Public Road

versus in

Morris Township

X

W. B. L. 100

To the Honorable A.O. Smith, President Judge of the Court of Quarter Sessions of Clearfield County.

We, the undersigned, viewers appointed by the within order of Court to view and lay out the road therein mentioned, respectfully report:

That we gave good and lawful notice of the said road-view and met agreeable thereto, and a viewer being absent, we adjourned to April 12, 1904, and were then all present and having been severally sworn or affirmed, we viewed the ground for the proposed road and are of opinion that a public road between the points named in the within order is unnecessary, and that there is no occasion for such road, there being already a good road between the said points. We believe that a public road is needed from starting point in within order to Colorado No. 3, but such a road would not reach more than one-third of the distance to Hawk Run named as the terminus in within order.

Witness our hands this twelfth day of April A.D., 1904.
