Sess. 1900.)

To the Honorable Judge of said Court.)

We the undersigned citizens of Boggs Township respectfully

state against the confirmation of a public road laid out in

said Township, beginning at a point on the Spring Valley road at

Long Run Bridge and ending at or near the Thos. Ebers State, for

the following reasons:

1st, There are already sufficient roads between the two points

called for in the petition to accomodate the travelling public.)

2d, Because the road as called for in the petition will only

accomodate one family.)

3d, Because the said road would be expensive to build and is not

necessary to accomodate the travelling public.)

4th, Because the citizens of Boggs Township are not asking for

said road

5th, Because if said road is necessary between the points called

for, it can be constructed on a shorter route and with less

expense to the Township than called for in the petition in this case
