the basis of this action. Plaintiff complied with this Court's Order and on May 25, 1993, filed its Amended Complaint. Defendant has again filed Preliminary Objections raising the issue of venue and claiming that the matter should properly be heard in Washington County where Defendant has its offices. In the Amended Complaint, Plaintiff alleges in paragraph 6 "that the Plaintiff discharged all of its duties and obligations under the contract so that the contract was fully performed by the Plaintiff." Defendant objects on the basis that there is no allegation that the work done under the contract was performed in Clearfield County. However, this Court is satisfied that, reading the Complaint together with the attached exhibits, there is sufficient therein to form an allegation that the work was in fact performed in Clearfield County and that avenue properly lies here. WHEREFORE, the Court enters the following: ORDER: NOW, this 6th day of October, 1993, upon consideration of Preliminary Objections to Plaintiff's Amended Complaint and briefs thereon, it si the ORDER of this Court that said Objections be and are hereby dismissed.
