and accepted service of the complaint. Furthermore, the executor of the estate signed a waiver indicating that the estate would not be filing an answer to the complaint and that it waived the ten-day notice of intent to take default judgment. Said acceptance of service, consent to substitution and waiver of the ten-day notice is attached to the aforementioned affidavit of service filed of record on June 15, 1995. Defendants A. R. Van Tassel and his successors in title, being all the property owners who own property along a portion of Hillcrest Avenue, Walnut Avenue, Chestnut Avenue, Maple Avenue, Tenth Street, Ninth Street, Eighth Street, Seventh Street, Sixth Street, Fifth Street, Fourth Street, Third Street, Clark Street and Park Avenue as designated on the Map of Du Bois, A. R. Van Tassel's Addition dated 1892 recorded in the Office of the Recorder of Deeds of Clearfield County, Penna., on April 8, 1903, in Miscellaneous Book T at page 350, or any addition thereto, subsequently proved to be of record in the Office of the Recorder of Deeds of Clearfield County, have been served by publication and no answer has been filed by said Defendants. Therefore, the Court, upon motion of George P. Smeal, Esquire, attorney for Plaintiff, hereby orders that title to said premises is in the Plaintiff and that it be allowed to enjoy said property in peace. Said property is situate in the City of Du Bois and Sandy Township, Clearfield County, Penna. Said premises are more fully described as follows:

An unopened or "paper" alley 16 feet width and 516 feet in length running parallel to Walnut Avenue between Seventh Street and Sixth Street and contiguous to the southern boundaries of Lots 462 and 471 of the A. R. Van Tassel Plan of Lots, and more particularly bounded and described as follows:

BEGINNING at a point, said point being the Southwest corner of Lot No. 462 as designated on the A. R. Van Tassel Plan of Lots, said point also being at the intersection of the northerly line of a 16-foot alley and the easterly line of Sixth Street; thence along the northerly line of said alley South 79 degrees 45 minutes East 516 feet to a point, said point being southeast corner of Lot No. 471 in the A. R. Van Tassel Plan of Lots; thence South 10 degrees 15 minutes West 16 feet along the westerly line of Seventh Street to a point on the southerly line of northeast corner of Lot No. 552 as designated on an unrecorded DuBois City Tax Assessment Map also referencing the lots of the A. R. Van Tassel Addition; thence along the southerly line of the alley North 79 degrees 45 minutes West 516 feet to a point on the easterly line of Sixth Street, said point being the northwest corner of Lot No. 561 as designated on the City of Du Bois Tax Assessment Map; thence along the easterly line of Sixth Street North 10 degrees 15 minutes East 16 feet to a point and place of beginning.

On the portion of the A. R. Van Tassel Plan of Lots where no lots are designated by number, there is a reference to a "paper" alley 16 feet in width running in a southerly direction and being a continuation of the alley running between Lots 466 and 467. On the unrecorded tax assessment map of the City of Du Bois, this alley runs between Lots 556 and 557 for 150 feet and intersects with Hillcrest Avenue. This alley is more particularly bounded and described as follows:

BEGINNING at a point, said point being the northeast corner of Lot No. 557 as designated on the unrecorded City of Du Bois Tax Assessment Map and purporting to be part of the A. R. Van Tassel Addition; thence South 10 degrees 15 minutes West 150 feet along the western line of a 16-foot alley to a point, said point also being at the intersection of the westerly line of the 16-foot alley and the northerly line of Hillcrest Avenue; thence South 79 degrees 45 minutes East 16 feet along the northern line of Hillcrest Avenue to a point, said point being the southwest corner of Lot No. 556 as designated on the unrecorded tax assessment map of the City of DuBois, and said point being at the intersection of the easterly line of the 16-foot alley and Hillcrest Avenue; thence North 10 degrees 15 minutes East 150 feet to a point; said point being at the northwest corner of Lot No. 556; thence North 79 degrees 45 minutes West 16 feet to a point and place of beginning.

That on the Unrecorded Tax Assessment Map of the City of DuBois there is a reference to a "paper" alley 16 feet in width running between Lots 636 and 637 for 150 feet. This alley is more particularly bounded and described as follows:

BEGINNING at a point, said point being the northeast corner of Lot No. 636 as designated on the Unrecorded City of Du Bois Tax Assessment Map and purporting to be part of the A. R. 		NOV. 14, 1995, AFFIDAVIT, filed. NO C/C I, JOHN A. STULTZ, am the Executive Director of the Pennsylvania Independent Automobile Dealers Assoc. who maintains a principal office address at 2522 N. 2nd St., Harrisburg, Pa. 17110. As a representative of the Pa. Independent Auto. Dealers Assoc., it is my job to review contracts and warranty provisions used throughout the Comm. of Pa. I have reviewed a copy of the Sabula Auto Center Agreement used in the sale of a 1987 Dodge motor vehicle to Amy Hollopeter and wish to report the following facts to the Court: a) The Sales Agreement used by Sabula Auto Sales in this transaction is the standard form used throughout the Comm. of Pa. In fact, it is more detailed and complete than many which are used and have been widely accepted. b) The listing of the selling price as \$5,633.00 with the special notation that discloses the inclusion of a Penn WARRANTY INDICATE THE CUSTOMER is the beneficiary of a warranty at no additional cost. The inclusion of a warranty is a very common practice throughout the industry, and is almost always presented in one single selling price. It would be comparable to putting four new tires on a car which adds value to the vehicle, but is not listed separately in the selling price. c) I have reviewed all of the provisions of the contract and warranty and it is my opinion, as the Exec. Director of the Pa. Independent Auto. Dealers Assoc., that this transaction meets all of the industries standard practices. d) I submit this affidavit for consideration by the Court and in support of the Preliminary Objections filed by Sabula Auto Center. Should the Court determine that this contract does not limit implied warranties of merchantability and fitness for particular purposes, then I suggest every automobile contract in this state would similarly fail this Court's test. The Pennsylvania Independent Automobile Dealers Association works diligently to promote fair communication to the public and it is my belief that Sabula Auto Center has done so with this contract. s/JOHN A. STULTZ

FEB. 21, 1996, ORDER, filed. NO CERT COPIES

RE: RULE TO SHOW CAUSE WHY JUDGMENT SHOULD NOT BE ENTERED IN FAVOR OF RICHARD ELLIS WILKINSON

On February 7, 1996, Defendant Wilkinson filed a Motion for Rule to Show Cause why Judgment Should not be Entered upon Admission based upon Plaintiff's failure to answer the averments contained in Defendant's New Matter. The Court has recently received from counsel for Plaintiff a copy of Plaintiff's "Reply to Defendant Wilkinson's New Matter" which is dated February 9, 1996. Attached thereto is a Certificate of Service indicating that a true and correct copy was sent to all opposing counsel on February 7 (sic), 1996. In any event, the Court does not deem it appropriate to enter a judgment default with regard to the issue of the statute of limitations.

In response to its request for a status report from all counsel, the Court has been advised by Attorney Price that he is having continuing medical difficulties. The Court suggests to Attorney Price that he seriously consider whether his medical difficulties will prevent a prompt disposition of this litigation. If so, Attorney Price is encouraged to retain co-counsel because the Court has no intention of allowing this matter to drag on.

NOW, this 20th day of February, 1996, IT IS HEREBY ORDERED as follows:

1. Defendant Wilkinson's motion for judgment in his favor is dismissed.
2. The Court Administrator of Clearfield County is directed to schedule this matter for a pre-trial conference with the Court during the month of June, 1996. Pre-trial memoranda shall be submitted by all counsel at least seven (7) days prior to the pre-trial conference with the Court.

	JUL 10, 1996, PETITION FOR CIVIL COURT COMMITMENT UNDER SECTION 406 OF THE MENTAL HEALTH AND MENTAL RETARDATION ACT OF 1966, s/EDWARD PIONTEK	JUL 11, 1996, DECREE, filed. THREE (3) CERT TO ATTY MATTERN AND NOW, this 11th day of July, 1996, the Mental Health Review Officer's Report is acknowledged. We approve his recommendation. The Court finds that LEONARD HUMMEL is mentally retarded and, therefore, in need of residential placement for inpatient care and treatment at POLK CENTER. This is the least restrictive placement available and appropriate for this patient. The patient is, therefore, committed to the custody of the Commonwealth of Pennsylvania; and, the Court ORDERS and DECREES that LEONARD HUMMEL be and is hereby committed to POLK CENTER for residential care and treatment as a Mentally Retarded Person for a period of ONE (1) YEAR after which, if further commitment is desired, a subsequent Petition shall be filed and hearing held by J. Richard Mattern, II, MHO. These proceedings are pursuant to Section 406 of the Mental Health and Mental Retardation Act of 1966, the use of which was re-authorized by Order of the U.S. District Court for the Middle District of the State of Penna., said Order being dated October 28th, 1976, in the matter of Goldy vs Beal, 429 Fed. Supp. 460; Pa. Bulletin 2883, November 13, 1976.	
		It is the further ORDER of this Court that Clearfield County pay the fee of J. Richard Mattern II, Esquire, Mental Health Review Officer, and that the Clearfield Jefferson Community Mental Health Program reimburse Clearfield County to the extent permissible by their regulations. SEPTEMBER 18, 1995, STIPULATION, filed by John M. Ingros, Esquire. Six cert. copies to Atty. Ingros. CONSENT ORDER, filed.

AND NOW, September 18, 1995, upon consideration of the foregoing stipulation,

IT IS HEREBY ORDERED AND DECREED:

1. Plaintiff is directed to immediately remove any and all fencing, posts, barricades, obstacles and/or other impediments to vehicular and pedestrian traffic from the disputed area of land separating the rear of his property at 215 Wayne Road, Dubois, Pennsylvania from that of the Defendants at 215 1/2 Wayne Road, Dubois, Pennsylvania.

2. Plaintiff is directed to immediately remove any and all fencing, posts, barricades, obstacles and/or other impediments to vehicular and pedestrian traffic that presently line or are contained within the visible roadway that connects the Defendants' parcel to Wayne Road.

3. In order to protect Plaintiff's asserted interests in the disputed roadway property, he shall be permitted to erect a perimeter fence along said roadway provided, however, that the width of the roadway available for the Defendants' use shall not be less than twelve (12) feet at any point and that the width shall be extended a reasonable amount near the intersection between the subject access roadway and Wayne Road so as to allow for vehicular access to the property that is not made unreasonably difficult by a narrow entryway requiring complicated vehicular maneuvers to negotiate.

4. Plaintiff is directed to refrain from erecting any and all other fencing, posts, barricades, obstacles and/or impediments to vehicular and pedestrian traffic that are inconsistent with the language or intent of this Order at any location on, along or otherwise affecting the disputed access roadway or the area of land separating his land from the lands of the Defendants.

5. The area of land separating the parcels of the Plaintiff and the Defendants shall be available for vehicular parking in a manner and extent that is consistent with recent usage, as evidenced by visible markings left upon the ground surface by such recent use, but Defendants are directed to store their trash cans on areas of their land which are not currently in dispute. Guests of Defendants may park either in the aforesaid marked area before the residence or in Defendant's rear property, but access to the rear shall be gained only via the right side of the garage.

6. Defendants are directed to refrain from using or traversing lands of the Plaintiff, or lands whose ownership and/or usage rights are currently in dispute, at any and all locations not specifically made available to them for such use by this Order.

7. All parties are directed to refrain from annoying and harassing each other during the pendency of this action.

8. This Order shall remain in effect until final resolution of the legal issues raised by the pleadings to this term and number or until further notice by this Court.

9. Given the generalized area descriptions contained in this Order, the same made necessary by a lack of specific survey data covering only the actual areas in dispute, the plain language and clear intent of this Order shall be deemed controlling - the intent of this Order is to allow the Defendants free and unobstructed access to their property and structures erected thereupon while preventing undue intrusion onto and interference with the Plaintiff's property.

10. The parties have expressed to this Court that the physical locations and/or dimensions set forth herein, be they general or specific, are offered for the purpose of a temporary resolution to this matter based on economic feasibility. They understand that any locations set forth herein are not to be treated as admissions of where the physical boundaries of any of their interests actually are or should be. BY THE COURT, /s/ Fredric Ammerman, Presiding Judge.
