To the Honorable, the Judge within named: We the undersigned, appointed by the annexed order do report; That in pursuance thereof, after having been severally duly sworn according to law. All the viewers, appointed by said order, viewed the ground proposed for the within mentioned road, and we do agree that there is occasion for a road as desired by the petitioners, and that the same is necessary for a public road. And having had respect to the shortest distance and the best ground for such, we have laid out in such manner as shall, in our opinion, do the least injury to private property, and as far as practicable agreeably to the desire of the petitioners, and do return for public use the following described road to wit:—Beginning at a point on Sabula road and known as the "Boat Jack" thence S. 16 1/2° W. in road now laid out on lands of John Vancise, 528 ft. thence still on lands of said Vancise, S. 23 1/4° W. 418 ft. to a point in the line between lands of said Vancise and James Cunningham. thence N. 89 1/2° E., on the line between lands of said Vancise, James Cunningham and Joseph LaRock, and partly on lands of Wm. H. Brown, 1984 ft. to a point in the public road leading from the "Boat Jack" to Honey Camp.

We further report that there are no damages accruing to any of the owners of the land over which said road passes, by reason of the opening of the same, except as to Wm. H. Brown, and therefore, having taken into consideration the advantages as well as the disadvantages to be derived to the said Wm. H. Brown, from the road passing through his land, we have assessed the damages sustained by the said Wm. H. Brown, at the sum of fifteen dollars, as hereinafter stated. That we have enquired and do vacate the following described public road to wit:—Beginning at a point in the public road leading to Sabula (also the beginning point of the first mentioned road), thence S. 80 1/2° E. 390 ft., thence S. 58 1/4° E. 213 ft., thence S. 39 1/4° E. 270 ft., thence S. 49 1/2° E. 444 ft., thence S. 73 1/2° E. 377 ft., thence S. 83 1/2° E. 414 ft. thence S. 49° E. 181 ft. to a point where the above described road ends.

That before the said view, public notice of the time and place of the meeting of the viewers was given by advertisements put up at three of the most public places in the vicinity, that notice was given the County Commissioners by mailing a notice to them, that personal notice was given to the Supervisors of Union township, as well as on all the owners of the land over which said road passes, and the road to be vacated—ten days before said view. And we annex a plot or draft of said road laid out, stating the courses and distances, and noticing briefly the improvements through which the same passes, and also a description and draft of the road vacated.

Witness our hands this 13th. day of November A.D. 1900.
