Re-viewers { J. F. Norris,  
HARRY BYERS, Ed. Wooldridge

To the Honorable A.O. Smith President Judge of the Court of Quarter Sessions of Clearfield County, Pennsylvania.

We, the undersigned viewers appointed by the within order of court to re-view the road therein mentioned, respectfully report: That we gave lawful notice of said re-view by posting at least three notices of said view in public places in vicinity more than five days before the view, with notice to the County Commissioners and the Supervisors of Morris township which notices are attached hereto; that we met agreeable to said notices, the undersigned being present, and have viewed and laid out and do return for public use the following road, to wit Beginning at the Philipsburg and Allport road between the Beech Creek station and the house of Peter Stevenson, namely, sixteen and one-half feet eastwardly from the corner of Thomas White and John Stevenson, thence through improved land of said John Stevenson, Thomas White, Geo. Edwards and School lot, South 36 degrees and 15 minutes East (by line passing 16 1/2 feet westwardly from said Thomas White's south-east corner along school line) 723 feet to a post on line between school lot and George Edwards' land; thence by said line between said two pieces and on line between land of Peter Stevenson Heirs and David Bailey South 85 degrees East 847.7 feet to post on said line; thence crossing corner of said David Bailey's land South 59 degrees east 310 feet to a post; thence through land of Morrisdale Coal Company South 58 1/4 deg. East 108.5 feet to post; thence continuing through the same South 44 1/2 degrees East 80.4 feet to post; thence through the same South 60 degrees East 140 feet to a post; thence South 81 3/4 degrees East 110 feet to post; thence South 82 degrees East 185.5 feet to a White Oak sapling; thence South 72 1/2 degrees East 167.6 feet to White Oak sapling; thence South 54 degrees east through woods and fields of said coal company 141 feet to a post; thence through fields of same South 50 1/2 degrees East 165.6 feet to a post; thence through the same South 69 1/2 degrees East 219 feet to point on road laid out by former viewers; thence following road as laid out by viewers to No. 8, May SS., 1903 South 48 degrees East 180 feet; thence South 54 degrees East 1042 feet; thence South 58 degrees East 416 feet; thence South 44 degrees East 243 feet; thence South 68 degrees East 355 feet; thence South 48 degrees East 297 feet; thence South 38 degrees East 200 feet; thence South 40 degrees East 322 feet; thence South 32 degrees East 440 feet; thence South 25 degrees East 450 feet; thence South 7 degrees East 351 feet; thence South 54 degrees East 548 feet; thence South 19 degrees East 520 feet; thence South 38 degrees East 225 feet to the Munson and Philipsburg road near the Pardee school-house, which road as aforesaid laid out is necessary in our opinion for a public road. The road laid out to former view and changed by this present view is as follows: Beginning near the house of George Edwards, thence South 40 degrees East 160 feet; thence South 2 degrees East 535 feet; thence South 51 degrees East 193 feet; thence South 85 degrees East 733 feet; thence 67 degrees East 290 feet; thence South 53 degrees East 123 feet; thence South 68 degrees East 160 feet; thence North 88 degrees East 232 feet; thence South 67 degrees East 322 feet; thence South 48 degrees East 426 feet to point where roads as located by two views coincides. A plot or draft of the roads as viewed and re-viewed showing courses, distances, and improvements is hereto attached, and damages are assessed elsewhere in this report. Witness our hands this 8th day of April A.B. 1904.
