TO THE HONORABLE ALLISON O. SMITH, PRESIDENT JUDGE OF THE
COURT OF QUARTER SESSIONS OF CLEARFIELD COUNTY, PENNSYLVANIA.

We the undersigned viewers (L.Denning substituted for G.W.Bell) appointed to review on view previously made under order of Court by Messrs. Geo. C.Kirk, S.J.Kuntz and J.T.Hoover to vacate and supply public roads herein mentioned, respectfully report that we gave good and lawful notice of said review to the County Commissioners of Clearfield County, to the Supervisors of Bell Township, and notices were posted along route of said view all according to law.

On May 3rd. 1905 as per notices given, copies of which are herewith attached, your viewers met as appointed and all being present were severally affirmed and proceeded to receive testimony and to re-view to vacate and supply public roads herein mentioned.

Your viewers respectfully report that they carefully considered the testimony given in favor of and against the proposed change in roads also examined into the location and benefits of said roads.

Your viewers note that heavy damages were asked by the property holders should such changes be made and that it would be of considerable expense to construct said new road. There is also a public road running parallel to this proposed road and at a short distance therefrom. Your viewers found much opposition to making these changes from citizens interested. In the opinion of your viewers the proposed changes in said roads will cause a heavy expense on the township concerned without sufficient benefits.

Your viewers would therefore respectfully recommend that no change be made in these roads, that is no vacation and no supply.

A draft showing the location of these roads is attached herewith and made a part of this report.
