RE: Former Legislative **APR 16 1991**
Route 17016
Sandy Township **ALLEN D. BIETZ**
Clearfield County **Notary**

Dear Mr. Sheets:

The Department of Transportation's in-depth review of Highway Transfer Project documentation reveals that the Township's resolution failed to note the exclusion of the eight foot (8') concrete arch bridge at station 168+51 on former LR 17016, now Township Road TR 385 in Sandy Township, Clearfield County, Pennsylvania. This resulted in a misunderstanding of who is responsible for and owns the bridge.

In order to eliminate this misunderstanding, please acknowledge (by signing and returning this letter) that the Sandy Township Board of Supervisors concurs that the Department owns and will maintain the bridge listed below and that the bridge was not included in the Highway Transfer letter of December 31, 1981.

<u>Township</u>	<u>Former Legislative Route</u>	<u>Span Length</u>	<u>Centerline Of Bridge Station</u>	<u>Date Of Transfer</u>
385	17016	8'	168+51	12/31/81

The Board of Supervisors' concurrence, in this matter, will provide for the exclusion of the aforementioned eight foot (8') concrete arch bridge.

A reduction of eight feet (8') will be made to the Township's April 1, 1991 annual maintenance payment under PA C.S. 9511(g).

Sandy Township
