Public Bridge

~~versus~~ in

Pike Township

X

In the Court of Quarter Sessions of Clearfield County Pa.

The petition of the undersigned inhabitants of said County respectfully represents.

That a public bridge is greatly needed for the accommodation of the travelling public across the Susquehanna River at a point in Pike Township, near the residence of "Nace" Farwell on lands owned by L. M. Farwell.

That the construction of said bridge will avoid the necessity for driving the dangerous road known as "The Narrows" and will be of great advantage to the public.

That petitioners believe that the road to be of such public advantage that said bridge should be built entirely by the County of Clearfield.

They therefore pray that orders be appointed and subsequent proceedings had, in accordance with the act of Assembly in such case made and provided.

And they will ever pray &c
