TO THE HONORABLE; THE JUDGE OF THE COURT OF QUARTER SESSIONS OF CLEARFIELD COUNTY; PENNSYLVANIA.

We the undersigned viewers appointed by the foregoing Order of Court to View, Vacate, and Supply for road therein described, Being duly affirmed do report that in pursuance of said appointment, after first having given due notice of the time and place of meeting as required by act of Assembly, we all met and viewed the original location of said road, and in our opinion no necessity exists for opening road on the old view as a good and acceptable road, hereinafter described; now and for many years has existed, taking the place without inconvenience or discomfort, of the original located road; We therefore would recommend the vacation of that part of the original road survey, as described in our instructions on first page of this report, on which no improvements now exist: Beginning at division line of farms of A.W.Walker and A.B.Owens, and continuing thence in a Southeasterly direction through farms of said A.B. Owens and J.P.Owens a distance of about 1800 feet to intersection with Public Road, adopted and now in use, at point on J.P.Owens' farm.

We further recommend in substitution for the original survey, that road improved and reported for the most part to have been in use for 23 years: Beginning at division line between A.W.Walker and A.B.Owen's properties and ending of Public Road now on original survey and leading through t h the A.W.Walker farm; thence through farm land of A.B.Owens S.32 degrees and 30 minutes W. 140 feet to intersect with division line between properties of A.B.Owens and Isaac Wolf, and J.P. Owens and Isaac Wolf S. 33 degrees and 40 minutes E. 1488.2 feet to junction with Calvin Snyders' private road; Thence through farmland of J.P.Owens N. 86 degrees and 30 minutes 385.4 feet to junction of this road in present use with the location of the road by the original survey as before said.

A plot or draft of which we hereunto annex.

In testimony whereof we hereunto set our hands this day of October A.D. 1903.
