TO THE HONORABLE ALLISON O. SMITH, PRESIDENT JUDGE OF THE  
COURT OF QUARTER SESSIONS OF CLEARFIELD COUNTY PENNSYLVANIA.

We the undersigned viewers appointed to review to vacate public road herein mentioned, respectfully report that we gave good and lawful notice of said review to the County Commissioners of Clearfield County, the Supervisors of Woodward Township and notices were posted, all according to law. The date for said review being first set for January 22, 1904, and on account of the weather and the impassable condition of the public roads, not permitting travel, said review was postponed to January 27, 1904, due notice of said postponement being given to all parties concerned, a copy of notice for said review being herewith attached.

On the said 27th day of January 1904, your viewers met as appointed and being severly sworn or affirmed proceeded to review said road, same, being shown on map herewith attached.

And we would further respectfully report that we find said road to be a "short cut" for travel of people of that neighborhood and especially in going to and from the County Seat, saving a distance of from one and one half to two miles travel by a more indirect route.

The length of this road for proposed vacation is about 4/5 of a mile. It is high on the hill and dry and approximately level. This piece of road is now in fair condition and can be kept so with little expense. It is free from snowdrifts in the winter time, while other courses of travel between its connecting points often become blockaded.

For the above reasons and that this road is a convenience to the traveling public, your viewers would respectfully recommend that it be not vacated.

Witness our hands this 29<sup>th</sup> day of January A.D. 1904.
