To the Honorable Cyrus Gordon. P.J.

Court of Quarter Session of Clearfield County.

We, the undersigned persons, appointed by the within order of the Court to re-view the road within-mentioned, and parts adjacent, and whose powers were enlarged and continued at the December term, 1902, would respectfully report;

That we have been present at the re-view of said road and parts adjacent and having all been first severally sworn or affirmed in persuance of the within order to perform our duties impartially and according to the best of our judgement, we have re-viewed the same and are of the opinion that there is not good and sufficient reason for such a road, and that the same is not necessary for a public road.

We believe, however, that there might be reason for a private road at this point should the citizens interested desire the same.

In witness whereof we have here unto set our hands and seals this 2nd day of February A.D.1903.
