PETITION TO VACATE

TO THE HONORABLE JOHN K. REILLY, JR., PRESIDENT JUDGE OF SAID COURT:

The petition of the Supervisors of Bradford Township respectfully represents:

The petitioners seek to vacate 4/10 of a mile of Township Road No. T-613 extending from Township Route No. T-622 to Township Route No. T-603 in the Bishtown Section of Bradford Township, Clearfield County, Pennsylvania, under Section 1115 of the Second Class Township Road in 1933 as last amended by Act of June 1, 1956, appearing in Pamphlet Laws (1955) 2021, Section 16, Purdon's Statutes Title 53, Section 66115, upon the following facts:

FIRST: The sole property owners affected by such vacation are:

1. Geynet Lansberry and Grace M. Lansberry
2. Richard L. Fink
3. Butch Buck

There are no other abutting property owners.

SECOND: That the said property owners have duly agreed in writing to the proposed vacation without claiming any damages, a copy of such agreement is hereto attached and made a part of this petition.

THIRD: That the proposed vacated portion of Route No. T-613 serves no public purpose and is not used by the public, so

that the vacating of it will be a benefit to the township.

FOURTH: That since this section of highway is not used by the public, it has become a dumping ground for garbage, etc. and therefore constitutes, in the opinion of the abutting owners, an environmental hazard.

FIFTH: That a map or draft of the same is hereto attached and presented to the Court as required by the relevant acts of assembly.

WHEREFORE, petitioners pray that the decree may be issued by your Honorable Court directing the vacation of the 4/10 of a mile of Highway without ordinance by the Township or view by the County Board of Viewers.

Respectfully submitted:

Lloyd W. Wilson  
Secretary.

Bradford Township Board of Road Supervisors  
Woodland, Pa.

Re: Petition to vacate Township Road.

We the undersigned, legal property owners of the land adjoining the entire township road known as "Sneaks Hollow Road", respectfully petition the Bradford Township Board of Road Supervisors, Woodland, Clearfield County, Pa. to vacate above named road and to restore ownership of the land therein, equally, to those property owners now adjoining that road.

We respectfully submit this request based upon the following facts:

1. It will eliminate an environmental hazard; ie, a garbage dump which has existed for many years and continues to grow both in size and with an added health and safety hazard of an increasing rat population.
2. It will eliminate access to unprotected private property which is being wantonly destroyed and vandalized by people unknown who can easily reach the property via this route.

In submitting this petition we have taken into consideration the fact that the road is of no value to the general public. The only property owners affected are the undersigned who have already mutually agreed to this petition.

Respectfully yours:
