To the Honorable Cyrus Gordon, President Judge of the Court of Quarter Sessions of Clearfield County :

The petition of the undersigned citizens and residents of the Township of Beccaria and vicinity, respectfully represents:

That a road hath lately been laid out by order of court, beginning at a point on Township Road in the Village of Smoke Run, Bigler Township, said County, and being corner of land of Pidgeon & Stewart and a small run, and ending in the Village of Windcrist, or Eureka No.22, at a place known as the Water Tank in Beccaria Township, aforesaid; which road if confirmed by the court will be very injurious to your petitioners, and burthensome to the inhabitants of the Township through which the same shall pass. Your petitioners therefore pray your Honors to appoint proper persons to review the said road and parts adjacent, and make report to the court, according to law; and they will ever pray.

Let's have a little
