Clearfield County, ss:

At a Court of Quarter Sessions of the Peace of the county of Clearfield, Pennsylvania, held at Clearfield, in and for said county on the

6th day of Sept., A. D.

1902, before Judge of said Court, upon a petition of sundry inhabitants of the township of Brady in said

County, setting forth that a Bridge is

necessary across East Branch in said Township, on the Public Road leading from Troutville to Newtonburg, the old bridge across said stream being substantially worn out.

That the cost of a New Bridge at said point would be in excess of what the Township of Brady is able to bear, and would be burdensome. They therefore pray that said bridge be made a County bridge, to be built and paid for by the County of Clearfield,

and therefore praying the Court to appoint proper persons to view and lay out the same according to law,

and Report to Sept ss 1903

whereupon the Court upon due consideration had of the premises, do order and appoint D. S. Moore

Leo B. Campbell and George Hall

who after being respectively sworn or affirmed to perform their duties impartially and to the best of their judgment, are to view the place proposed for the said bridge, and if they or any 2 of them, view the same, and any 2 of the actual viewers agree that there is occasion for such a bridge, and that the erecting of the said bridge would require more expense than it would be reasonable the said townships should bear, they are to make report accordingly;

and a map or plot thereof to be made, which shall accompany said report; the report aforesaid to be made to the next term of the Court of Quarter Sessions to be held for the said county of Clearfield.
