Public Road in

NO. 4 May Sessions, 1901.

Chest Township.

To the Honorable Cyrus Gordon, President Judge of said Court. The petition of "Clearfield and Cambria Coal and Coke Company", by their agent, Adam Breth, respectfully represents:- That on the 20th., day of February, A.D. 1901, the petition of I.N. Rainey and others, praying for the appointment of viewers to view and locate a public road or highway to lead from public road in Chest township, Clearfield county near Elizabeth Smeeds on the west side of Chest Creek and to connect public road near George Michaels' in Newburg Borough in said county was presented and that on the same day the court appointed J.S. McCreery, S.H. Witherow and Cortes Bell, viewers to view and make report of same to next court.

That on the 20th., day of April, 1901, said viewers filed their report in the office of the Prothonotary. That on the 13th., day of May 1901, said report was confirmed Ni., Si., by the Court and confirmed absolutely on the third day of September, 1901, and an opening order, directed to the supervisors of Chest township, was issued on the 11th., day of November, 1901, by virtue of which the said supervisors are now about to open said road. That said road passes through the seated lands of your petitioner for a distance of more than half a mile and that the opening and making of said road will be very injurious and damaging to said lands, and will cause the destruction of much timber growing thereon.

Your petitioner also represents that no notice of the time and place fixed for the assessment of damages was given to said Clearfield and Cambria Coal and Coke Company or to their agent, nor does it appear from their report that the viewers considered the question of damages at all so far as the lands of your petitioner are concerned, neither does the report show

when or on what date the view was made. Your petitioner further represents that no effort was ever made to obtain release of damages from your petitioner.

Wherefore, your petitioner showing that no notice of the time and place of making the view or of the assessment of damages was ever given to your petitioner and that no release of damages was ever obtained or asked for, prays the Court that the order of confirmation in this case be set aside, and a re-view directed, and that such other and further order as to the Court may seem meet and proper in this behalf be made. And he will ever pray &c.
